DEDICATION

ED WITTKOPP

We dedicate the 1962 SAID AND DONE to Ed Wittkopp, our MHS junior critically injured in the Muskegon-Grand Haven football game last October.

Since that time Ed has been recuperating at Hackley Hospital. For several months he remained unconscious and in critical condition. It was not until January that Ed became fully conscious and was able to recognize friends and members of his family.

Coach Paul Baldwin, MHS football coach, has expressed the feelings of the Muskegon High School Students.

"Number 42 has become synonymous with all that high school football epitomizes-- strength of heart, wind and SPIRIT and ability to excell and bear the color of our school with dignity and humility. Ed achieved all this and more. After his injury, Ed's presence was felt on the practice field, in the locker room, and during the games. We knew Ed was with us all the way and wanted us to continue working toward our common goal ----to do our best.

Now, as he faces the long months of rehabilitation we see Ed with the same determination as he showed on the Hackley Field when he lugged the pigskin through rugged opponents and tackled with reckless abandon.

Who knows what the future will hold or what other obstacles lie in Ed's path? We know of things called courage, perseverence, SPIRIT, and just plain "guts", and Ed has them. We wish Ed good luck and we hope that he soon returns to the hallowed halls of Muskegon High School."

Faculty and Administration

Seated left to right: Mr. Ralph Muller, Ass't. Sup't. of Schools; Mr. James Anderson, Secretary Pro Temp; Mr. Frank DeYoe, President; Mr. Abe Hartsema Jr., Vice President.
Standing: Mr. Richard Warren, Sup't. of Schools; Mr. Walter Brooks, Secretary; Mr. Winston Hathaway, Trustee; Mr. George Hansen, Treasurer.
Absent from picture is Mr. William Eyke.

The Said and Done Staff would like to express its grateful appreciation to the Board of Education for a job well done. Thanks to the Board's efforts, the school has been kept running smoothly and efficiently. Although many problems arise throughout the school year, they have been capably and wisely handled.

Responsible for the actions of the superintendent, principal, and members of the faculty the School Board acts as the governing body. It strives to improve the operations of the area schools for a superior school system.

Mr. Richard Warren
Superintendent of Schools

Mr. Ralph L. Muller
Assistant Superintendent of Schools

Mr. Frank DeYoe
Present President of Board of Education

School Spirit - - -

is usually demonstrated in connection with athletic events. School spirit goes much deeper, however. It is the reflection of pride in that of which we are a part. Muskegon High School has had a long tradition of things of which to be proud. Academic standards have been such that people are proud to say they graduated from Muskegon High. Excellent staff, a fine student body, courses of study, opportunities and activities to challenge all students, music, dramatics, athletics, forensics -- all these have been basic to the fine spirit which is "Our own Muskegon High."

MR. RICHARD WARREN

We all know - - - Merrel G. Bundick.

or should know that the basic reason for a school's existence is to provide the opportunity for learning. School spirit enters into this learning when we have interest in supporting all activities, good scholarship, debate, music, drama and athletics. If any school permits these activities to become more important than the excellence of studies, then the school is not serving the purpose for which it was created.

Much can be learned in giving and taking depending on whether the team wins or loses. We learn the element of good sportsmanship, which is basic in being a good citizen. I believe our school is one that is aware that the necessity of good achievement in school studies is basic, and secondary are the many activities that we participate in as spectators or take an active part in.

School spirit - - -

implies many things. It includes loyalty to the ideas and traditions of the school, determination to maintain the high standards set for us by those who have preceeded us here, and a striving for constant improvement and reaching toward perfection.

School spirit is reflected in little ways, in the friendliness and cooperation of students, the respect they show each other and their teachers, the pride they take in a clean and beautiful campus.

Muskegon has always been known for its high standards and fine school spirit. May she long continue to uphold her fine reputation!

Office Staff

Raymond C. Carlson
B.A., M.A.

Mr. Raymond Carlson, administration assistant, is also a member of the Social Studies department and is director of the student teachers. He holds B.A. and M.A. degrees and is a graduate of Albion College and the U. of M.

A former Big Red basketball coach, Mr. Carlson is still interested in athletics and includes attending sports events as a hobby.

John W. Toppen
B.S.

Mr. John Toppen, administrative assistant and member of the Mathematics department, and Sr. class advisor, is certainly a familiar figure in the halls of M.H.S. Any problem? If so, Mr. Toppen will probably be around to help solve them.

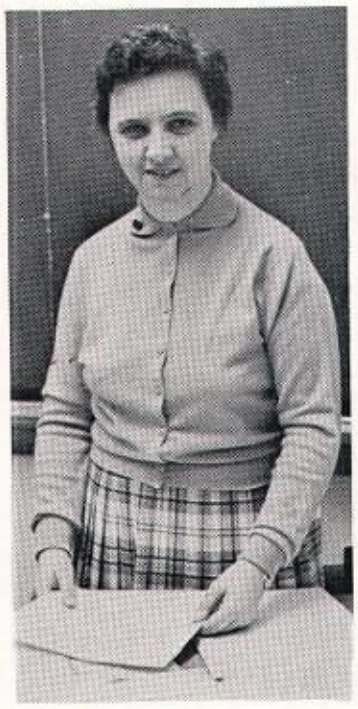
He holds a B.S. degree and is a graduate of Muskegon Junior College and the University of Chicago.

Derwin J. Walvoord
A.B., M.A.

One of the faculty's busiest members is Mr. Walvoord. He not only teaches, but is co-ordinator of the commercial department. He is also in charge of Student Placement and the co-op program.

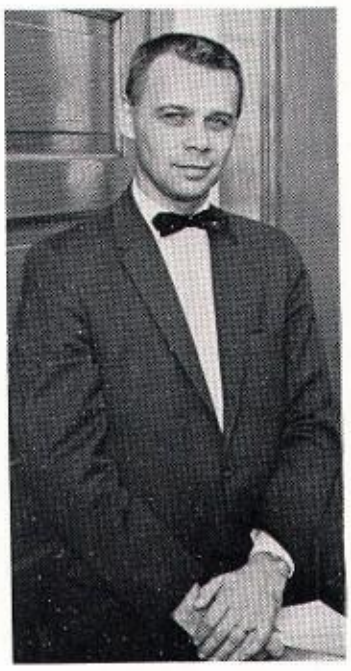
William Putnam
A.B., M.A.

A newcomer to M.H.S. is Bill Putnam, Senior Counselor. Previous to teaching here, he was Boys' Advisor at the University High School, Western Michigan University. In the short time he has been on the teaching staff, he has gained many new friends.



Joan J. Dodd
M.A.

One of M.H.S.'s new counselors is Miss Joan Dodd who comes to us by way of Wiesbaden, Germany and Suffolk, England, where she taught and counseled in U.S. Air Force Dependent Schools.



Vernon A. Jensen
A.B., M.A.

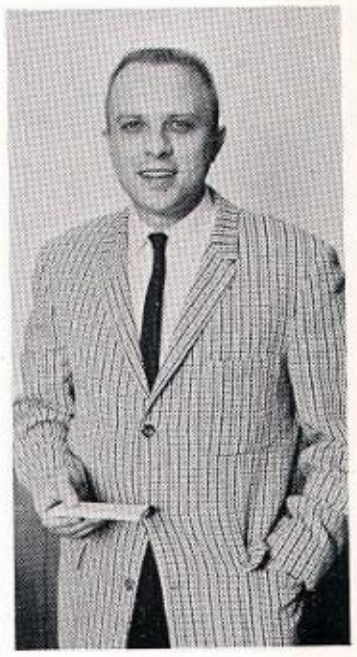
A graduate of M.H.S., Mr. Jensen is now a teacher and counselor in the Muskegon School System. "School spirit is desirable but don't forget that there are many other fine schools and students around us." Mr. Jensen "likes the fact that M.H.S. is willing to try new ideas and to keep pace with the times in becoming more and more a comprehensive high school to benefit all students."

Kenneth C. Kloberg
B.S.

The father of five, Mr. Kolbergs hobbies are reading and cabinet making. He is a member of the counseling department and is a graduate of Western Michigan University.

Harriett M. Reid
B.S.

When the going gets tough, it seems to me our school spirit is at its peak. Loyalty is the basis for real school spirit--not just a "Big Show."



Robert Stotts
B.S., M.A.

"Good school spirit evolves from a sense of pride in one's school. Muskegon High School students are proud of their school. Therefore, the spirit at M.H.S. is good."

The three central areas of the English curriculum are language, composition, and reading. The aims of the English department are to teach students to use the English language clearly and effectively in written and in spoken form and to teach them to read with understanding and appreciation. In a larger sense, the aims are not concerned merely with teaching knowledge and skills in these areas but also to develop attitudes of permanent interest in language, writing, and reading.

Gladys H. Bond
A.B., A.M.

Miss Bond is a graduate of Northern Michigan College of Education and U.S.C. Her hobbies include reading and playing the piano.

Huldah Burdick
A.B., M.A.

"I feel that English and speech are the two most important tool subjects used by all of us, all our lives--by these we are rated socially and in our work."

Sarah A. Coutchie
A.B., M.A.

Mrs. Coutchie is the English department coordinator. "A person's degree of success in his occupational life and his happiness in his personal and social life is determined immeasurably by his ability to read, to write, and to speak."

Helen Dykema
B.A.

"Through books one can learn the majesty of great poetry, the wisdom of the philosophers. Literature and books have immortalized man's knowledge. My goal or purpose is to inspire the students to share all this by reading."

Joan C. Gainey
B.A., M.A.

"The 'Hope' campaign illustrates Muskegon High's devoted spirit."

Martha L. Hall
B.A.

Another M.S.H. graduate on the staff. "At the time I graduated our school was criticized for its lack of school spirit. I feel that school spirit is important and that we have even less spirit now than we did in 1955."

William J. Harrison
A.B.

English and journalism are Mr. Harrison's department. I'm afraid our school spirit is too mechanical and not as genuine as it could be."

"The art of clean, concise communication is a field which most people could do well to understand."

Marian C. Helvie
B.S.

"Senorita" Helvie is a well seasoned traveler, having "done" Spain and Central and South America several times. "Hemispheric solidarity is an important part of our future existence."

Joanne E. Johnson
B.A.

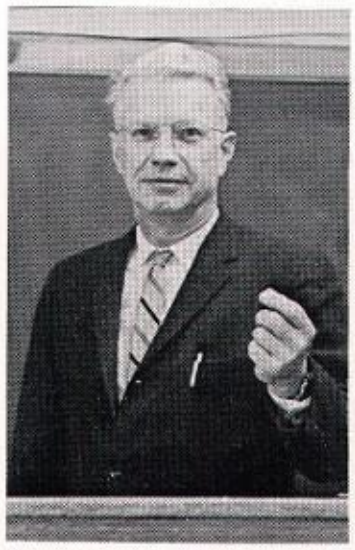
Mrs. Johnson is a "first-timer" at M.H.S. this year. She graduated from Michigan State University. "I would like to see the enthusiasm at athletic contests demonstrated in all school and related activities."

Marcella M. O'Connor
A.B.

Mrs. O'Connor is a graduate of University of Michigan and teaches senior English. "Only through the discipline of language is truth revealed."

Nancy K. Poff
B.A.

Miss Poff wants "to encourage others to love literature as much" as she does. She thinks pep assemblies should be after school and thinks M.H.S. has "loads" of school spirit.



Franklin G. Poling
A.B.

Mr. Poling is responsible for the broadcasting of the P.A. announcements every morning. Directing the senior play and the talent assembly are his extra-curricular activities. He teaches a radio class and several speech classes.

Frances K. Redmond
B.A.

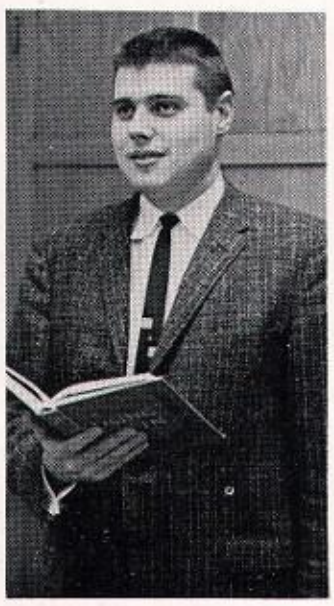
Although Mrs. Redmond is very busy teaching senior English at M.H.S., she has time to garden and read. Mrs. Redmond is a graduate of the State University of Iowa.

Marjorie Rice
B.A., M.A.

Mrs. Rice is another University of Iowa graduate who teaches English, speech, and dramatics. She believes that speech and dramatics develop poise, confidence, and fluency in speaking.

Elizabeth Schuler
B.A., M.A.

Mrs. Schuler became interested in teaching Englisl efly because of her fondn for literature. School spirit M. H.S. she describes as exu int and spontaneous.



John C. Schwegman
A.B., B.A.

The new Latin teacher at M. H.S., Mr. Schwegman feels that " a teacher, working with young people, must know his age group . . . . I feel that a course should be difficult enough to encourage the student to think for himself and to raise his standards of learning."

Eleanor Stockwell
A.B., M.A.

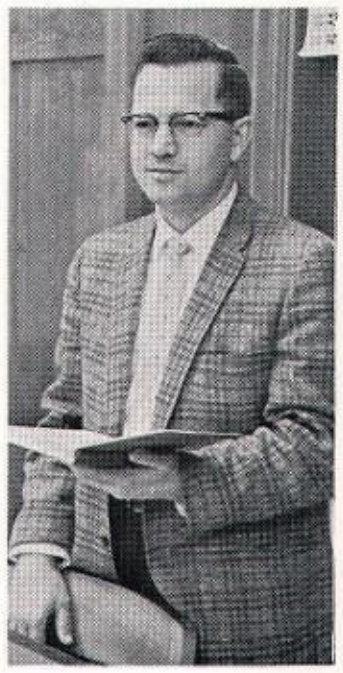
After graduating from Northern State Teachers College and the University of Michigan, Miss Stockwell came to Muskegon to teach English. Reading and playing cards occupy her leisure time.

Ruth Y. Terry
B.A., M.A.

"Reading and study skills are basic to every school success," comments Mrs. Terry who is in charge of the new speed-reading course at M.H.S. Mrs. Terry is also the Thespian advisor.

Florence Tool
B.A., M.A.

Mrs. Tool, a French teacher at M.H.S. is well qualified having not only graduated from the University of Colorado, but also from Radcliffe and the Sorbonne in Paris.



Harold R. Weaver
A.B., M.A.

Mr. Weaver is a sophomore English teacher. When asked about school spirit, he replied that school spirit is generally good. He feels that upperclassmen are ahead of the sophomores in this respect, but he is certain that they will catch up.

Lindsey Wilhite
B.S.

A popular newcomer to the M.H.S. faculty, Mr. Wilhite teaches French and Spanish. Believing in the importance of his work, he comments, "Perhaps in the final analysis, it will be through languages that we will at last solve the world's problems."

Dale Wingler
B.S.

"School spirit is a parallel to adult community spirit, be it in athletics, in dramatics, or whatever activity a person becomes a part," states our Booster Club advisor, Mr. Wingler. Depending on the season, this English teacher lists his hobbies as swimming and grading themes!

Through the study of history, government, economics, and sociology, the Social Studies Department strives to teach an appreciation of our great American heritage, and an understanding of our country's government. Its goal is to shape responsible citizens.

Paul T. Baldwin
B.A., M.A.

"Coach" teaches sociology and American government, in addition to being the football coach at M.H.S. He says that he considers sociology an avocation and government a provocation: there is a great need for students to understand their government so they can take their place as responsible citizens in our society.

James H. Curnalia
B.A., M.A.

"Pops", one of the Senior class advisors, teaches American and world history. A confirmed bachelor, his hobbies are reading, gardening, cooking, and photography. He thinks that the school spirit is lopsided--applied too much to athletics and not enough to such matters as corridor conduct or support for musical, theatrical, or scholarly activities.

J. Paul Dunworth
A.B., M.A.

American history and American government are the subjects Mr. Dunworth teaches. "M. H. S. doesn't consistently have enough school spirit."

Edward C. Hager
B.A., M.A.

----a proud papa for the first time in November, 1961. Mr. Hager is the basketball and golf coach and teaches American government. "The backing our students give our athletes is the best I have ever seen and certainly reflects the overall enthusiasm of this school."

George K. Hughes
A.B., M.A.

Mr. Hughes is a graduate of the University of Illinois and teaches world history. "Every responsible citizen in our American democracy must know history. If the citizen does not know it, he is doomed to repeat the mistakes of the past.

Ivan R. Huyser
B.S., M.A.

Mr. Huyser is a member of the social studies department, teaching American history and government. Sailing is his great pastime and he has competed in a good many races. Mr. Huyser thinks the girls at M. H.S. have especially fine school spirit.

William H. Paulson
B.B.A., M.A.

Mr. Paulson is a graduate of the University of Michigan and is a world history teacher. He is a member of the team-teaching program, a new innovation at M.H.S. this year.

Ethel E. Pihlstrom
B.S.

According to Miss Pihlstrom, school spirit means:

1. Being a student in the correct meaning of the term.
2. Being considerate in all areas: classroom, study-hall, lunchroom.
3. Making M.H.S. the **best** school anywhere.
4. Some students do not live up to their ideas of good school spirit and thus bring dishonor on our school."

Miss Pihlstrom teaches American history and is a Junior class advisor.

George Russcher
A.B., M.A.

Mr. Russcher is the father of four. His hobbies are gardening and reading. A member of the social studies department, he teaches American history. "The study of American history should help students to appreciate our great American heritage, understand our country's government better, and help to develop better citizens in our democracy."

Matt L. Tomasiewicz
B.A.

Mr. Tomasiewicz taught at M.H.S. for the "second" time this year, the first time: when he was a student teacher. A member of the social studies department, he teaches American and world history. "Know your history and know your world!"

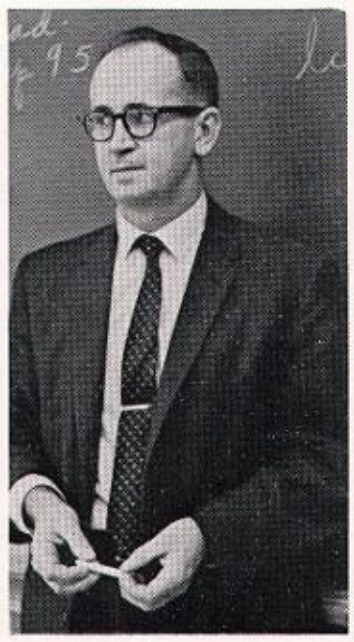
R. A. Zimmerman
A.B.

Half of a teaching team at M.H.S., Mr. Zimmerman teaches American history. (The other half is Mrs. Zimmerman!) According to him, some students fail to realize that absence and tardiness are evidences of poor school spirit as well as poor citizenship.

The objectives of the Science and Mathematics Departments are threefold: to train the students in the subject matter, to teach them to think, and to develop the ability within students to transform theory into practice.

Dorothy Andrews
A.B.

Mrs. Andrews, a Plane Geometry teacher and the YFC advisor at MHS, believes that geometry is valuable because "(1) problem solving is important in life, (2) geometry is chiefly problem solving, (3) geometry is important to all of us."



Raymond Bauer
M.S.

Mr. Bauer teaches chemistry and believes that every student should be "at least exposed to a science subject". He is the father of seven children, yet still finds time for such hobbies as fishing, gardening, and sporting events.

Gerald C. Bruining
B.S., M.A. (administration), M.A. (physics)

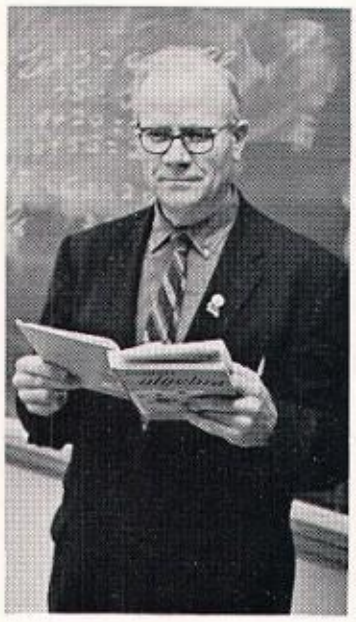
Mr. Bruining is practically a celebrity. Not only is he the coordinator of the MHS Science Department, but is also the president of the Muskegon Civic Opera Association. In addition, he finds time to teach applied science and physics.

Terrence Coburn

Mr. Coburn is a new faculty member at Muskegon this year. He teaches Plane Geometry and is a member of the team-teaching program. One of the highlites of his first year at MHS was chaperoning a football excursion. He thinks our school spirit is great!

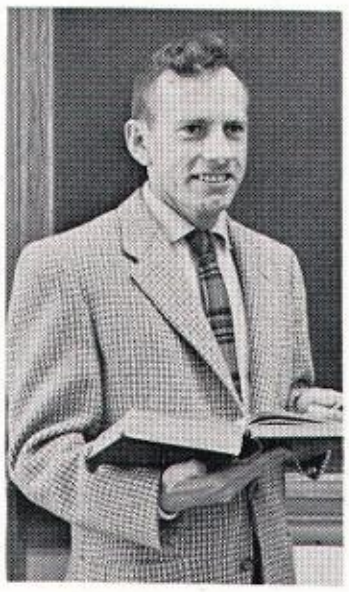
Jerry Lorenz
B.S.

Another "second-timer" (student teacher and faculty member), Mr. Lorenz is a graduate of Michigan State University. He teaches biology and applied science.



Donald W. Mooney
B.S.

A graduate of Iowa State, Mr. Mooney teaches algebra and general math. He is the father of seven children and enjoys gardening for relaxation.



Lindsay Neal
B.S.

As a biology teacher, Mr. Neal is a firm believer in physcal fitness. To keep himself in tip top condition he enjoys bicycling; he has pedaled thousands of miles across the United States.

Peter A. Oakes
A.B.

Another new member to the Muskegon faculty this year is Mr. Oakes. As a part of the team - teaching program, he teaches algebra and geometry.

David E. Olsen
B.S., M.A.

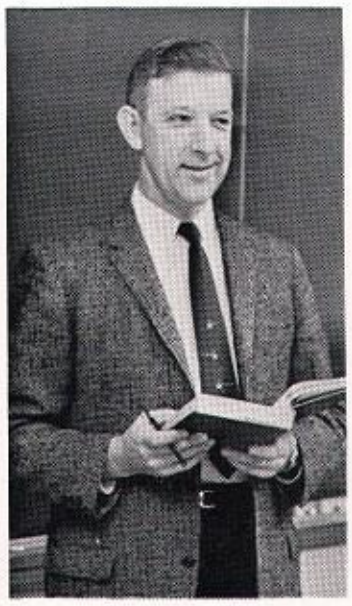
One of the busiest faculty members at M.H.S. is Mr. Olsen. Not only is he the co-ordinator of the mathematics department, but he also teaches trigonometry, college algebra, advanced algebra, and solid geometry. In addition, he is the tennis coach.

Mary Rodewald
B.A.

To Miss Rodewald, who is new to MHS this year, "biology is the most fascinating subject there is." A recent graduate of Albion College, she thinks Muskegon is a little large but nevertheless "tops".

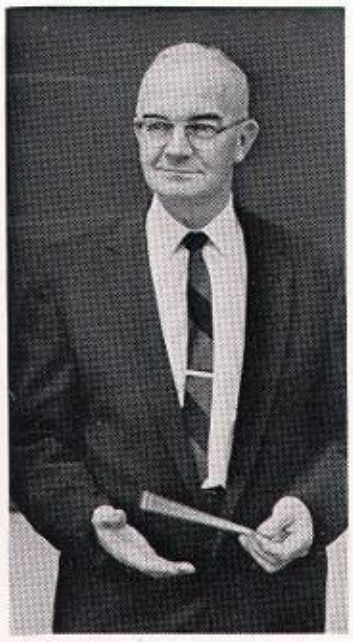
Oren W. Rodewald
B.S., M.A.

Mr. Rodewald is a member of Muskegon's science and mathematics department. His specialties are physics and advanced algebra.



Nathan J. Roelofs
A.B., M.A.

Mr. Roelofs, the father of four, is a math teacher at M. H.S. Plane geometry and advanced algebra are his specialties. He is also a Senior Class advisor.



Kenneth Rolfe
A.B., A.M.

Mr. Rolfe, another math teacher at Muskegon, is a graduate of Western Michigan University and the University of Michigan. For relaxation he enjoys playing with his two children and working at his cottage.

Douglas A. Tool
B.S., M.A.

Mr. Tool is a chemistry teacher at M.H.S. Although students show enthusiasm for school games, Mr. Tool feels they could "take greater pride in the appearance of corridors, floors, and lawns".

Winthrop Trautman
A.B., M.S.

A graduate of the University of Michigan, Mr. Trautman is affiliated with the science department. He teaches biology and is a member of the team-teaching program.

Robert C. Skelley
B.S.

As a new member of the M. H.S. faculty, Robert Skelley has his hands full. Besides teaching art, he is the **Said** and **Done** advisor. Take is from us----it's a job!!!!

s-rTs-

The Music Department is composed of two divisions: choral and instrumental music. In both, the objectives are to develop sensitive musicians and singers and to develop appreciation for, and an understanding of good music.

Fred Roys
B.M., M.M.

Mr. Roys chose to teach in the field of music because of his admiration for the late William Stewart, M.H.S.'s beloved band and orchestra director.

Although Mr. Roys feels that most students have an abundance of spirit, he admits that there are a few who have none.

Mabeth Saure
A.B., M.M.

Miss Saure is the able leader of all our choir groups. She is a graduate of Northwestern University.

The goals of the library are: to provide a background of information which will enable pupils to make intelligent judgments in their daily life and to provide materials on opposing sides of controversial issues so that young citizens may develop under guidance the practice of critical reading and thinking.

Margaret Elliott
A.B., M.S.

Besides being our busy librarian, Mrs. Elliott is the Library Club advisor and is in charge of TAB readers.

Mrs. Elliott has a number of hobbies, among which are an interest in Indian folklore and writing juvenile stories.

Marylee Steinmetz
A.B.

Mrs. Marylee Steinmetz is the assistant librarian at M.H.S. For relaxation, Mrs. Steinmetz loves to read - - - naturally!

The Physical Education Department stresses total fitness of the body. From better physical fitness comes better social and emotional fitness.

Gertrude D. Gillaspy
B.S., M.A.

A busy figure at M.H.S. is Mrs. Gillaspy. She is a physical education instructor, cheerleader advisor, G.A.A. advisor, and Bowling League advisor. One of her major jobs is Synchronized Swimming.

Thomas G. McShannock
B.S., M.A.

Besides teaching physical education, Mr. McShannock is a successful track and cross-country coach and is a Varsity Club advisor. He is a graduate of Michigan State University.

Harry E. Potter
A.B.

Another busy person is Coach Potter. Mr. Potter is a physical education instructor, Athletic Director, baseball coach, and Varsity Club advisor.

Una G. Zimmerman
A.B.

Mrs. Zimmerman has definite ideas about physical education: "Physical education helps a student to grow physically, mentally, socially, and emotionally." Mrs. Zimmerman is an advisor of G.A.A.

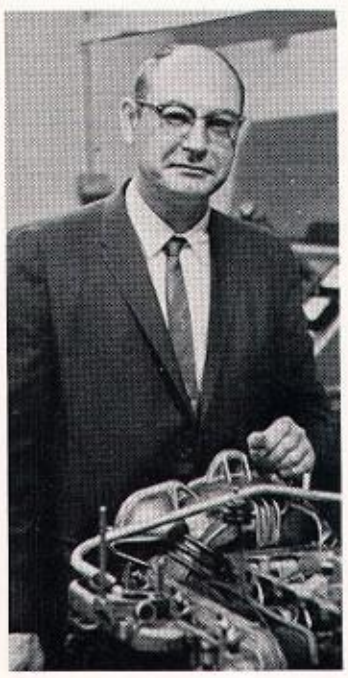
The aims of the Vocational Department are the most important in today's society. Students are trained to enter some phase of the modern business world, whether mechanical or commercial. The mechanical subjects help to develop manual skills and provide training for those pursuing special trades. The commercial courses provide training for those pursuing special trades. The commercial courses provide the training necessary for participation in office work and management.

Henry V. Bolt
A.B.

Another familiar figure in the new industrial arts addition is Mr. Bolt. He is a drafting instructor.

Mildred Brothers
A.B.

A graduate of Western Michigan University, Mrs. Brothers teaches bookkeeping, shorthand, and commercial arithmetic. In her spare time she enjoys sports and sewing.



Fred Chalker
B.S.

Mr. Chalker is an auto shop instructor at MHS. His hobbies include hunting and fishing.

Pauline Dunsmore
B.A., M.A.

Mrs. Dunsmore teaches business education classes at Muskegon. Her outside activities include ceramics, knitting, and reading. She is also president of the Michigan Business Education Association this year.

Fred Franczek Jr.
B.A., M.A.

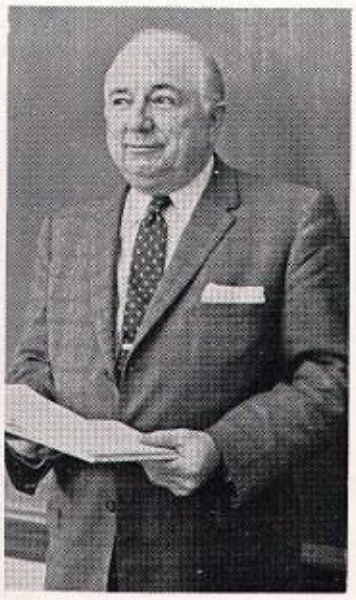
As a typing and commercial law teacher at M.H.S., Mr. Franczek feels his job is vital in today's complex business world. He is a graduate of Muskegon Community College and Michigan State University.

John T. Gainey
B.S., M.A.

Mr. Gainey is another busy faculty member at M.H.S. He teaches bookkeeping, economics, and commercial arithmetic.

Bruce Galland
B.S.

Bruce Galland, an art-metal instructor at M.H.S. enjoys teaching art because he likes "to teach students how to work with their hands in making an object which includes function, design and problem solving."



Anthony E. Gilsdorf
B.A., Ph.M.

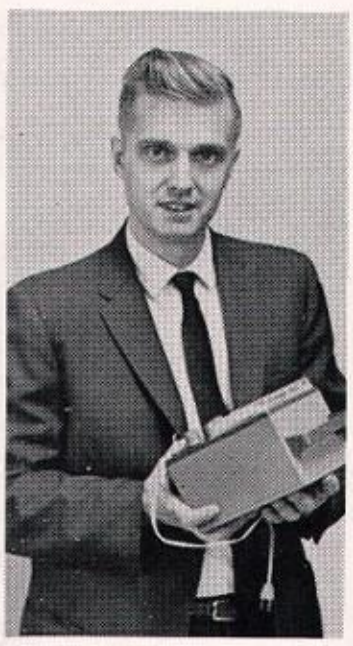
Mr. Gilsdorf teaches bookkeeping and commercial arithmetic. In his spare time he enjoys such activities as traveling, mountain climbing, studying, and sports.

Cecelia Knoll
A.B.

Miss Knoll is a graduate of Western Michigan University. She teaches shorthand, typing, and transcription.

Sherwook Krause
B.S.

Machine shop and mechanical drawing are the specialties of Mr. Krause. He chose these subjects because he believes "a school should prepare a student to work with his hands as well as his head."



Don Krueger
M.S.

Electricity instructor, Mr. Krueger, is a graduate of Stout State College. He likes to hunt and fish in his spare time.

Goldie Mayrose
A.B.

As a graduate of Indiana State Teachers College, Mrs. Mayrose teaches commercial geography, arithmetic, and bookkeeping.

Harry D. Moulton
B.S.

Mr. Moulton, mechanical and architectural drawing instructor, is an avid hi-fi enthusiast. He is also very enthusiastic about our school spirit.

John Partenio
B.S., M.A.

Although well-known for his success as the coach of the Little Reds, Mr. Partenio also has another job. He is an instructor in the art of cabinet making.

Rex Sheathelm
A.B.

In charge of the printing presses at M.H.S. is Mr. Sheathelm. He is a graduate of Western Michigan University and enjoys teaching students to work with their hands and their minds.

Frederick Smith
B.S.

Mr. Smith is new to the Muskegon faculty this year. He received his training in the field of auto mechanics at Indiana State University.

Russell Stevens
A.B., M.B.A.

A graduate of DePauw University and Northwestern University, Mr. Russell is a bookkeeping and commercial arithmetic teacher. For relaxation he enjoys traveling and just plain yardwork.

Maxine Storms
B.S.

"Who has time for relaxation?" Mrs. Storms has two children and teaches typing and shorthand.

Gladys Collier
B.S.

Family Relations teacher, Gladys Collier, says, "Knowledge is a stepping stone to a successful family life."

Agnes L. McIntyre
A.B.

Homemaking teacher, Agnes McIntyre, is a Michigan State University graduate and enjoys music appreciation, music participation, and just plain music!

Ada Shinabarger
B.S.

Miss Shinabarger, homemaking and family relations teacher, likes to enter "give-away" contests, but has never won anything. Keep trying Mrs. Shinabarger and maybe someday ---?

STUDENT COUNCIL

Student Council is an organization which is related in many aspects to our national government. One might say that the student government at M.H.S. is "of the students, by the students, and for the students" in that the officers and homeroom representatives are elected by and for the students.

One of the largest organizations on campus, Student Council engages in many activities, furthering the ideals of Muskegon High School. This year Student Council has been in charge of the Homecoming activities, study hall monitors, Used Book Store, M.A.P. Campaign, guiding for orientation and parent-teacher conferences, Red Cross Thanksgiving project, clean-up program, safety program, and noon hour dances.

The M.H.S. Student Council is also a member of Interschool Council and this year participated in the Interschool Exchange Day program.

Special accomplishments this year by the "ever-working" organization were the start of noon hour dances, and the walk light at Grand and Sanford.

The Project H.O.P.E. (Help Our Player, Ed), sponsored by Student Council, is one that should make all M.H.S. students proud. The amount of $2,461.11 was collected to help the parents of Ed Wittcopp, who was critically injured in football, with medical expense.

One of Student Council's many projects is the used book store. Here are a few of the many members of the club who donate their time to this activity: Bill Holmberg, Sue Storms, Ann Wibalda, Dave Maxwell, and Sue Buss.

Row 1: David Hall-President, Annette Tool-Vice Pres., Mary Matthews-Sec., Kathy Beesing-Treasurer, and Ruth Ann Gustafson-Historian.
Row 2: Sue Meyer, Ann Kolekamp, Carole Sandford, Kay Tourcotte.

National Honor Society

Books, books, books, and more books!!! "Books are the symbol of the society," may be what Mary Matthews is thinking; but it looks as though Dave Hall has found a perfect place for them. Kathy Beesing and Annette Tool don't seem to care.

NATIONAL HONOR SOCIETY

One of the most coveted awards for hard work in class is an invitation for membership in National Honor Society. Sponsored by the National Association of Secondary School Principals, National Honor Society recognizes and rewards achievement in scholarship, leadership, and service to the school to students of honorable character.

Although it annually contributes to school fund drives and gives a dance, National Honor Society is primarily interested in promoting scholarship, character, and leadership among the students.

Since membership in National Honor Society requires the highest achievement, students who desire the honor of membership must continually strive for scholastic improvement. An impressive formal induction ceremony highlights the National Honor Society year.

Thespians are at it again----but is this acting??? Dave Hall seems to be courting blushing Sue Storms, while Gwen Guibord and Pam Hemmick chaperone.

THESPIANS

The aim of National Thespians is two-fold: to establish and promote standards of excellence in all phases of speech arts and to create an active and intelligent interest in speech arts among students.

Thespians annual three-act play this year was **The Other You.** The members also took part in a one-act play Drama Festival, gave an all-school dance, and attended the regional meeting of the National Association of Thespians.

Tape-recordings made during the year provide most of the material for a weekly quarter-hour radio program in the summer. Mrs. Ruth Y. Terry, Thespian sponsor, composes and narrates the programs.

Students must spend 100 hours on speech arts, such as debate or dramatics, to become eligible for membership in National Thespians. New members are formally inducted at the speech banquet in the spring.

Masque

MASQUE

Masque Dramatic Society is one of the most active clubs on campus. Its purpose is to give students training in the production of quality plays. Through plays and regular meetings, individual talent and leadership are developed.

In the fall Masque annually presents a three-act play. This year the group gave **The Diary of Anne Frank.** Three entertaining one-act plays were given in the spring. An interesting feature of these plays is that they are judged by competent drama observers in the area. The director of the winning play has his name engraved on a coveted plaque dubbed "The Willie".

Masque meets twice a month--once for a business meeting and once for a special program. This program is usually presented by the members and concerns some phase of dramatic art. Masque also takes an annual trip to some college or university to observe a college theatrical production.

Members of Masque are chosen each year on the basis of their acting ability or backstage knowledge. However, no previous dramatic experience is necessary for admission to the club.

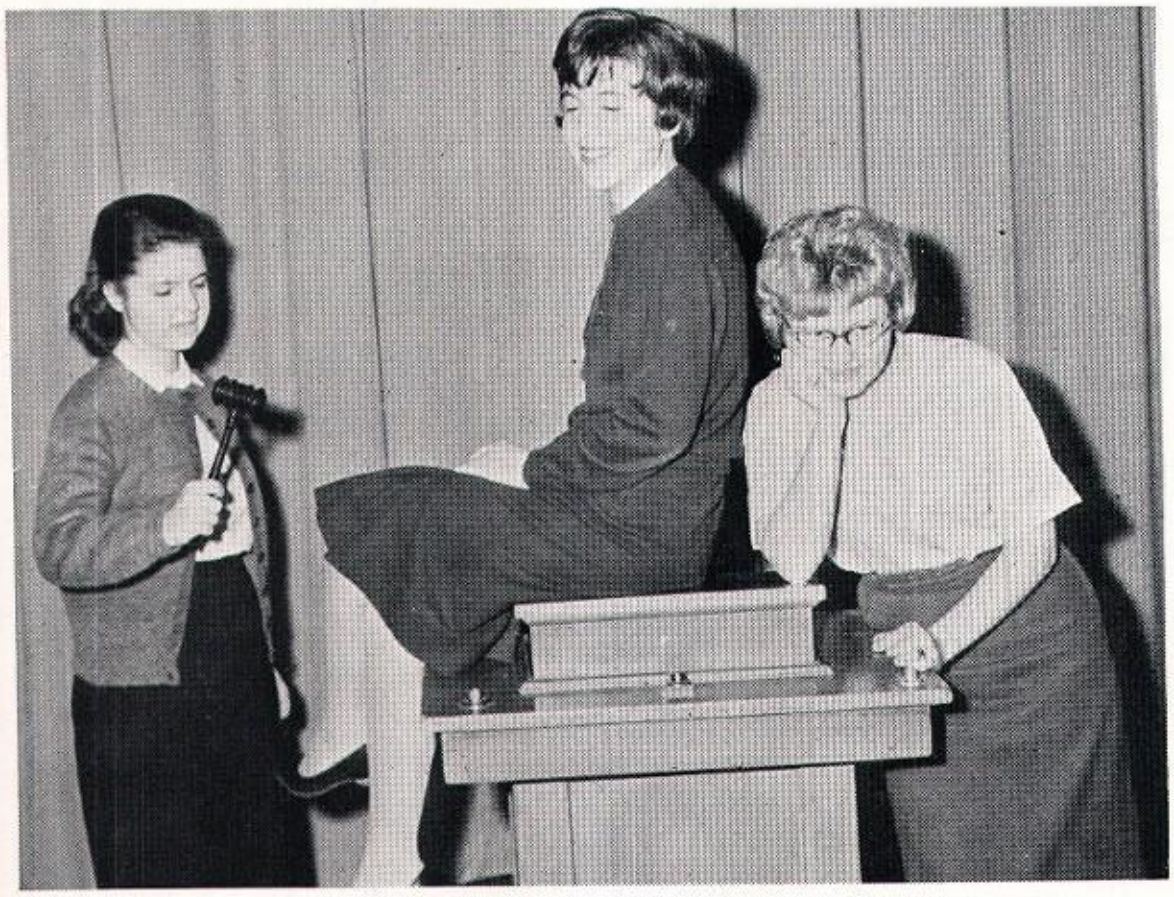
Debate

DEBATE

Debate class is one of the most time consuming activities on campus. Debaters try to learn to think critically and analytically, to use their minds within the disciplines of logic, to reason out an issue looking at both sides, and to realize that there are disciplines and rules in debate as there are in engineering, art, or cooking.

The students in this advanced speech course study the fundamental principles of debate, practice those principles, and take part in two debate leagues. Debate also sponsors a dance.

This year, in keeping with Muskegon's tradition of excellent debating, the debate team won the West Ottowa Debate Tournament. Thus MHS is excellently represented in the exciting battle of words and minds known as debate.



Pam Hemmick, Annette Tool, and Karen Nelson have found another use for the symbols of the club: the podium and the gavel.

SPEECH GUILD

All those M.H.S. students interested in assembly speaking, public discussions, and various other speech activities are sure to be found in Speech Guild. On many occasions these young people are called upon by civic and church groups to present panel discussions on some interesting and timely subject.

Membership to this club is obtained by presenting a short speech, which is judged by the executive board.

Muskegon High School Band

The Muskegon High School Band, one of the finest in the United States, is a big reason why Muskegon is on the map.

Starting practice long before school starts, the band is ready to go by the time most students are awakening to the shocking fact that school has begun. Throughout the football season the band drills every fourth hour, and then astonishes fans on the weekends with its precise and clever formations.

After the grid season has passed, the band goes through a quick change and emerges as the Muskegon High School Concert Band. As the Concert Band, the group participates in a series of concerts and contests such as the District Solo and Ensemble Festival, the District Band Festival, and the annual Band Concert.

This year the band, under the able direction of Mr. Roys, received first place ratings in all competitive events. The year ended in the traditional manner as the band played the Alma Mater for the graduation exercises.

Muskegon High School Orchestra

MUSKEGON SENIOR HIGH ORCHESTRA

The school year 1961-62 has been an extremely busy one for the Muskegon High School Concert Orchestra, due mainly to its continued activity in connection with the Muskegon Kiwanis Club's Travel and Adventure Lecture Series. As in preceding years, the orchestra has played a pre-lecture concert before each of the twelve lectures. While this has put severe demands on the personnel of the group, it has also done much to acquaint the citizens of Greater Muskegon with the musical ability of this group. In addition to this series of concerts, the orchestra has added to its laurels by presenting various programs throughout the year ending with the traditional Spring Concert.

Row 1: Rosalyn Johnson, Carol Johnson, Karen Cloud, Annette Tool, Rosemary Murray, Dawn Scrivnor, Jean Strandberg, Lib Fee, Judy Yonkman, Gail Boe, Lisa Johnson, Kathy Morency, Aloys Black, Wanda Samuels, Guynne Guibord.

A Cappella

Under the able direction of Miss Mabeth Saure, A Capella, an advanced singing group, strives to gain additional skill in the art of music.

A Capella is one of the busiest organizations on campus with requests made for its programs six months to a year in advance. This year the group participated in school assemblies, the Christmas Concert, and state and district choir festivals.

Madrigalians is a mixed group of advanced singers who sing throughout the year for numerous church and civic organizations. "Mads" also participate annually in the Christmas Concert, Choir Parents' Night, and the Spring Concert.

The sixteen Madrigalians provide extensive and entertaining music for community and school functions as well as enjoying an excellent experience for advanced vocalists.

Row 3: Sue Dillard, Emmy Wierengo, Charles Mundt, Marshall Poe, Doug Hasper, David M. Jensen, Bill Keur, Clifford Hamil, Jim Fairris, Don Lack, Dave Herman, Terry Meinhardi, Jesse Baruera, Jerry Hatfield, Dee Garlough, Marilyn Hoffman.

Girls' Choir

MHS Girls' Choir provides an opportunity for girls who are more advanced singers to sing in a select glee club for girls. Members are selected by Miss Saure in tryouts. The choir participates in assemblies, the Christmas Concert, the Spring Festival, and the District Festival.

Girls' Choir participates with the other choirs in the Choral Department in sponsoring a dance and giving a banquet in the spring.

Senior High Chorus

Senior High Chorus provides students interested in vocal music with an opportunity to learn the fundamentals and to cultivate a greater appreciation of music. This group is the first step toward singing with the more advanced choirs on campus. Although composed of beginners, the Senior High Chorus provides enjoyable music at assemblies during the year. Membership is open to anyone who wants to sing and enjoys it.

Y-Teens

The aim of Y-Teens is to build a fellowship of women and girls devoted to the task of realizing in common life those ideals of personal and social living, committed by their faith in God.

To fulfill this aim, the club participates in many service projects throughout the year. A few of these are filling a Thanksgiving and Christmas basket to cheer a needy family, aiding in the Crippled Children's Drive, and helping the Community Chest Drive. The club also sponsers the Sarah Beth Boggess scholarship, which is presented to a worthy senior each year.

On the fun side, Y-Teens has an annual slumber party, a Christmas Femme-invite Dance, and a weekend at Camp Emery each spring.

Any girl at M.H.S. is eligible to join Y-Teens. New friends, new experiences, and new opportunities for leadership are the rewards of membership in this world-wide fellowship.

French Clubs

The French Clubs try to increase their members' ability to speak and understand French. To reach this goal, the members play games and sing French songs, present skits, hear talks, and see movies and slides on France.

There are two French clubs, each meeting regularly twice a month. Occasionally the two get together for parties, to sponsor a dance, and to contribute to Care. Anyone who is studying French or who has studied it is eligible for membership to the clubs.

Row 1: Karen Cranston-Secretary, Linda Newell-Parliamentarian, Susan Tool-Vice President, Karen Gassman-Historian, Kay Tourcotte-President, Coreen Hoeker-Song Leader, and Anne Borgeson-Treasurer.

French Choral

French Choral gives students who are interested in learning French songs an opportunity to sing together every other week after school.

At Christmas time, the group sings at the hospitals and at other places desiring Christmas entertainment.

Varsity Club

To promote good citizenship through cleanliness and fair play in athletics; to raise the general standard of athletics through friendly competition in interschool meetings; to develop and maintain a better standard of scholarship among athletes is the three-fold purpose of the Muskegon Varsity Club.

Varsity Club met the visiting teams and officials during football and basketball seasons, and performed other valuable duties in both sports.

The club sold candy and programs at the basketball games and sponsored the homecoming dance to raise money for a new football scoreboard. Varsity Club also contributed a substantial amount to the Ed Wittkopp Fund. Any winner of an "M" in a major sport is eligible for membership in this respected and useful club.

Row 1: Jim Lindgren-President, Jim Decker-Secretary, Ted Olsen, Tom McShannock-Treasurer, Larry Medendorp-Sergeant-at-Arms, and Dick Buikema-Vice President.

Row 4: Miss Helvie-Advisor, Tom Russell, Frank Lennie, Jim Pendell, and George Fredrickson.

Spanish Club

"Every man wants his woman on a pedestal" and Joe Legatz has three; they are Susan Tool, JoAnne Erickson, and Rosaleen Campbell, officers of Spanish Club.

The Spanish Club of Muskegon High School has been organized to promote greater interest and better understanding of the Spanish-speaking peoples of the world. Monthly meetings include such programs as slides of Spain and South America or speakers who have lived or visited in Spanish-speaking countries.

Spanish club sponsors a scholarship to Community College for the senior who excells in class and is continuing the study of Spanish in college. A banquet is held at year's end at which only Mexican food is served.

The club meets the third Monday of every month. Anyone who is enrolled in a Spanish class or who speaks Spanish may become a member.

The motto for the Girl's Athletic Association (GAA) is: A sport for every girl and a girl for every sport. Upholding this motto, GAA engages in winter, spring, and fall sports plus swimming, bowling, and dancing.

Any girl properly enrolled at M. H.S. is eligible to become a member of this organization. This year the club gave a dance after one of the basketball games entitled "Jingle Bell Rock".

The purpose of GAA is to promote high standards for girls' and women's sports.

Two points more for Coreen Hooker and perhaps two inches more for Kathy Skok from the way that Cecil DeGroot and Jean Boltz are measuring.

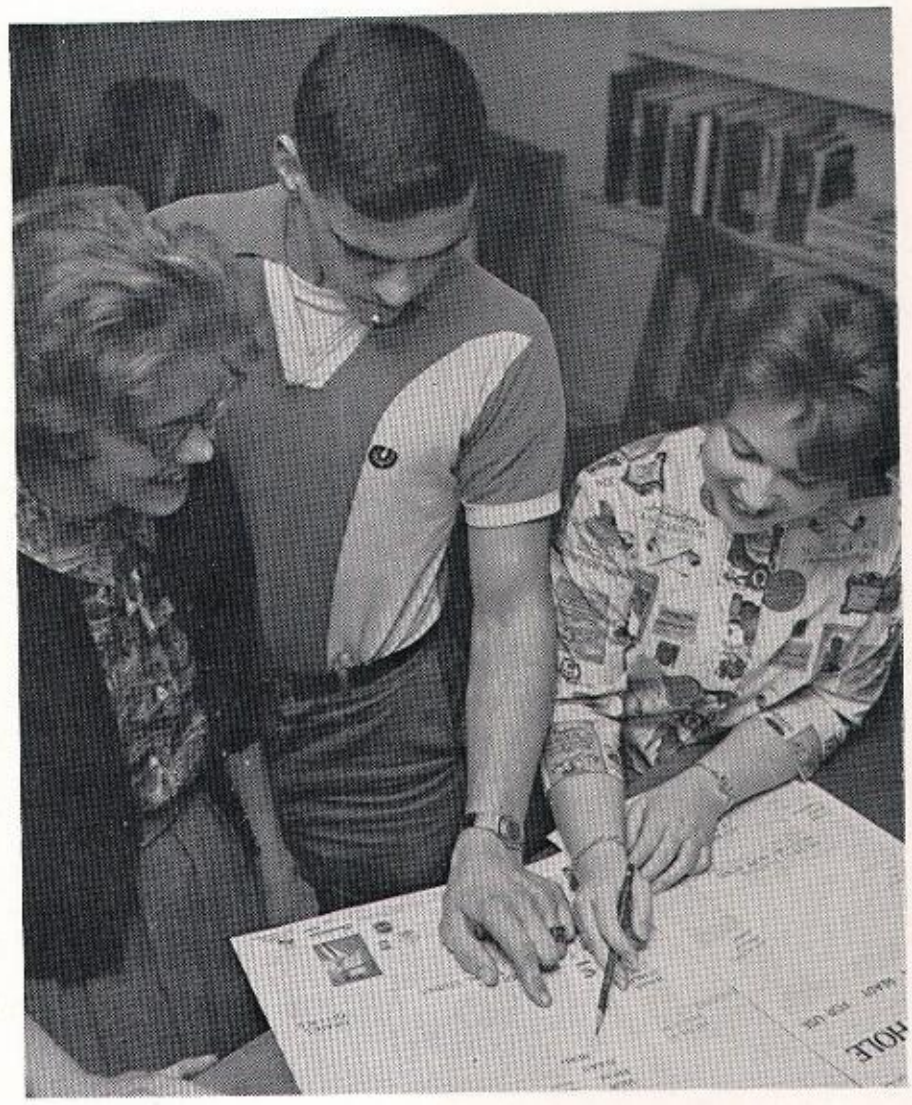
Said & Done

Here's a familiar scene in the Said and Done headquarters. As always the staff is hard at work putting together the best yearbook ever.

SAID AND DONE

The members of the Said and Done staff have made it their purpose to present to the student body a vivid and accurate account of the school year of 1961-1962.

Through the staff's tireless efforts, pictures were secured, indispensable information was obtained, and the M.S.H. story was written.



Elsa Pressentin, editor-in-chief of the Keyhole, is giving a few pointers to George Doubles and Alice Anderson.

The purpose of the **Campus Keyhole** is to inform the student body and faculty of happenings about and concerning M.H.S. The **Keyhole** is published every two weeks with news articles, features, sports stories, and pictures. The staff, composed of students who have completed Journalism 1, attended the annual journalism convention at the University of Michigan this year. A safety edition of the paper was also published this year and entered in the national safety contest, in which about 8,000 student newspapers compete. Muskegon has placed at or near the top in this event for many years, and hopes to again this year.

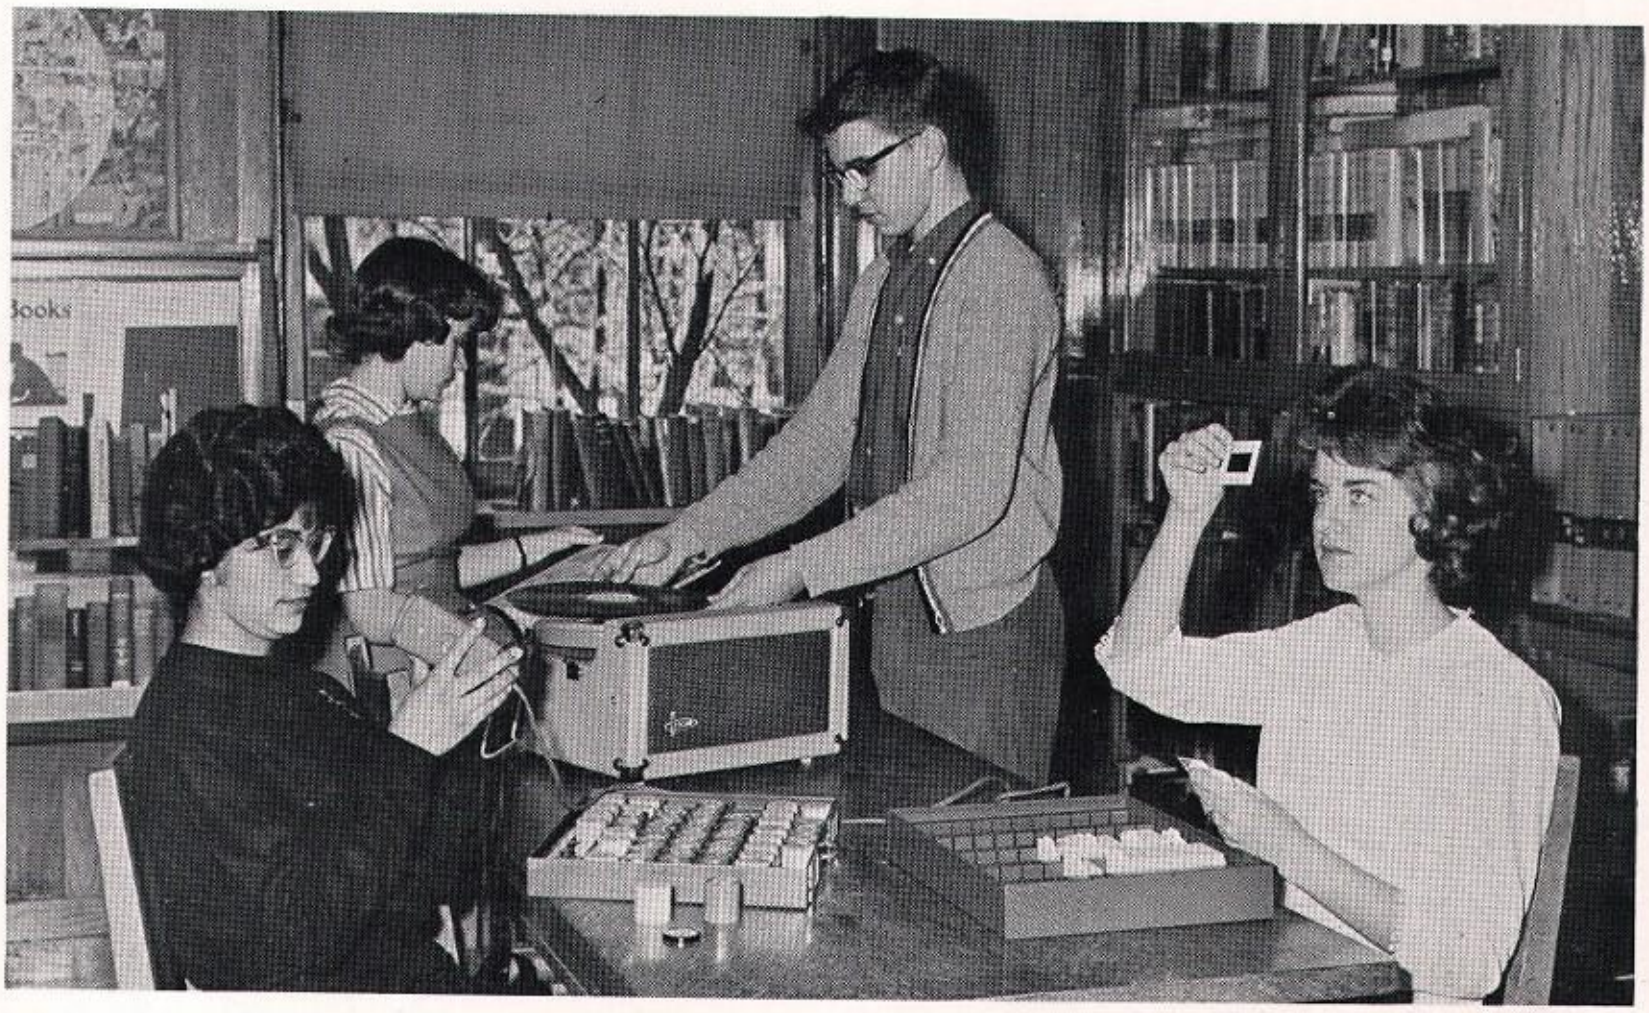
Library Club

The purpose of the club members is to provide social fellowship for those with the same interest, explore their interests and abilities in relation to library work, and to help in the field of library service. The Library Club started its active school year by introducing students into the techniques of library service and increasing interest in books and reading of the literary world in general.

Among the many events of the club this year were a candy sale, Book Week, Library Week, and SLAAM, a regional meeting of library assistants.



Library Club and its various functions are an essential part of the organization of our school. Shown are a few of its ambitious members hard at work.

These active members of the Service Squad are shown hard at work performing their vital service to the school.

Booster

Booster Club, one of the largest organizations at M.H.S., is the chief promoter of school spirit on campus. This year, as always, the club's activities raised morale and enthusiasm to a pitch that kept Muskegon at the top of the school spirit ladder.

The gay posters hanging around campus are just one of the many important projects of Booster Club. Red and white pom-poms and ribbons with mottos such as "Topple the Tigers" are another.

Here, Sue Hall, Sue Reilly, and Joe Ellis demonstrate a practical use for the new doors!!!

Row 1: Sue Reilly, Pat Reed, Ondre Robinson, Kgthy Dekker-sgt.-at-arms, Bill Holmberg-president, Jackie Gilbert-vice-pres., Sandra Grams-sgt.-at-arms, Sue Hall treasurer.

Row 5: Sharon Martinez, Roger Muller, Tom Kochin, Jim Pendell, Dave Kyvig, Bruce Hilt, Joe Legatz, Bill Greene, George Fredricksen.

Club

A special feature of the club this year was "color week", held in cooperation with the cheerleaders. During the week before the football game with Muskegon Heights, the club members sold pom-poms, ribbons, and flowers; the teachers wore red mums; and the cheerleaders wore different uniforms each day.

Booster Club also sponsored excursions to Benton Harbor to cheer our football and basketball team on to victory. The Muskie Boosters also contributed to the Ed Wittkopp Fund, the William Stewart Memorial Fund, and the summer camp fund of the varsity cheerleaders. Membership in Booster Club is open to anyone interested in promoting school spirit.

Ginger Elliot, Sue Hall, Ron Muller, and Jackie Gilbert show Booster Club hard at work (?) in promoting school spirit.

Youth For Christ

Here are the officers of Y.F.C. display their sign, which attracts many students to the club's varied and interesting programs held during the lunch hours.

Y.F.C. was organized for three reasons: to develop Christian leadership among young people, to give the Christian students a chance to meet with others of the same beliefs, and to lead others to Christ. Weekly meetings include musicals, skits, and well-known international speakers.

Youth for Christ is open to anyone, no membership being required. The club also sponsors a girls' ensemble, a trio, and an excellent quiz team.

Row 1: Kathy Meyers, Sue West, Carolyn Kieft-Sec., Sandra Hutchinson-Vice Pres., Sharon McKinnon-Pres., Linda Helman, Kay Jensen, Jackie Cramer-Treasurer, and Gay Hilliard.
Row 2: Ann Matthews, Sally Springsdorf, Linda Sikkenga, Beverly McLouth, Nancy Senf, Brenda Johnson, Paulette Portengea, Lynda Simonds, and Gyneth Nevins.

Row 5: Carole Kuiper, Marla Houghteling, Geraldine Pummel, Susan Kirkpatrick, Eilene Wilson, Shawn Berghuis, Pam Foulks, Penny Newman, and Pat Adair.

Future Nurses of America

Any girl interested in a nursing career is a welcome member of Future Nurses Of America. The club's purpose is to stimulate an understanding of nursing and its related fields. One way of carrying out this goal is the "canary" program, the nurses' aid program at Hackley Hospital, of which the girls are included.

Among this year's activities were hospital visits, demonstrations and movies, and the Blood Bank.

Future Nurses sponsored cupcake sales during the year to raise money for the club.

Meetings are held on the 2nd and 4th Tuesdays of each month for anyone who is interested in nursing.

Sharon McKinnon ponders what to do next for the patient, Jackie Cramer. Carolyn Kieft, at the end of the stretcher awaits Sandra Hutchinson, who is vainly trying to revive the patient. What do you expect from **future** nurses?

Row 1: Daryl Ringelberg-Vice Pres., Annette Tool-Pres., Barb Johnson-Sec., Stella Cole-Tres., Nancy Wilkins-Parliamentarian.
Row 2: Virginia Martinez, Carol Shafer, Ruth Borgman, Sheryl Bleier, Diane Marek, Raymajean Holdren.

Row 5: Libbie Duprey, Judy VanWerkom, Judy Maring, Marianne Dykema, Judy Lucas, John Boltz, Diana Nelson.

Future Teachers of America

In order to learn of the opportunities in teaching and to cultivate the qualities essential to a good teacher, the student members of F.T.A. obtain actual experience by observing teachers in action; they begin to develop the ideas of student leadership, for they learn to do by doing. The members of F.T.A. also develop human relations through various service projects, such as Thanksgiving and Christmas baskets.

Fascinated by student teacher, Jim Bowen, are Annette Tool, Libby Fee, Pat Wright, and Stella Cole. Western Michigan University, his Alma Mater, is the topic of conversation.

Row 1: Norma Sustaita, Karen Johnson, Marilyn Stoven, Connie Minehardy, Barb Walker, Pat Morrow, and Joyce Evans.
Row 2: Gloria Martinez, Annette Jackson, Phyllis Jacobson, Karen Holman, Marian Davies, Lois McMillon, and Martha Wiles.
Row 3: Mrs. Collier, Gail Sutton, Karen Simons, Pat Moore, Rosie Parker, Betty Buriss, Marfaye Dodd.
Row 4: Lougene Anthony, Mary Green, Beatrice Martin, Sharon Martin, Eva Ward, Sharleen Hamilton.

Future Homemakers of America

To promote a growing appreciation of the joys and satisfactions of homemaking, to encourage democracy in home and community life, and to promote International Good Will are several of the many purposes of the Future Homemakers of America.

F.H.A. is a service club not only to its own members but also to the school and community. The club sends baskets to the needy, contributes to the children's home and hospital ward, sponsors a scholarship fund, and gives an honor award to a home economics' student.

F.H.A. meets twice a month after school. Any girl or boy who has had a semester of homemaking is eligible to join. The advisor is Mrs. Collier.

Karen Holman, Norma Sustaita, Gail Sutton, and Marilyn Stover, officers of F.H.A., ARE preparing the background display for their style show. The style show, an annual event, was a big success as always.

Kathy Beesing, Cherrie Bricker, and Anne Wibalda show their interest for the states that they represent in Senate, but Virginia Elliot seems distracted by a tassle.

Senate

Senate is a representative assembly much like the upper house of the United States Congress. The club is composed of 50 juniors and seniors, each representing a state in the union.

To promote a better world, Senate participates in many cultural and service activities. This year it adopted an overseas orphan and also attended cultural activities such as local musicals and dramatic plays.

Social activities indulged in by the Senators include the annual Senate-Carmenta Party, a hayride held during Christmas vacation, a "come as you are" induction party, and many, many more.

Row 1: Anne Wibalda-President, Ginger Elliot-Vice President, Kathryn Beesing-Secretary, Elizabeth Peterson-Treasurer, Cherrie Bricker-Historian, Charmaine Drelles-Sergeant-at-Arms, Sue Langeland-Sergeant-at-Arms, Daryl Ringelberg-Reporter, Barbara Jensen-Parliamentarian.

Carmenta

Interest in literature and the arts is the mainstay of Carmenta Literary Society. Junior and Senior girls wishing to cultivate such an interest are candidates for Carmenta. Oral book reports at each meeting help to further the girl's literary knowledge.

Sponsoring the A.F.S.- the American Field Service - Drive is the main project of the club. Each year A.F.S. enables an M.H.S. student to spend a summer abroad. In addition to the A.F.S. drive, Carmenta sponsors the Cotton Ball, an annual fem-invite, a style show, and other special events to provide a healthy atmosphere for the girls at M.H.S.

The advisor for Cermenta is Mrs. Schuller.

The officers of Carmenta Literary Society for the first semester were Sue Meyer, treasurer; Cherrie Rollston, secretary; Janet Silky, vice-pres.; and Janis DeVries, pres. They lead the club in its many activities.

Looking Back . . .

The class of 1962 is on its way with diplomas in hand. Each and every graduate is on the brink of a new future. Some are planning to continue their education in college, some are plunging head first into the business world, some are entering the armed services, and still others are trying their hand at a trade. All of them are striving to achieve the goals they have set.

The graduates of '62 have already obtained one special cherished possession--a high school diploma. This, in itself, was not an easy accomplishment. Three years of surprise tests, book reports, demonstration speeches, and term papers are enough to discourage anyone. But remembering the pep assemblies, the bomb scares, the last hour study halls, the movies in class, and the Friday night dances, we begin to think that it might be well worth it after all.

Thinking back to three short years ago when they were sophomores, the seniors will remember learning the difference between a bolt and a screw. They can also recall the interior of that cute little frog. Of course, they couldn't possibly forget the bullying they received from their upper classmen.

Then, as juniors, they felt only a little less lost. The ones that braved chemistry and survived the exam only want to remember the experiments in the lab. The girls, while learning to boil water, were also busy making plans for the Junior Tea. Others were anticipating the football and basketball excursions. Toward the end of the year many worked diligently on the Junior-Senior Prom.

Finally with their last year underway, the seniors, when they had their heads out of the clouds, realized that they were at last a little bit wiser and a whole lot older. After laughing at lost sophomores and complaining about their schedules, a few of them got down to some serious studying. This was soon interrupted by football season and then basketball season, which made themes and projects come in late. Then came Christmas vacation which was a good excuse for less study and more play. Of course coming back to exams was quite a blow, but again most survived--only to be bogged down with second semester term papers. The events which culminated the big year were Senior Day, the Class Picnic, the Spring Play, the Senior Banquet, the Prom, and finally graduation, with all the activities attached to it.

It was indeed a great three years filled with learning, not only through books, but also through experience. Now, out to gain new knowledge and to have new experiences go the members of the Muskegon Senior High School Class of 1962.

HOPE CAMPAIGN

Students at Muskegon High School proved they were loaded with school spirit when PROJECT HOPE was launched last November.

HOPE (Help Our Player, Ed) was originated by the MHS Student Council and turned over to the students who wished to give financial aid to Mr. and Mrs. Bernard Wittcopp for their son Ed, critically injured in the MHS homecoming game.

Ed Wittcopp, MHS junior, suffered a brain injury in the closing minutes of the Muskegon--Grand Haven football game. He was taken unconscious from the field to Hackley Hospital where he still remains as this book goes to press.

MHS joined with the communities of Muskegon and Muskegon Heights, civic organizations, and other area high schools in an effort to help with hospital bills which had accumulated to the point where insurance no longer covered the expenses.

Student Council members from each homeroom collected money from students while clubs and organizations on campus began money raising projects in order to contribute to the fund. Project HOPE was climaxed with a Christmas dance on December 15.

The campaign, with an original goal of $1,000, lasted three weeks. After the first two weeks, however, this goal was reached and a new one was set at $1,500. In the end this goal was surpassed. A grand total of $2,529.30 was collected!

This project is one you can all be proud of. Hats off to the students for a job well done!

Boys' State

The purpose of Wolverine Boys' State is to make each boy in attendance recognize his responsibilities as a citizen of the United States of America and as a citizen of his respective state.

In building future leaders of our country, Boys' State, sponsored by the American Legion, offered studies in constitutional law, party politics, legislative, executive, and judicial powers. All these were studied through actual experience in running a government and in electing government leaders and representatives.

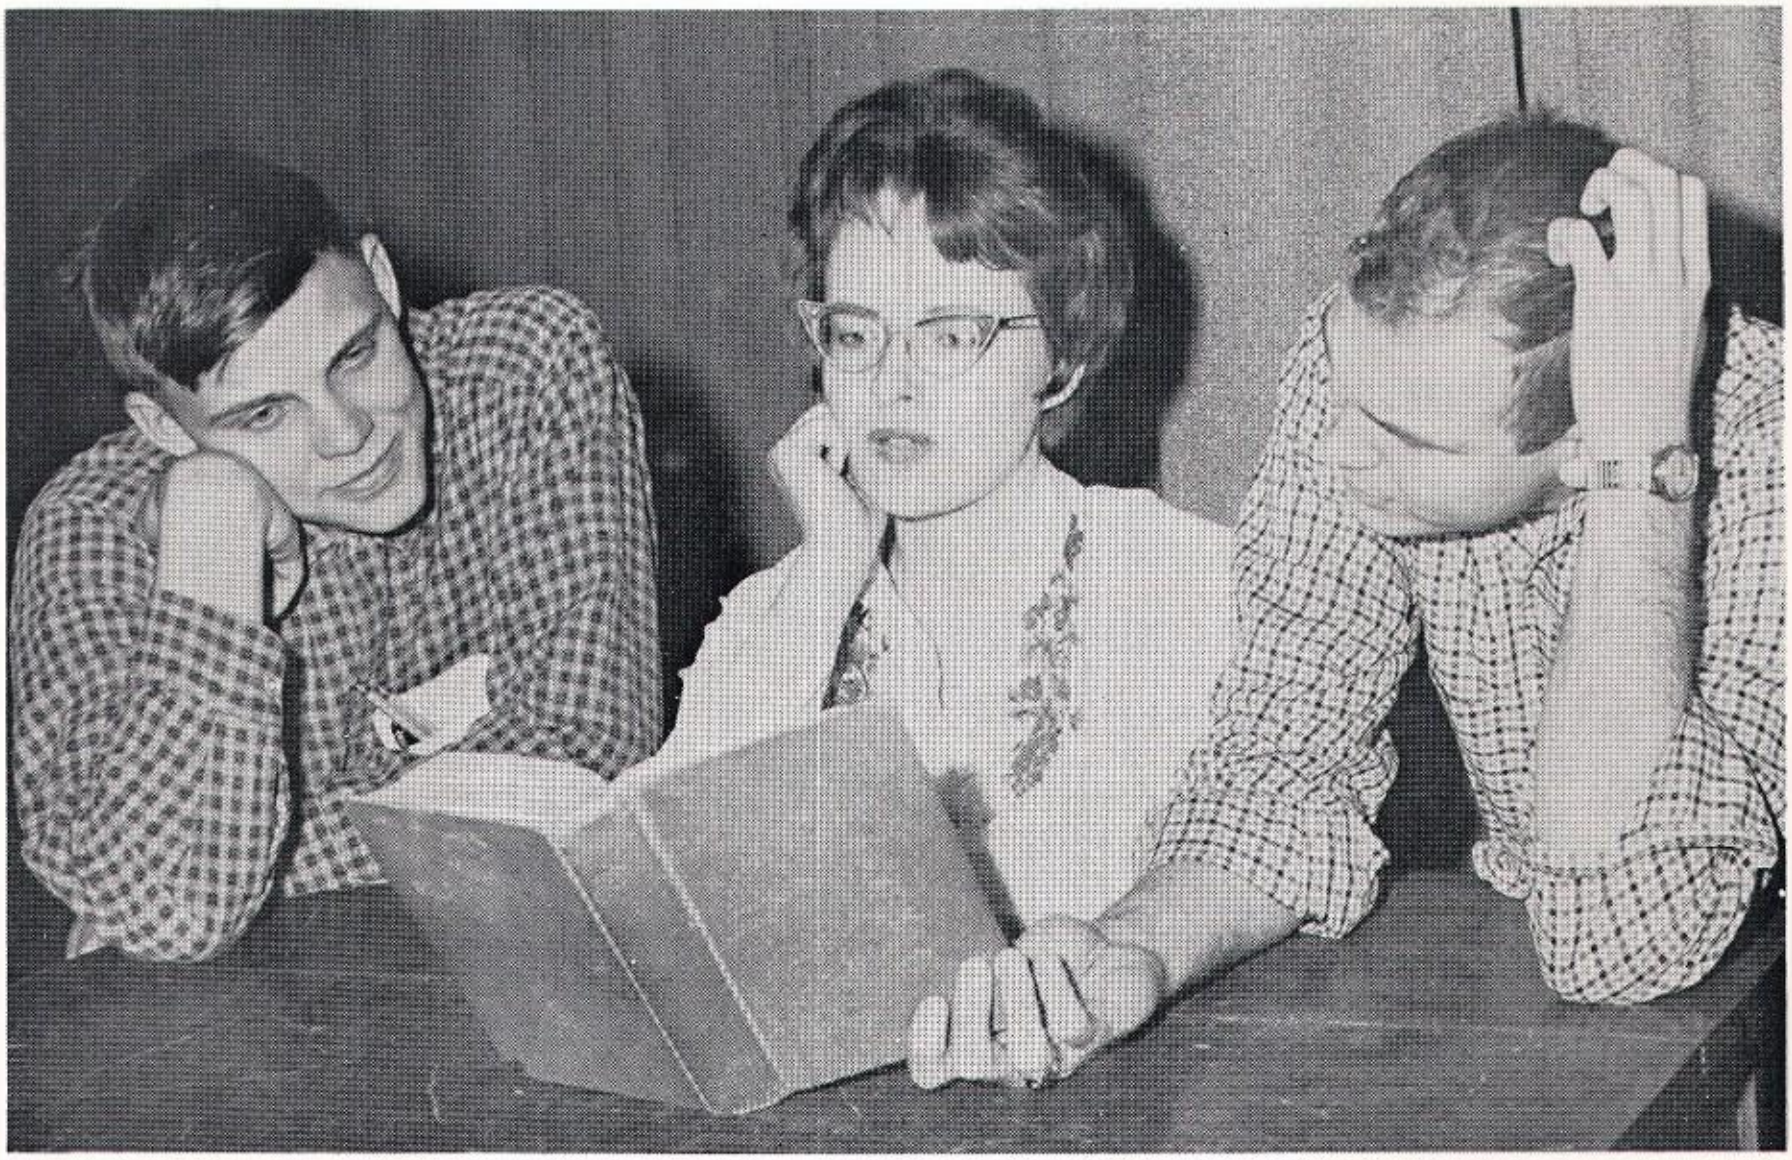
Each boy that attends Boys' State is expected to give a speech at a meeting of his sponsor's organization, telling of the activities he participated in during his stay in Lansing.

Wolverine Boys' State was held on June 15-22 at Michigan State University's Brody Hall. Over one thousand boys attended including thirteen boys from greater Muskegon.

Hospitality Committee

Early this year, Mr. Burdick realized the need for a committee to welcome and guide visitors at M.H.S. From this idea, the Hospitality Committee came into being. About thirty outstanding seniors, led by Barbara Klecka, were chosen for the job.

This year the committee has been active at all times giving industrial leaders, teachers, principals, and other interested people first class tours of Muskegon Senior High School.



Students Excell at M.H.S.

Students at M.H.S. have won national recognition for their scholastic ability. In the top picture, Olaf Virro, Chris Hartman, and Dave Kyvig are picture studying in the library. These three excellent students were in the top half of 1% in the National Merit Scholarship Exam. Eight others at M. H.S. won Letters of Commendation from the national contest.

The trophies at left are the ones to be won by some deserving students. The highlight of the year is the Hon-or's Assembly when these trophies will be handed out to pupils who have been worthy in all the phases of school life: scholastically, socially, and morally.

MUSKEGON HIGH SCHOOL
MARCHING BAND

The Che okettes doing one of their routines that keeps us entertained during halftime.

Majorettes

"Strutting their stuff" . . . are M.H.S.'s well known majorettes, almost an institution in themselves. Certainly no one can dispute the fact that with these girls leading our high-stepping band, pep-assemblies, and halftime programs at football and basketball games, these activities become more colorful and enjoyable.

The 1961-62 football season saw Carole Pickle, Jan Bos, Barb DeBour, Ginger Hartsema, Roz Neinhuis, and Barb O'Neil leading the band with the help of Mike Stewart, M. H.S. senior, who did a terrific job as the marching band drum major.

Most of the majorettes are also Cherokettes, a newly-formed group of twirlers. The group is composed of eight girls who do their twirling routines for pep-assemblies and games.

Kneeling: Ginger Hartsema and Barb DeBour. Standing: Barb O'Neil, Roz Neinhuis, Mike Stewart, Carol Pikle, and Janice Bos.

Invoke Spirit

Formed in November 1961, the girls were trained by Mrs. Alice Walters, hired by the school for the purpose of training the majorettes. Through her, the majorettes formed the second group of twirlers and called themselves the Cherokettes.

As it takes much time to develop routines, arduous practices were held twice a week. Each practice was two hours long. The finished routines were well-known, well-planned and full of pep, demonstrating the Big Reds' spirit.

The costumes for the girls are hand-made by each girl. These show the theme of the Big Red Indian and add much color.

All in all, These hard-working girls do their utmost to portray the wonderful spirit which is characteristic of Muskegon Senior High School.

S-P-I-R-I-T

CHEERLEADERS

The peppy, always smiling girls in red and white, who enthusiastically cheer our Big Red teams on to victories, work hard for the honor of representing M.H.S. as cheerleaders. The squads practice one night a week after school with Mrs. Gillaspy. In addition, many hours are spent preparing special routines for pep assemblies and big games.

The cheerleaders are selected at try-outs with M.H.S. teachers serving as judges. Any girl is eligible providing she maintains at least a "C" average. The varsity squad is chosen in the spring, and the Little Red cheerleaders are picked early in the fall. Varsity cheerleaders this year were Sue Langeland, Virginia Elliot, Virginia Piercey, Jackie Gilbert, and Doris and Dorothy Moffett. The Little Reds were Gail Beaty, Donna Crowley, Sharon LeTart, Thea Miller, and Jane Mixer.

A popular feature of the Big Red cheerleaders this year was the series of pom-pom routines performed at Muskegon home basketball games. The cheerleaders also sponsored a dance after a football game.

Spirit

a word familiar to every MHS student. But what does it really mean? To some students, it refers to any sort of alcoholic beverage. To others, it brings to mind a crowd waving red and white pom-poms and frantically, yet enthusiastically, cheering our Big Reds on to victory. However, these two ideas are only a small and insignificant part of the word "spirit". Spirit at MHS symbolizes much, much more and is an essential quality without which our school could not exist.

School spirit includes not only optimism and enthusiasm for school activities such as basketball and football games, but also pride and respect for the school itself. This is perhaps the most important aspect of the word as it can be expressed in so many ways. For example, throwing trash in the available waste containers, walking on the provided sidewalks instead of the grass, showing respect for school property, and even striving to do one's best scholastically are all vital conceptions of the word "spirit".

Yet, school spirit can not be achieved in a haphazard manner. It must be accomplished by the combined effort of the student body as a whole. Everybody must work to keep our school in tip top condition; everyone must show respect and consideration for school property; and everyone must strive to do his best in whatever field he is working. Then, and only then, will the school spirit at MHS produce an Alma Mater to which we can all look back with pride.

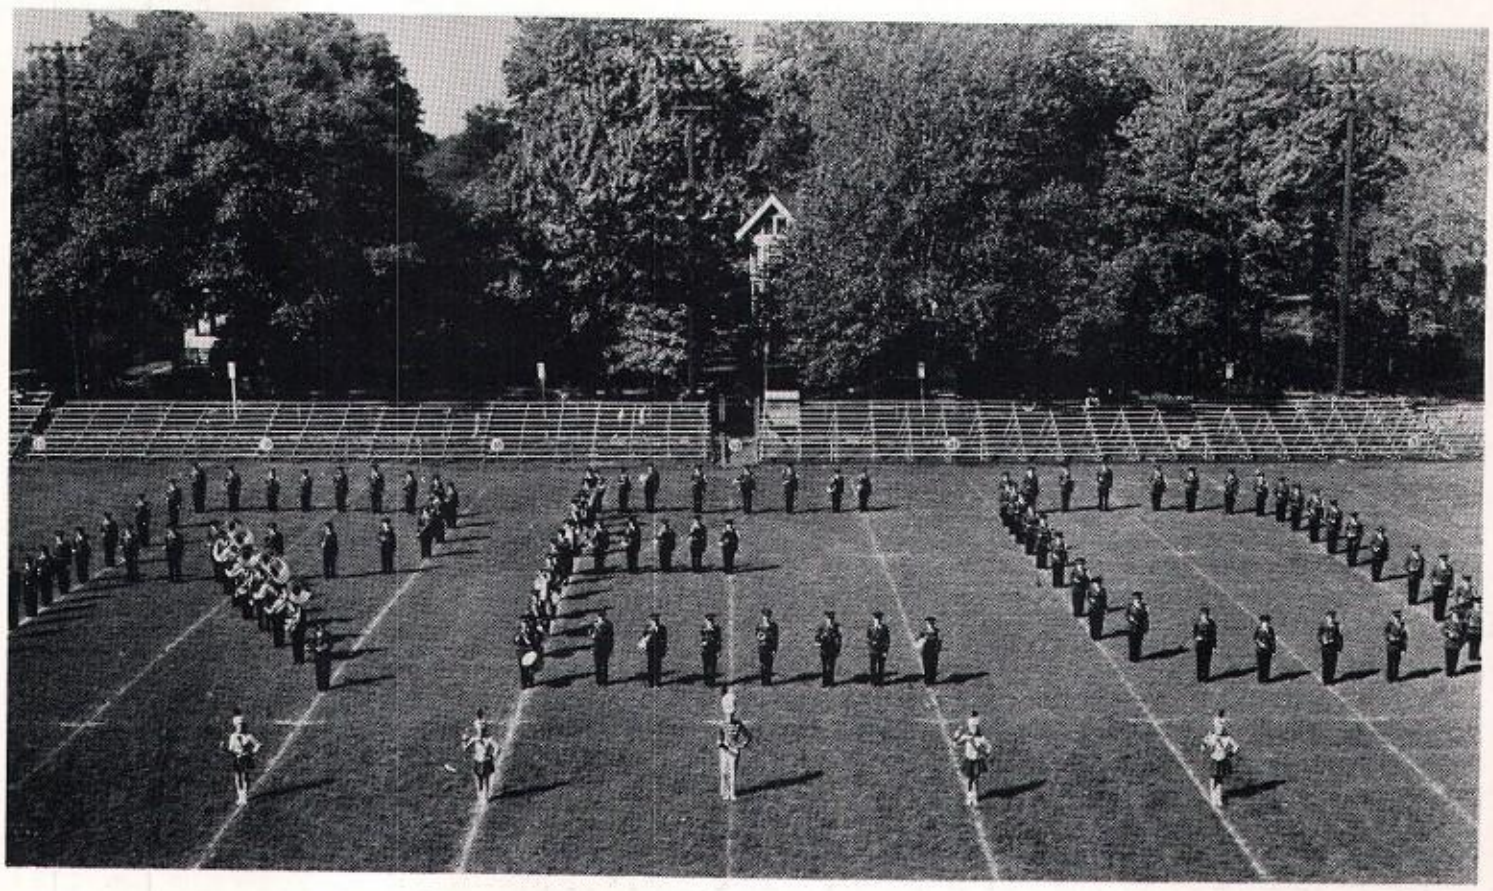
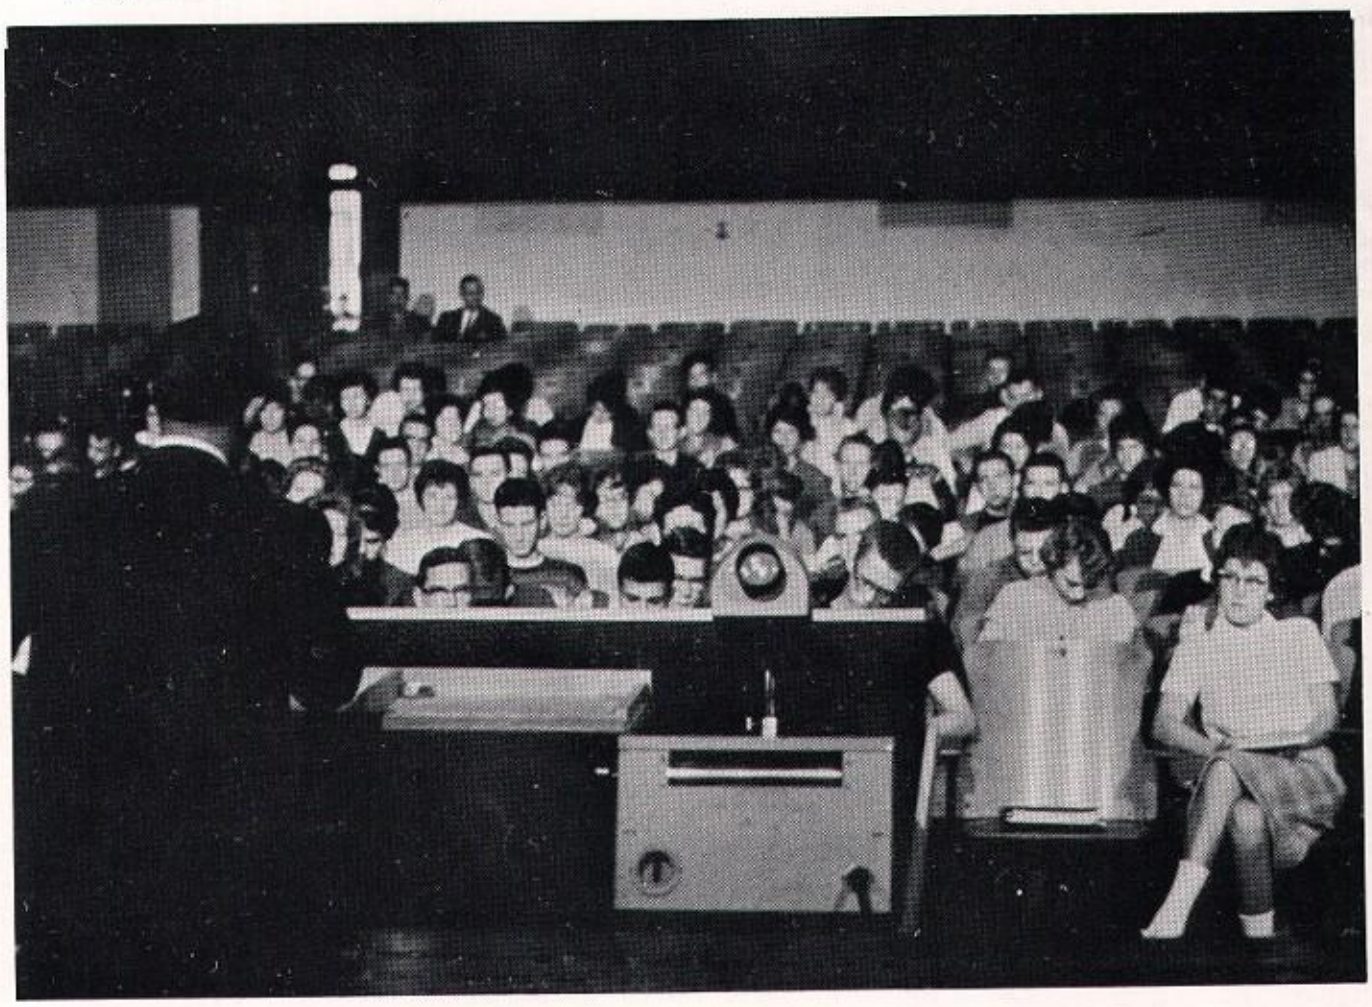
Marching Band Stimulates School Spirit

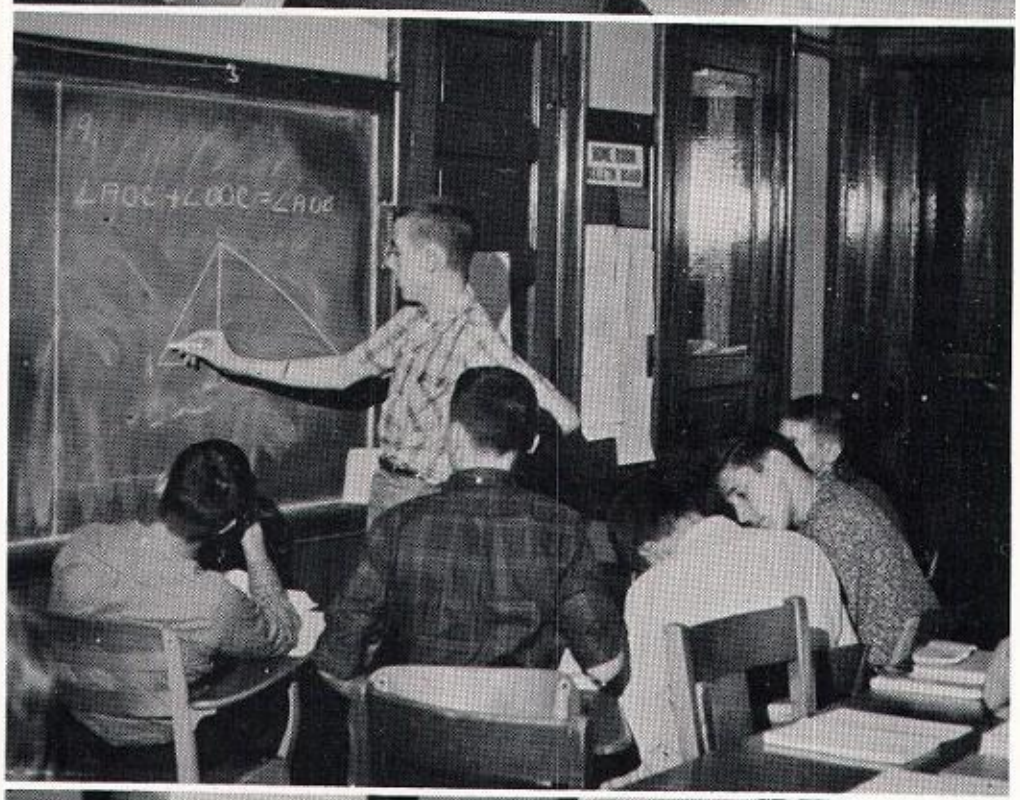


This group of teachers and faculty forms the administrative body of the unique Project X team-teaching program.

Project X

Team-teaching students listen intently to one of the lectures which they attend twice a day.





A revolutionary idea has been introduced to Muskegon this year. It has been called "Project X," "team-teaching," and many other terms. However, the basic ideas are founded on the problems of high school students in the past who have had to adjust radically in college. This program, being tried by over two hundred sophomores, is designed to eliminate this difficulty.

The curriculum is based on the idea of independent study. Assignments are given at the beginning of the week and then are left to the students to complete by the due date. During the week, classes do not meet every day, and more time is devoted to study periods, lectures, seminars, and labs.

New material is introduced during the lecture, it is discussed and evaluated during seminar, and actual class work and homework discussion take place during labs.

This program has also been called "team-teaching," for the teachers work together so that tests, projects, and large assignments can be staggered for convenience and efficiency. The teachers do a remarkable job and consequently are able to bring forth a great amount of new material otherwise impossible in the regular system.

Because of the use of additional information, a staff of student teachers is essential. In both semesters, "team-teaching" has been fortunate in obtaining a fine group of these young teachers from Western Michigan University.

Thus, although too new for evaluation, it is safe to say that "Project X" is an interesting change at M.H.S., and, if successful, a method which shall be seen on a much wider basis in the years to come.

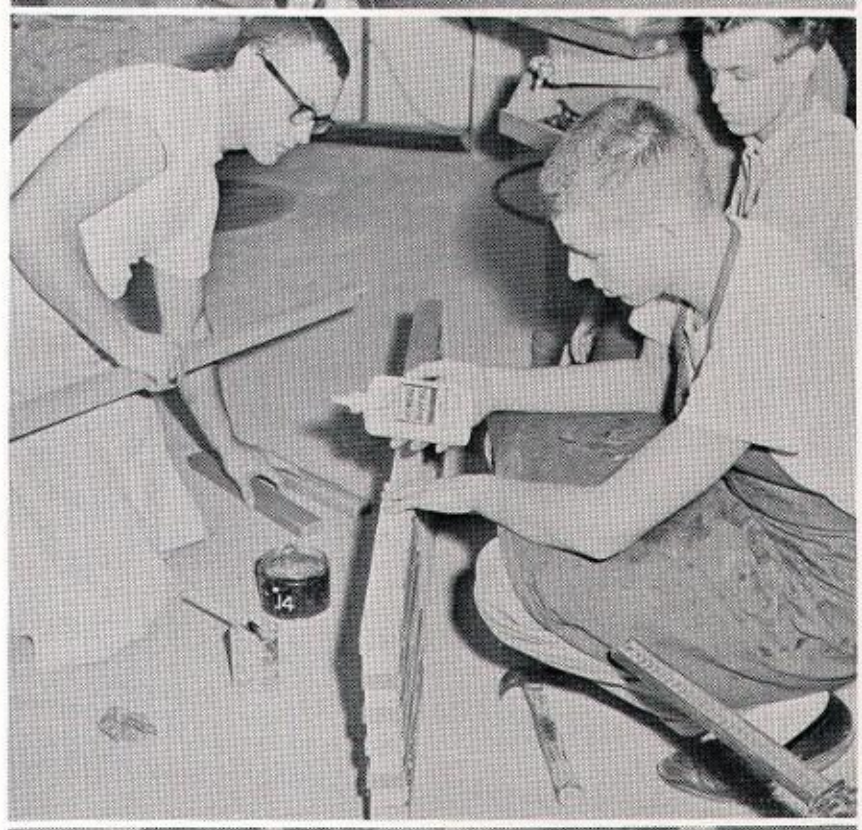
SCIENCE . . . .

brings students to understand the modern atomic world. M.H.S. has an excellent program which includes the standard courses of biology, chemistry, and physics plus the advanced courses of P.S.S.C. Physics and an advanced biology class.

While using the new language laboratory, these "advanced" French students demonstrate new uses for the modern device. At more serious times, the laboratory has proven to be an invaluable aid to French and Spanish students.

Another new addition at MHS this year was the improved Homemaking Department. Here MHS homemaking students demonstrate skills they learn in homemaking classes.



One of the least publicized parts of our school's organization is the manual trade section. This year they have a new building and with their many new materials, they are becoming excellently prepared for their future . . They might even know how to change a tire in the rain!!!

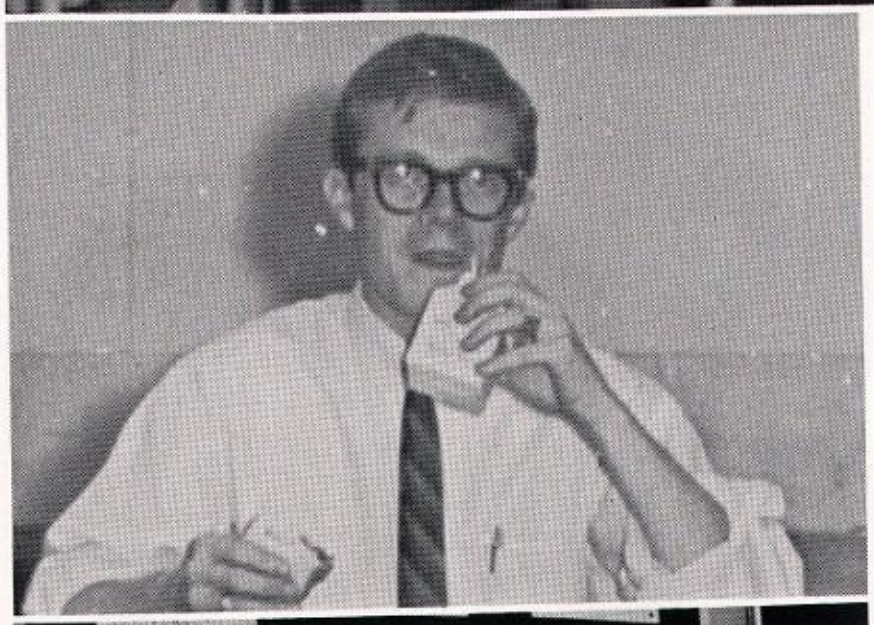
At Muskegon

Here, Mr. Skelley, art instructor for MHS is explaining the basic elements of good art to his interested students.



Student Teacher Work

STUDENT TEACHERS

College seniors who intend to become teachers must do one semester of practice teaching under the supervision of a high school teacher. At the beginning of a semester these teachers-to-be observe the class procedure for several weeks.

One day an all-important occasion happens--for the first time the student teacher takes complete charge of the class.

After making out his Last Will and Testament, this young, brave teacher makes his way to the front of the class, and, with a clear and unfaltering voice, says, "Help!"

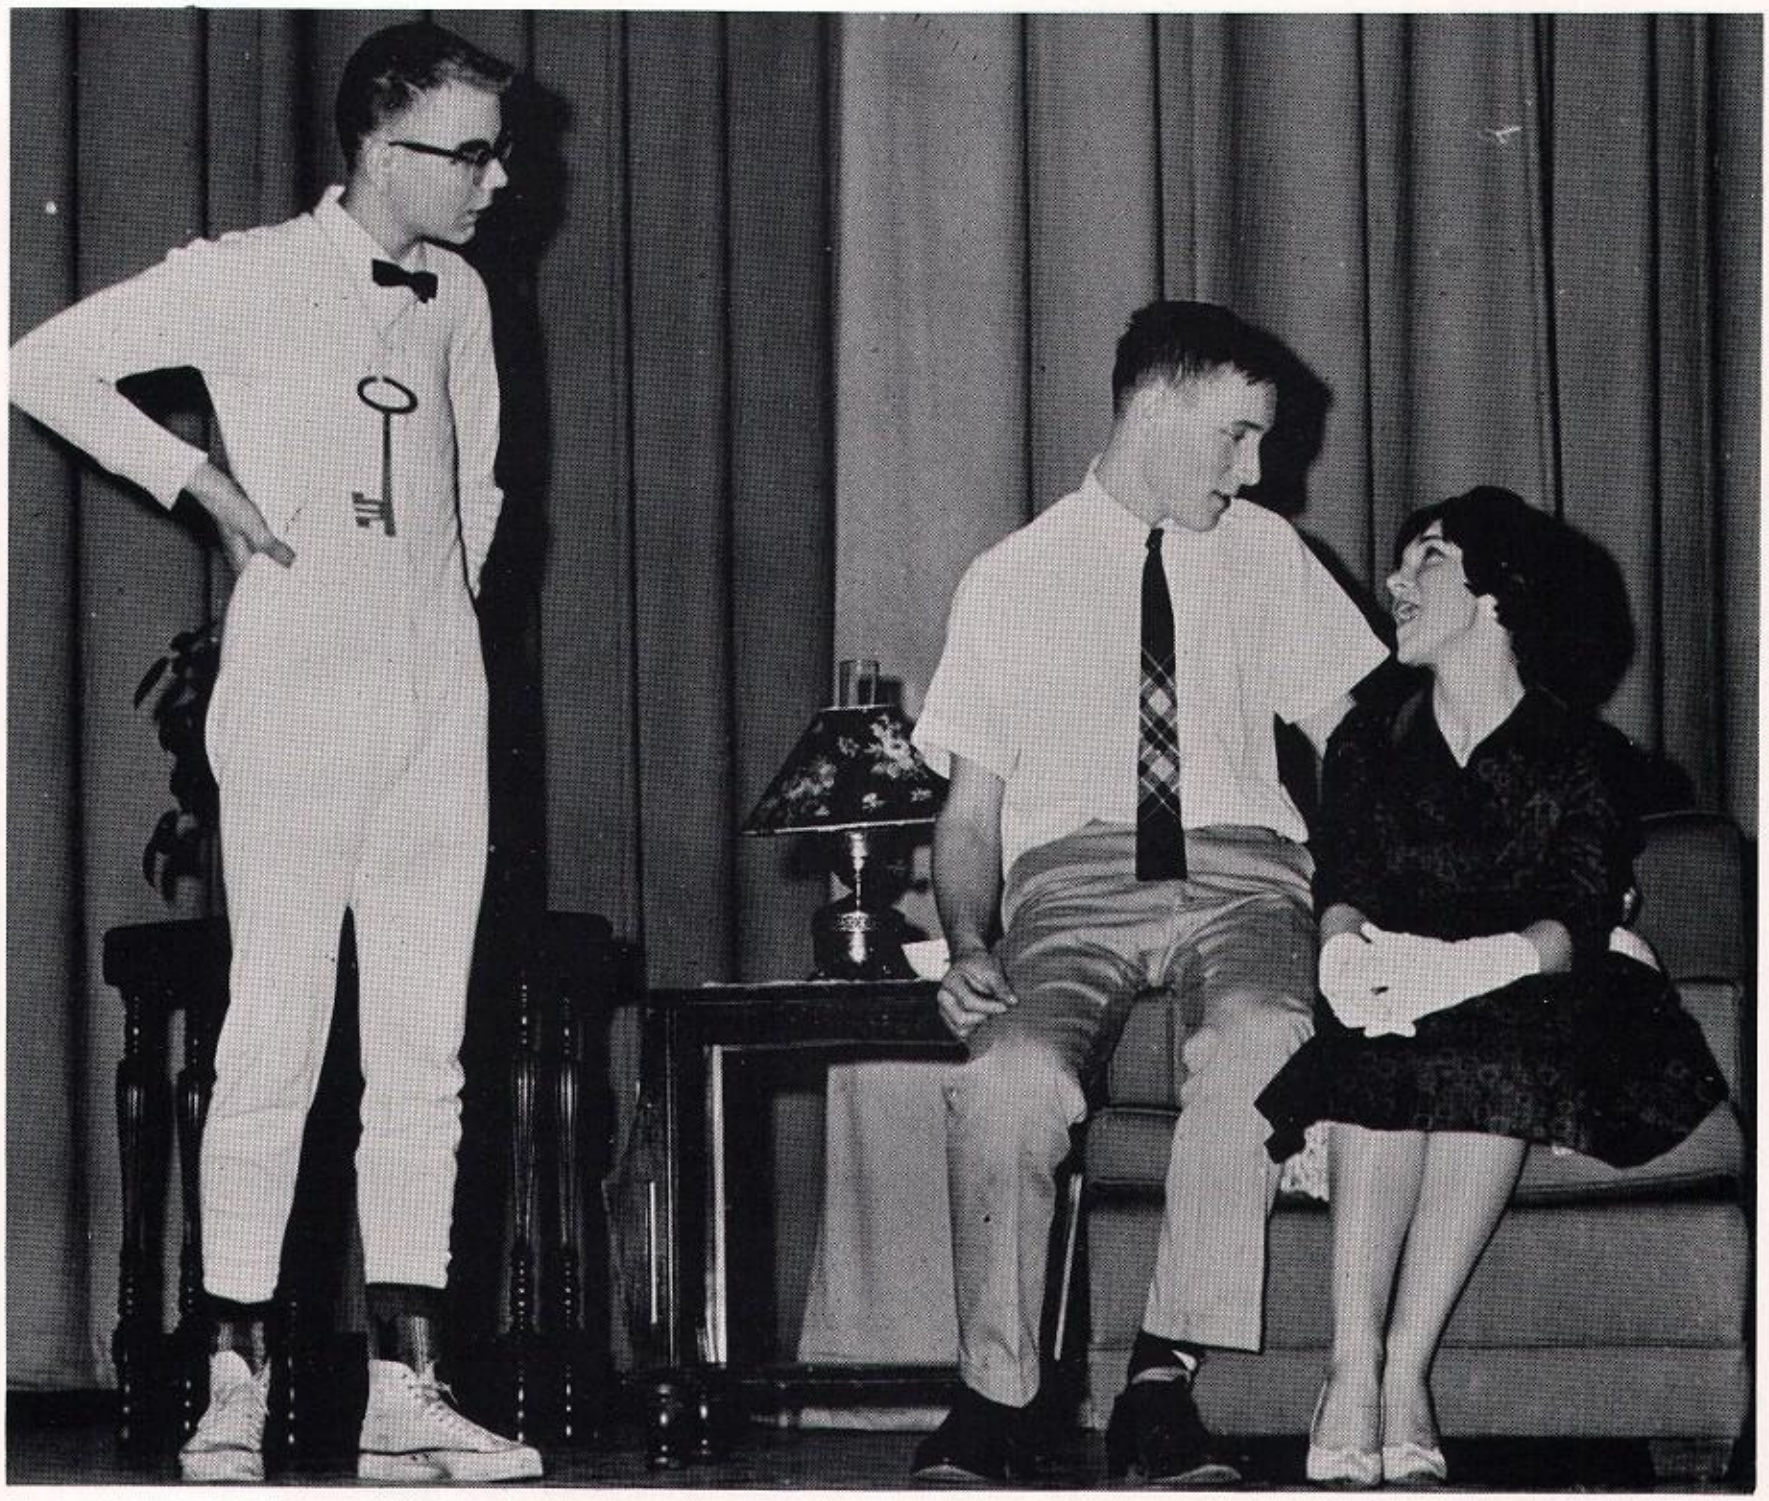
Western Michigan University is the training ground for these novice teachers, and the campus of Muskegon High is the testing ground for many of the more bold and daring.

When graduation time comes, the student teachers are ready to step out on their own. As they face future classes of young people eager to learn, they will recall their days at MHS with--we--hope--pleasure.

James Christophersen, Nancy Christophersen, Chuck Walvoord, and Jon DeHorn are shown practicing for their part in the Talent Show.

Maribeth Rea, in perfect form, is going over her routine for the Talent Show.

One of the big attractions this school year was the Annual Talent Show. From the opening fanfare to the closing finale, it was a huge success. The first number was played by the "Notables" with Avis Teles singing. Following, was a Calypso dance act by Bill Street and Maribeth Rea. A sailor number, "Honey Bun" from SOUTH PACIFIC, done by Alice McKee, Carol Davis, Karen Peterson, and Mary Kuzma was next on the agenda. The audience was then toned down with a piano solo, "Claire de Lune," by James Christophersen. Next the Cherokettes: Barb O'Neil, Barb Houseman, Kay Wallace, Roz Neinhuis, Anita VanderMeulen, Sue Young, Ginger Hartsema, and Cheryl Huttenga did a twirling and Marching drill. After this, the audience was thrilled with a novelty dance act by Sue Langeland, Ginger Elliot, Janet Silky, and Barb Mixer. Following was a record pantomime by Roberta Luyendyk and Marge McKinnon. Maribeth Rea then danced to a piano quartet on two pianos playing "Tea for Two." A novelty skit by Josephine Motto was next, followed by a modern jazz number, "Tuxedo Junction," played by the "Notables". The great show ended with song by Avis Teles accompanied by the band. Much of the success of the show was due to the assistant director, Sue Storms and a good crew working backstage. It is hoped that this fine event will be continued in years to come.



"The Other You"

The National Thespian Society of MHS each year produces a three-act play. This year the dramatic presentation was a comedy entitled "The Other You." This hilarious farce was staged February 8 and 9 in the high school auditorium.

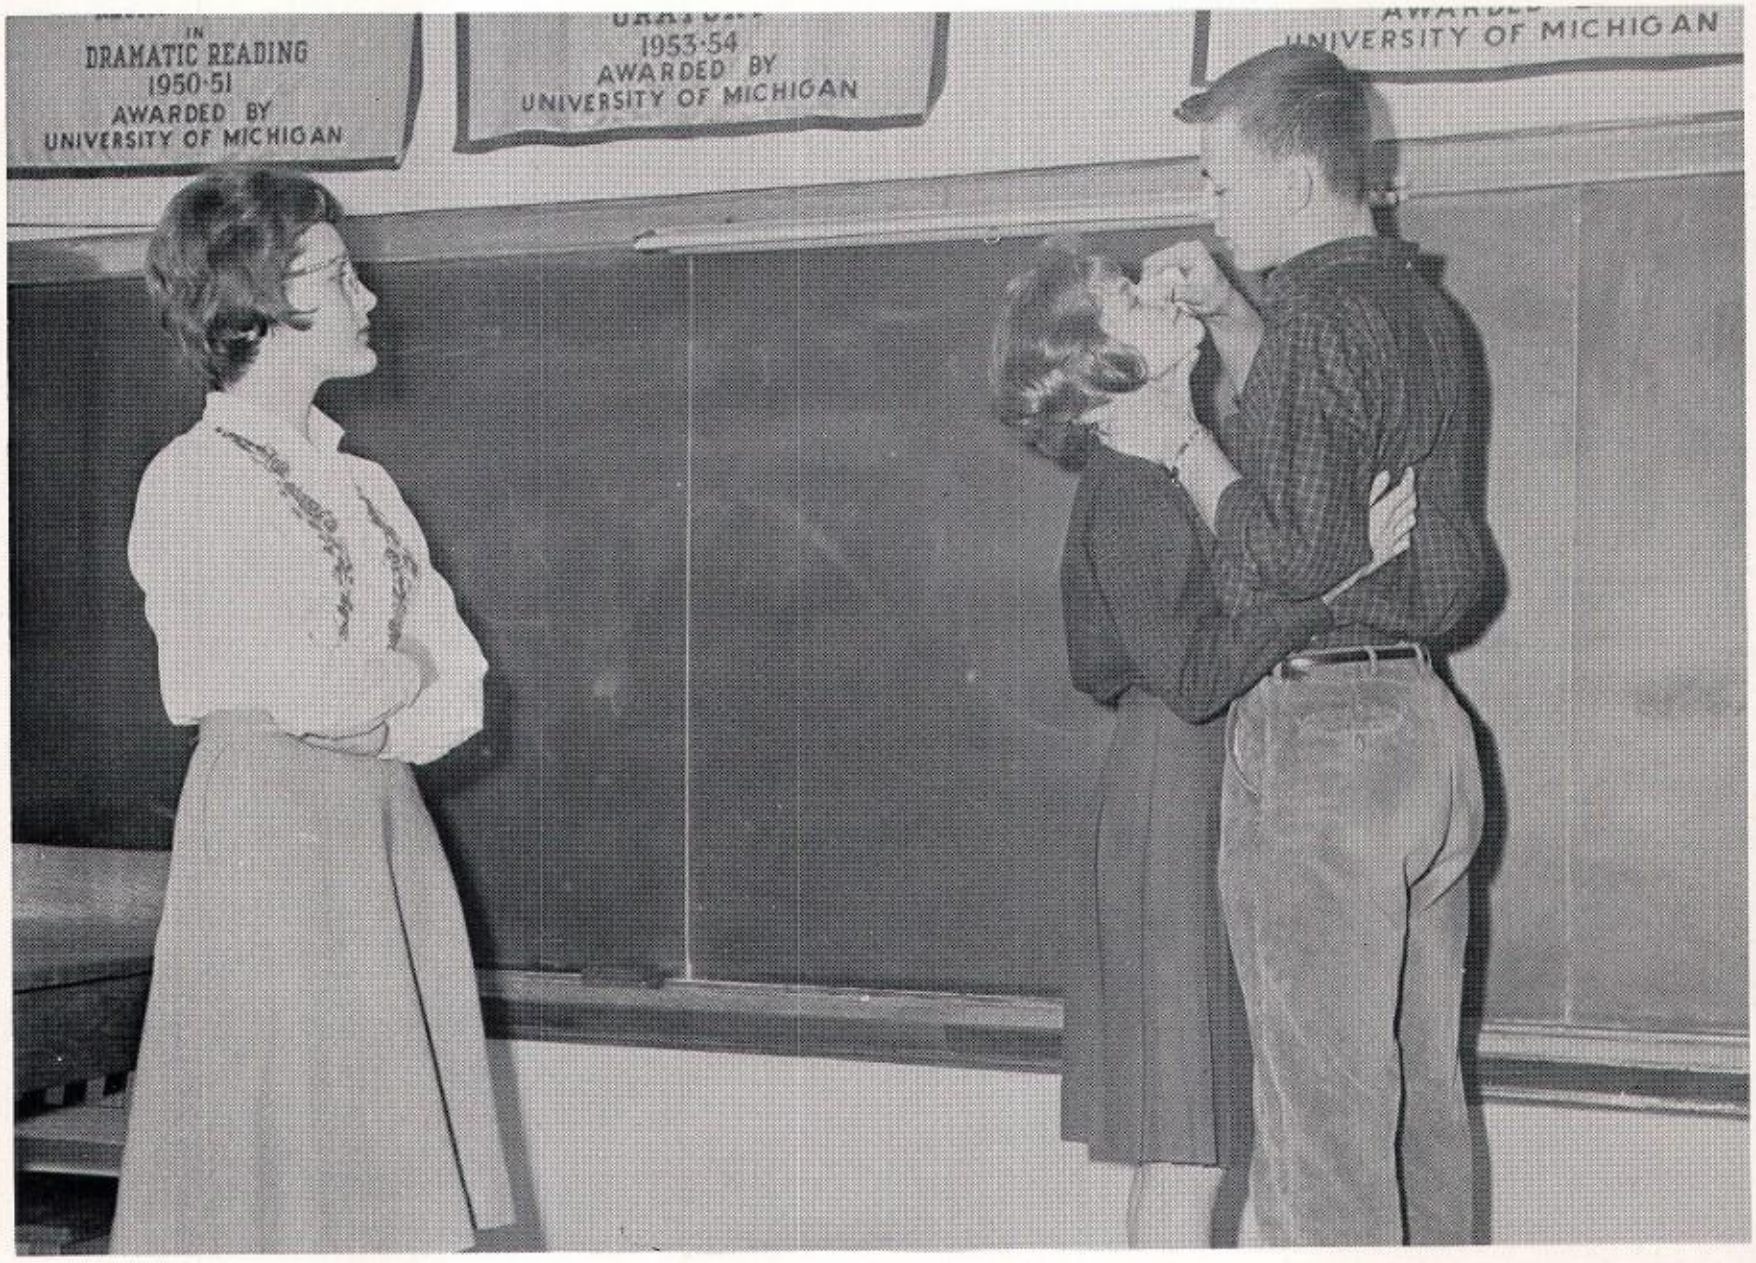
"The Other You" was directed by Mrs. Ruth Terry, the Thespian's advisor.

The play was a humorous comedy which sent the audience into gales of laughter at the antics of the "inner Willy" and "inner Alice", the leading characters' alter egos. The conscious and subconscious minds got a real work-out!

The cast of "The Other You" included Dick Hammond and Pat Reed who portrayed Willoughby Adams and Alice Martin whose "alter egos" led them into troubles. The "inner Willy" was played by Bruce Hilt, and Marcia Berghuis acted the role of the "inner Alice".

Others in the cast were Betty Pearce as Aunt Hester, Diane Sturgeon played Aunt Louise, and Diane Robb portrayed Aunt Olga. Bruce Courim played the part of Sidney Roscoe; Ron Hansen was H. Whitmore Allison, and Cheryl Rollston acted as Joyce Thompson. Rita Clark was portrayed by Cheryl Kienke, and Aunt Phoebe was done by Carol Crac.

In the backstage crews were Bill Waddell, stage, lighting, and sound; Judy Lawson, properties; Karen Shira, prompter. Mary DeYoe was in charge of make-up; Joe Ellis handled the ticket arrangements; Sue Storms was responsible for the ushers, and Barbara Pearson was the publicity chairman.



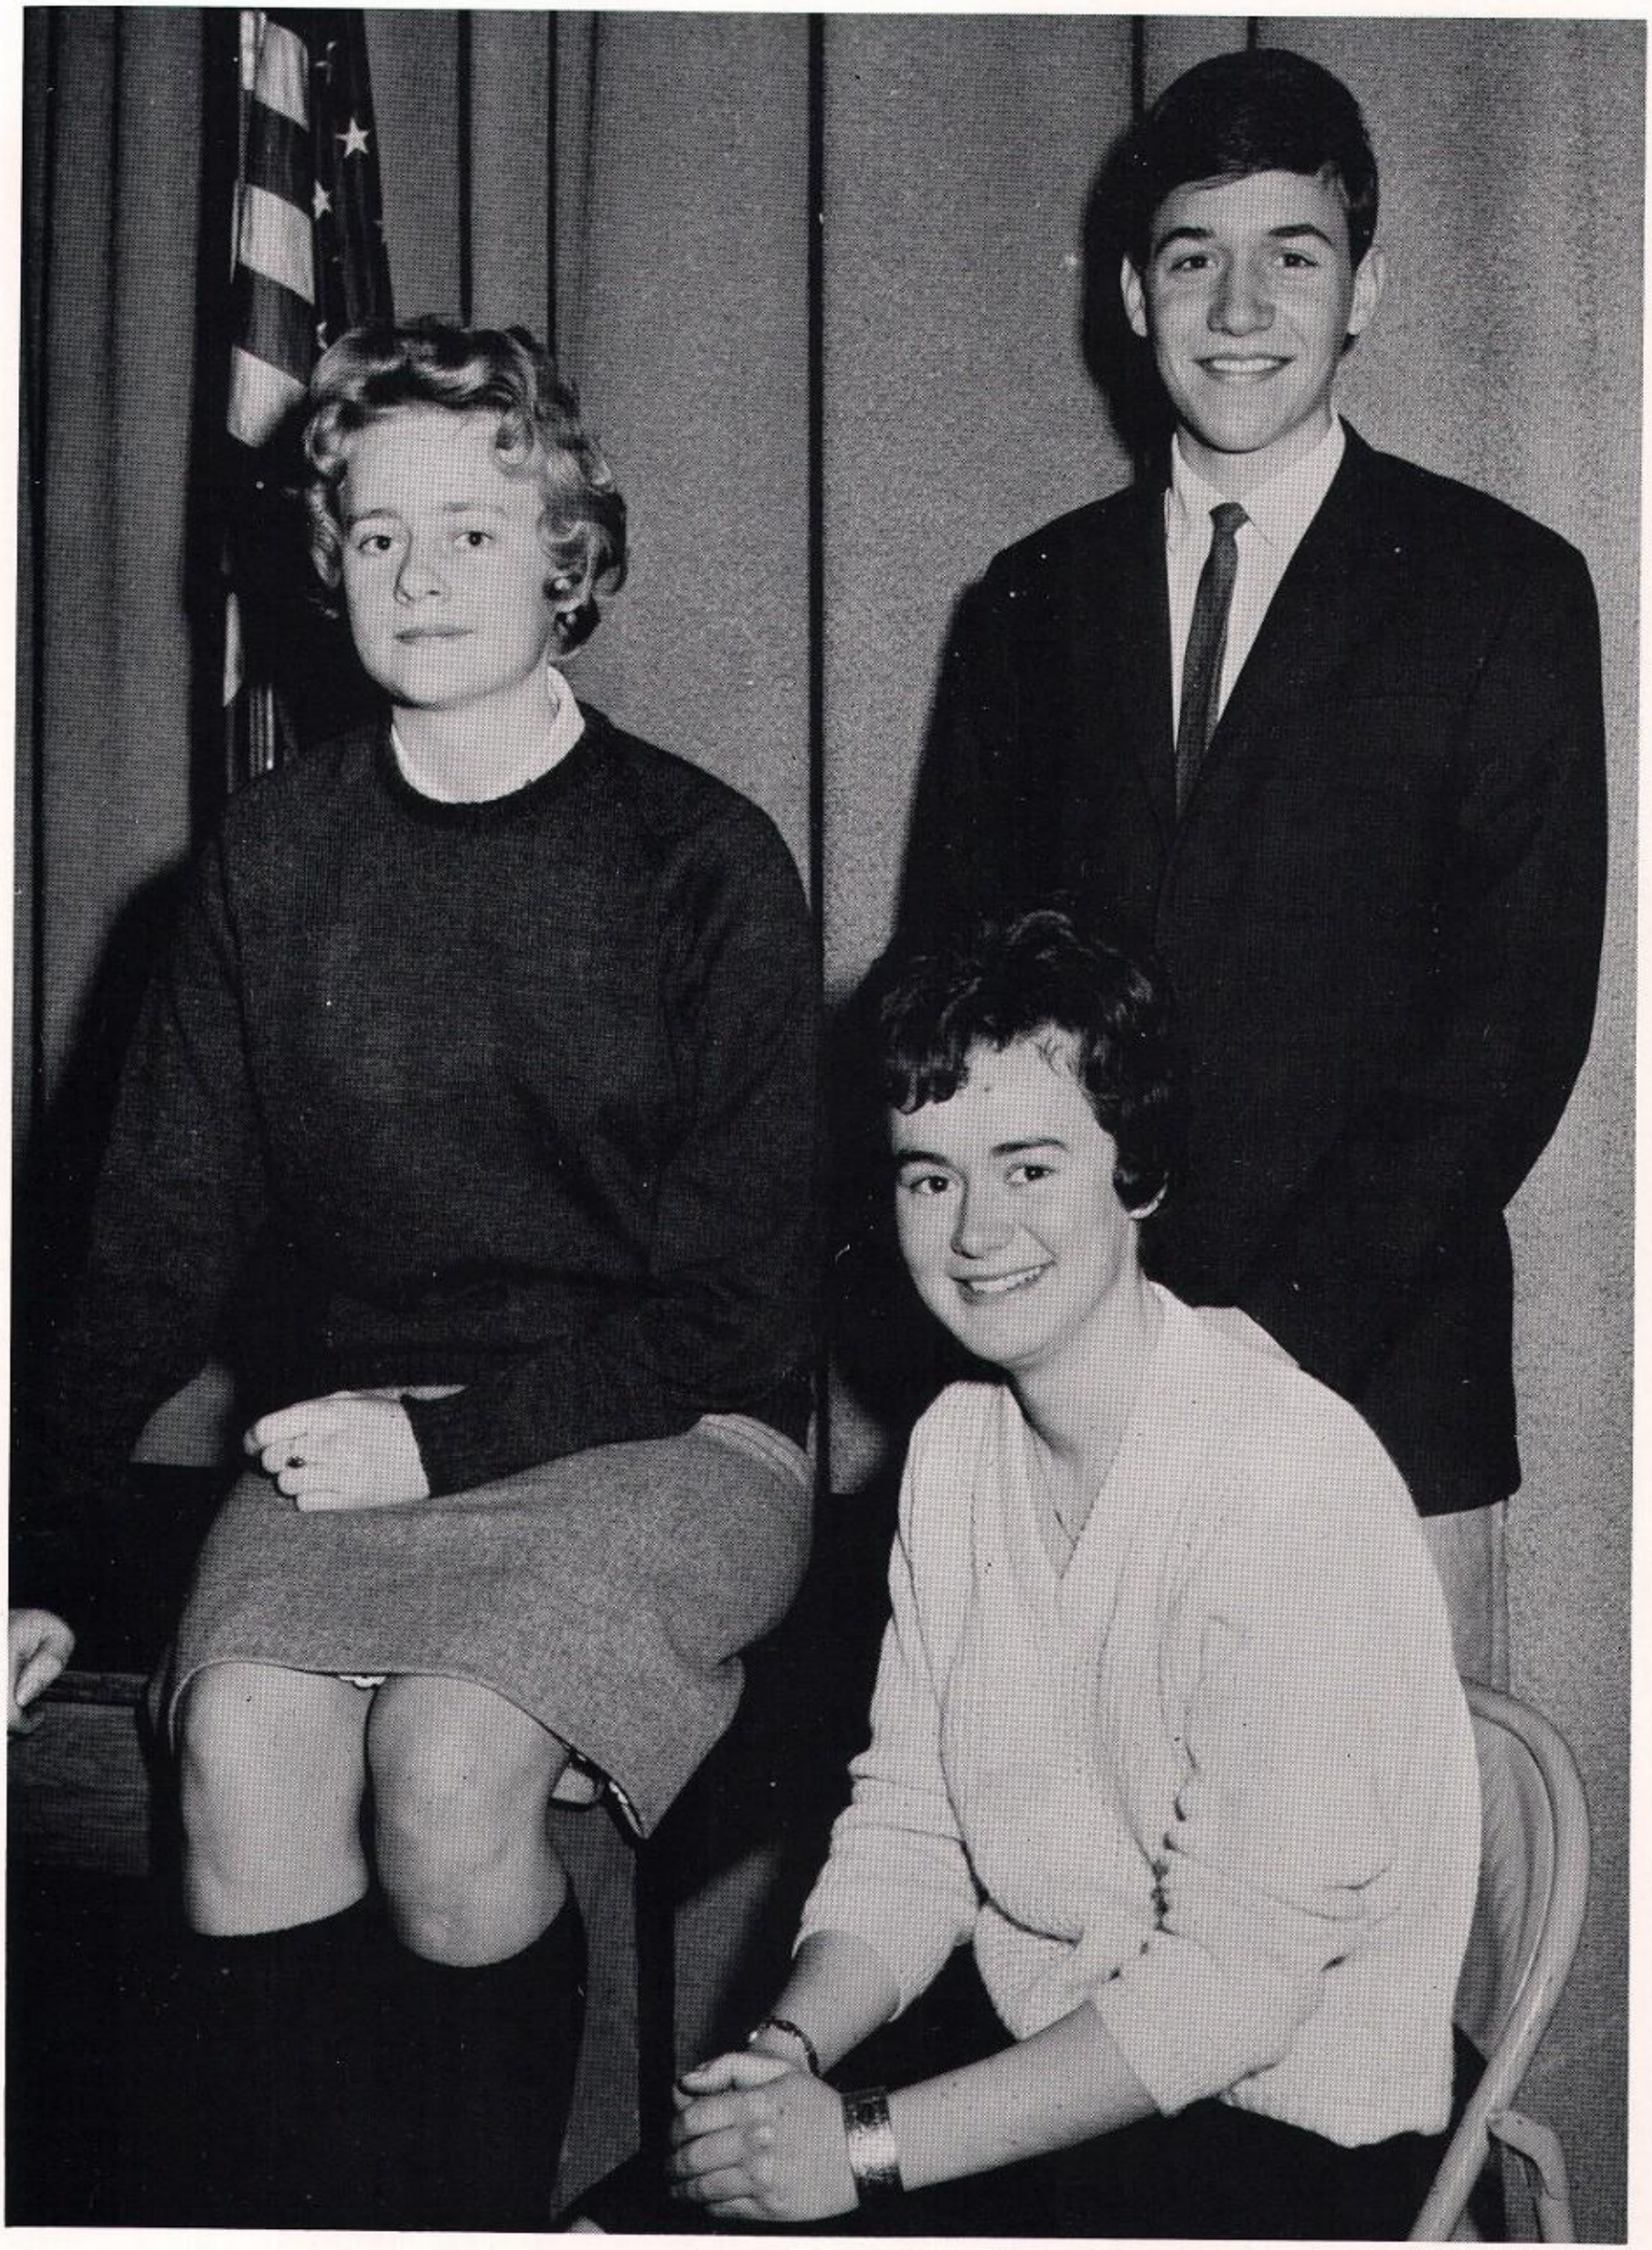
"Chris, don't you think they should stop rehearsing that scene?"

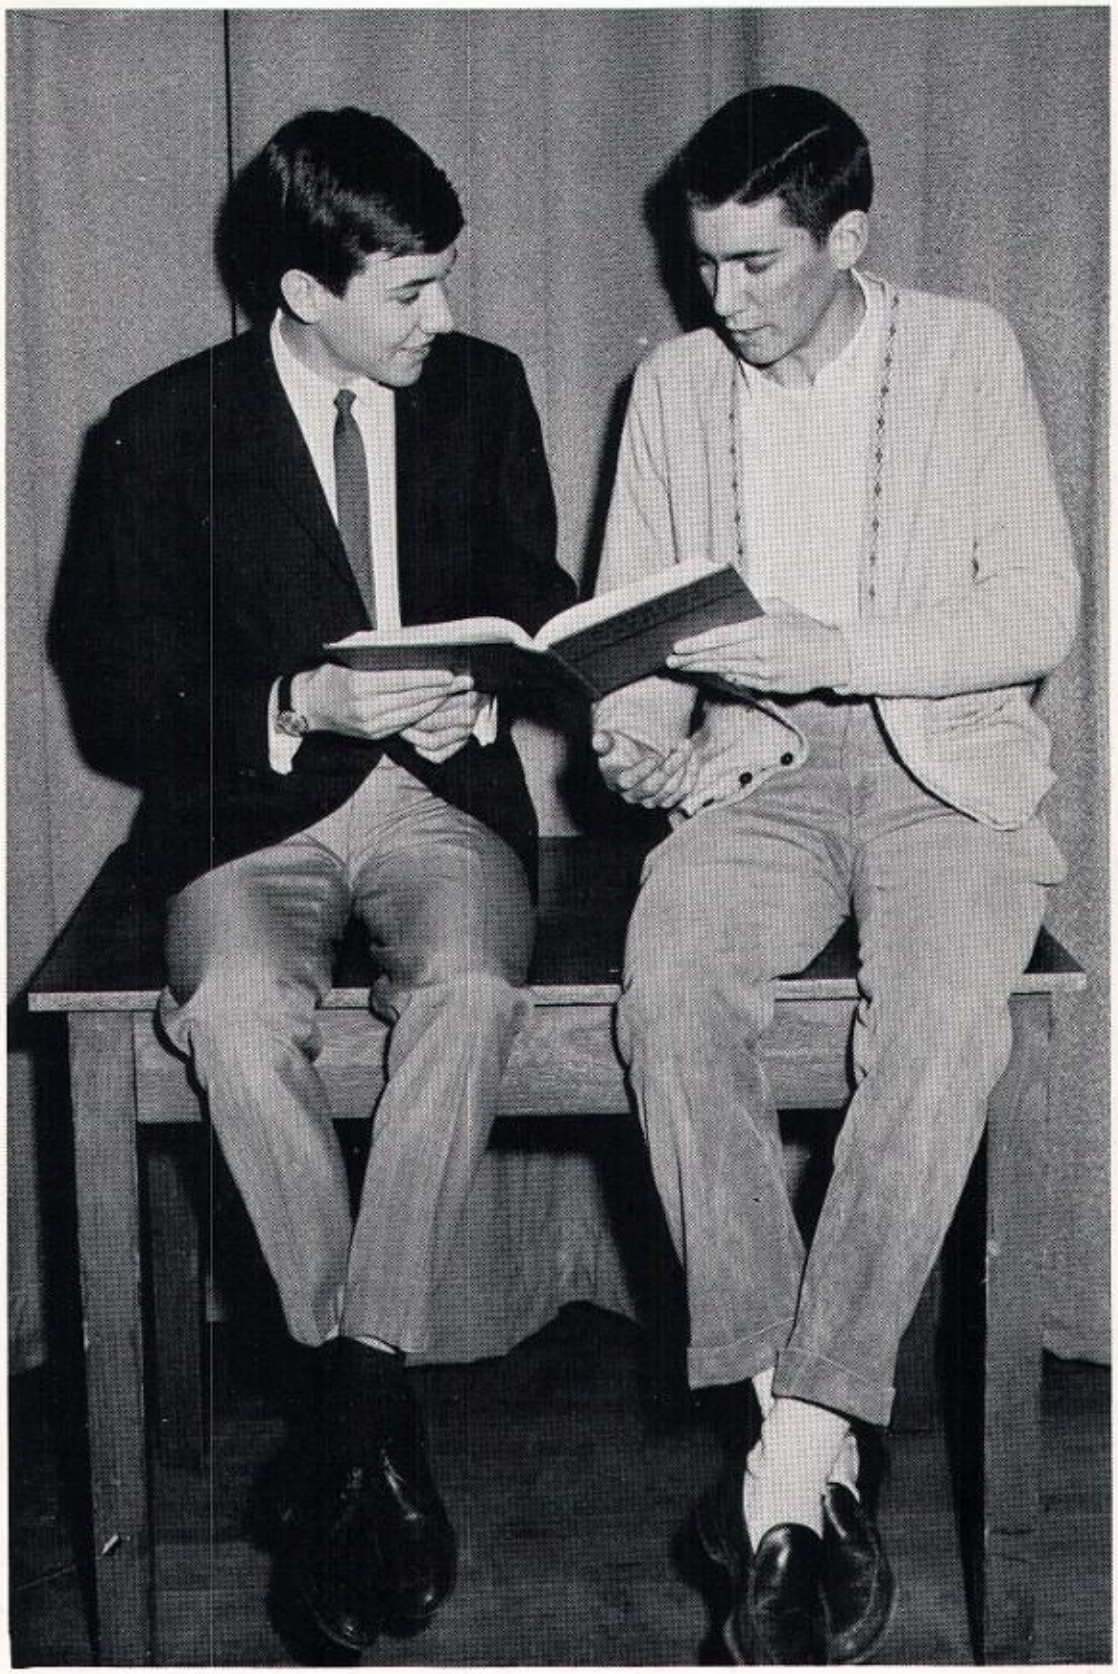
Never Keep Him Waiting

Never Keep Him Waiting was the title of the Spring Play for 1962. It was a three-act comedy under the able direction of Mr. Frank Poling and his assistant Sue Storms. The main characters and cast were as follows:

CHARLES—	Tom Smith	George Fredrickson
LYDIA—	Nancy Newman	Marianne Dykema
APRIL—	Rosemary Murray	Barb Klecka
MAY—	Jera DeLong	Connie Meinhardi
SETH—	Rollie Beebe	Harold Swanson
KATHERINE—	Christine Hartman	Marilyn Hoffman
BYRD—	Michele May	Jan Marek
MORGAN—	Dave Hall	Dave Stapel
ANABELLE—	Sue Meyer	Carol Hislop
JOHN KEATING—	Gerritt Meyers	Gerritt Meyers

The play, written by Patricia Clapp, was a huge success. It ran for two nights before a very responsive audience. Although everyone had to work very hard, they all agreed that it was worth it in the end.





Friends for Life! That statement certainly fits the relationship between Bill Waddell and his exchange student, Wolfram Bexch. Here Bill points out another helpful hint concerning homework. Could it be he's telling him to just skip it???

Hands Across The Sea

Muskegon Senior High School again helped to better world relations through peace and understanding by hosting three exchange students this year. They were Rosaleen Campbell from Northern Ireland, Wolfram Besch from Germany, and Magda Kingma from the Netherlands. These three outstanding students shared their customs and background with MHS students and enabled them to gain a broader knowledge of the world's problems.

Exchange Student:

Rosaleen

Our exchange student from Northern Ireland, Rosaleen Campbell, has found living in the United States a wonderful experience. "You can never really know what a country is like until you actually live there and become a part of it," says Rosaleen.

While attending MHS, Rosaleen resided with the Edward Pearsons and their daughter Barbara, a senior at MHS. Her hometown is Bangor, a seaside resort in Northern Ireland. Besides her parents, Rosaleen has a sister, Christine, who is fourteen years old.

"The biggest difference comes in the school system," stated Rosaleen. "In Ireland we wear uniforms, and we do not have assemblies."

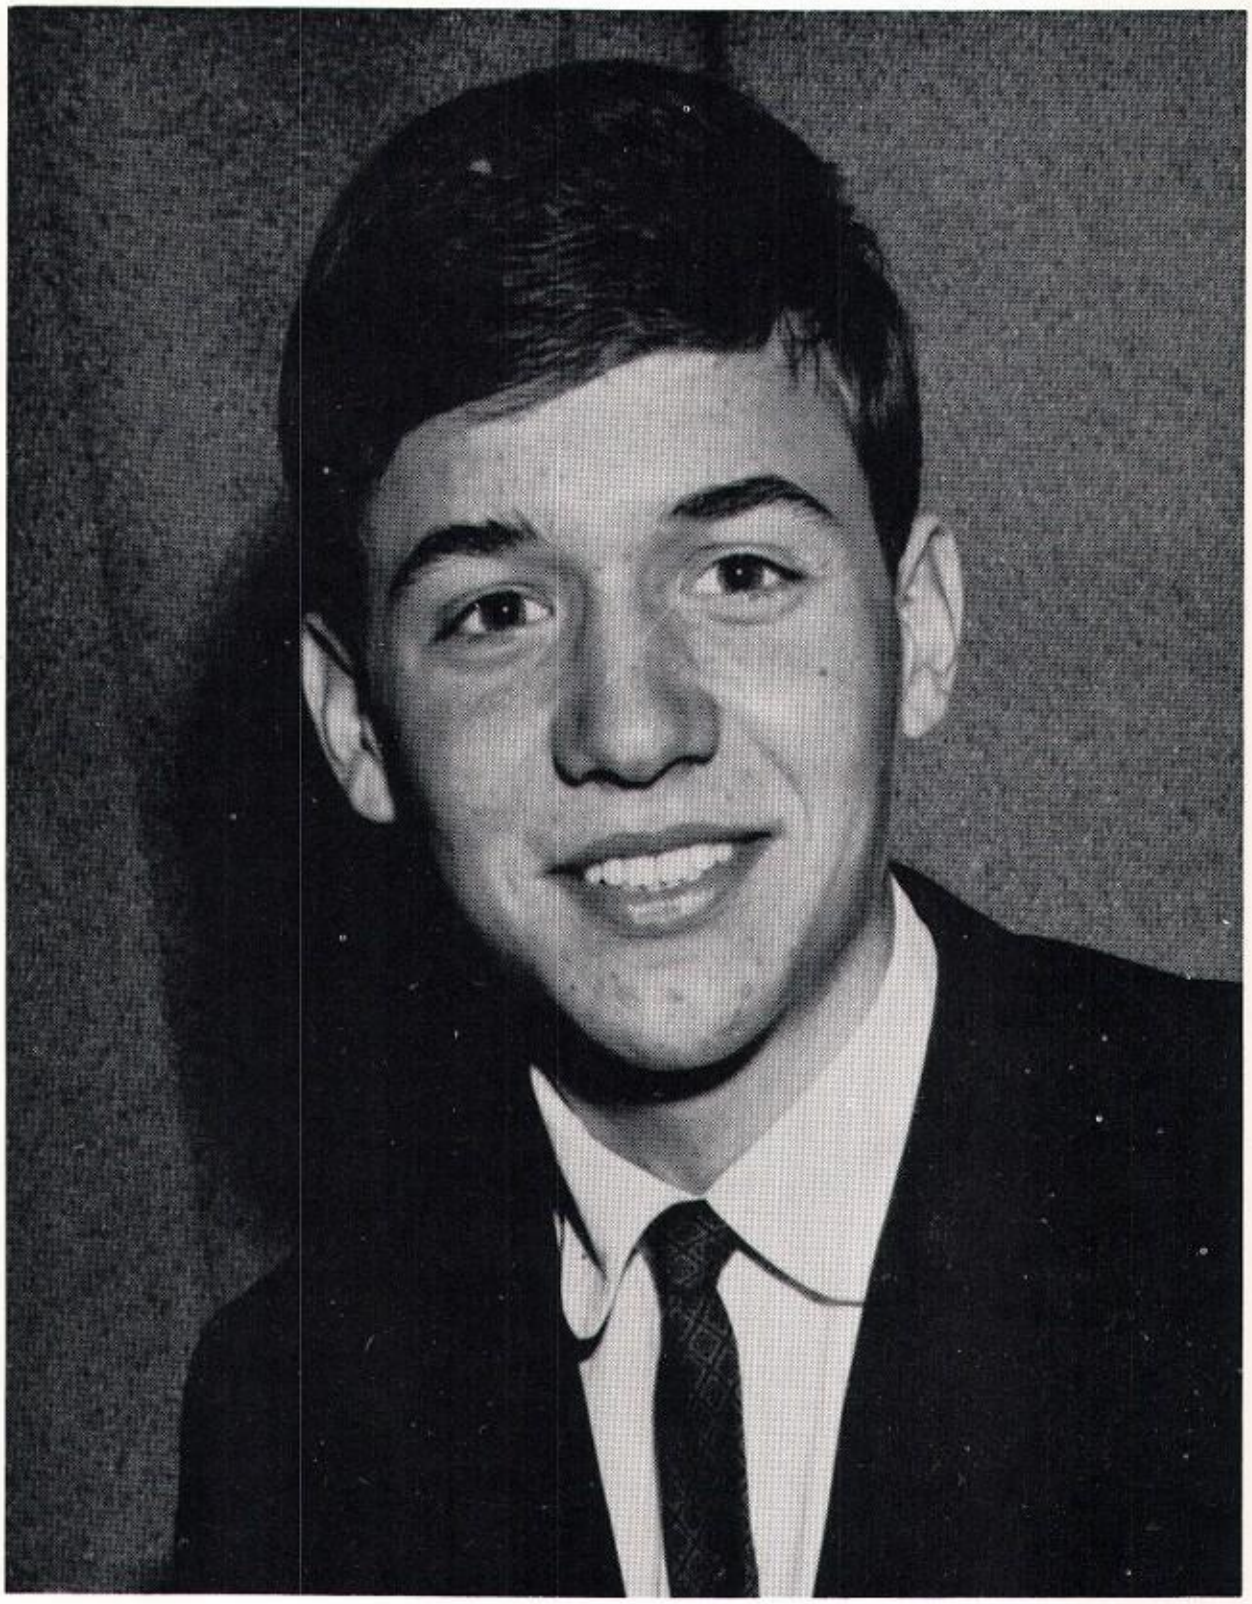
Rosaleen has found differences in the subjects at MHS, too. According to this Irish lass, "American Government is a worthwhile subject. It teaches you to understand your own government, as well as understanding what is happening in the world today."

As far as school spirit goes, Rosaleen says she loves the pep assem-

When asked about teen-age driving in Northern Ireland, Rosaleen said that there was little problem since very few teen-agers have cars. "In Ireland," she said, "most of us have bicycles. On dates we usually walk or take a streetcar."

blies. "There is plenty of school spirit, more than I have ever experienced before because of the many school activities, clubs, etc."

While living in the United States, Rosaleen has acquired new eating habits. Among these are her favorites, corn-on-the-cob, cottage cheese, and jello salad.



Wolfram

According to Wolfram Besch, our exchange student from Germany, the Exchange Student Program "is probably more effective than all military and economical aids. There are sometimes difficulties to be overcome; however, the program is a good experience for all participants."

Wolfram is from Bremen, Germany. He has two sisters, Gisela and Katrin. While living in the United States, Wolfram resided with his American family, the Harold Waddells. Bill, a senior, and Roy, a sophomore, are his American brothers.

When questioned about the differences between German and American schools, Wolfram said, "There are many. A very significant difference is that in Germany we stay in one classroom and have the teachers come to us. This way is more comfortable to the student!!"

In Wolfram's opinion, a more frustrating rather than exciting experience was all the snow we had this past winter. "My attitude towards all kinds of snow has certainly changed after my stay in Michigan!" he says.

"I cannot make comparisons with other schools," said Wolfram when questioned about MHS school spirit. "However, I can hardly believe that there can be better school spirit anywhere in America than that of MHS."

Magda

Our exchange student from the Netherlands, Magda Kingma, considers her stay in the United States the most fascinating experience of her life. Her year in Muskegon has been filled with memories and events that she will never forget. Some of these include Big Red football and basketball games, the MHS cafeteria during lunch hour, and her first plane ride, which carried her to America from her native country.

Magda's hometown is Sneek, Netherlands, where her father owns and operates a hotel. However, her second home is with the Paul Droppers and their daughter Joan, who is a junior at Muskegon this year.

While in the United States, Magda not only gained new experiences, but also acquired many new eating habits. For example, when she first arrived in this country, she was amazed at how few potatoes Americans eat, yet astonished at the endless variety of desserts we serve. Her favorite "new" dish is steak with mushrooms.

Magda strongly supports the student exchange program carried on between America and other European countries. She particularly stresses the importance of the Council of Churches Program, which sponsored her. She believes it is outstanding because it enables teen-agers to better understand people and customs of countries all over the world.

Watching attentively as Chris Hartmen (center seated) displays a souvenir wooden shoe from the Netherlands are (from left to right) Gretchen Heneveld, Roxie Vietenheimer, Barb Pearson, Sur Langeland, and Carole Sandord.

We Traveled, Too

Although not as well known as the American Field Service Program, the Michigan Council of Churches Exchange Program is certainly just as important. It enables American Teen-agers to spend a summer abroad and also brings foreign teen-agers to the United States for a year.

Last summer five MHS seniors traveled through Europe on this program. They were Gretchen Heneveld, Chris Hartman, Sue Langeland, Barb Pearson, and Roxie Vietenheimer. They returned to America shortly before the school year began filled with new experiences -- some funny and some sad -- to share with not only their close friends, but the whole community.

Four members of the Ski Club, Dave Jorgenson, Jim Beck, George Fredrickson, and Jim Jorgenson, clown for the camera while on a ski weekend at Manistee.

Ski Club . . . "To The Snow"

One of the two new clubs this year, Ski Club has been extremely active. With Mr. Galland, the advisor, and Mr. Putnam, the club has gone on various trips to Cabrefae including two overnight ones. The purpose of the club is to promote skiing as a sport in M. H.S. and to enable students to reach the ski runs. By taking twenty students on a trip, many have the chance to ski that they never had before.

The highlight of the year was the two day trip to Cabrefae on Feb. 17-18. After skiing all day, the group went into Cadillac for a dance. Arriving back late that night, they went to cabins near Cabrefae. The next morning, after a wonderful night's sleep, it was back to skiing!

The group has earned money by sponsoring a dance. It plans to have other money-making activities beginning early next fall.

Hockey Is The . . . Rage

History was made in Muskegon this year when the hockey team of Catholic Central clashed with the hockey team of Muskegon Senior High School on February 28th. Although not sanctioned by school authorities, the two teams played hard for their respective schools; and, as usual, Muskegon emerged triumphant by a score of five to three.

Hockey, an extremely popular sport in the greater Muskegon area, was introduced by the local Zephyrs. Its fast action, thrills, and skillful team work caught on so quickly that before long amateur hockey teams appeared everywhere Muskegon's team, one of the best of these amateur groups, has spent many long hours every Monday night at the Walker Sports Arena practicing the art of getting the puck in the net and keeping it there.

The team, wearing Falcon uniforms, is a colorful attraction at M.H.S., and it is sincerely hoped that hockey will become a school sponsored activity in the near future.

Key Club

Key Club

Forty-seven M.H.S. boys are charter members of Key Club, a new service organization for boys sponsored by the local Kiwanis Club.

The aim of Key Club is to further and encourage development of responsible citizens. Since service projects are an important part of Key Club, the members have assisted in various programs including the March of Dimes.

The charter banquet for Key Club was held last December 29 to present the club's charter to the organization's officers. The officers of the club are Bill Newman, president, Bill Holmberg, secretary, and Dave Workman, vice - president.

The fadulty advisor of Key Club is Mr. Proctor W. Maynard, social studies coordinator.

Posing in all their glory from left to right are Carloly Dykema, Nancy Newman, Jan Hoffman, Darlene Witt, and Janis DeVries.

Glamour Reigns Supreme . . . . . !

This group of sleepy-eyed beauties present the inside story of the conditions at various early morning gatherings held by MHS clubs and students. The girls in the above revealing picture are a few of those who attended Carmenta Literary Society's "come as you are" party.

The real fun of such a party is for the girls who scheme and plan how to rob their friends of precious sleep at an unearthly hour. Usually some time between 6 am and 8 am a gleeful group of girls go to their friends' (victims') doors, ring the bells, enter the rooms, and pounce--- Needless to say, the girls are thoroughly awake in no time.

Two special "come as you are" parties held this year were those of Senate Fine Arts Society and Carmenta Literary Society. These early gatherings had special significance as this is how the new members were notified of their acceptance into the clubs.

Homecoming Brings Color To M.H.S.

Color day, when as many students as possible wear red and white, and bright red and white carnations herralded in 1961 Homecoming week-end, which is traditionally the "biggest" event of the football season. This year's Homecoming was no exception!

About a week before the Homecoming, which was planned for October 13, the senior class voted on candidates for the Homecoming King and Queen. Six candidates were chosen; they were, for Queen, Susan Buss, Barbara Klecka, and Kathy Beesing; for King, Joe Ellis, Jim Lingren, and Bill Keur.

The entire student body voted among these candidates to pick the royal couple to reign over the Homecoming Dance. During the half-time coronation ceremonies of the Homecoming football game, there was tense excitement in the air as the 1961-62 Homecoming King and Queen, Bill Keur and Kathy Beesing, were crowned by last year's reigning couple.

To complete the Homecoming Court, the junior and sophomore classes selected attendants. From the junior class they were Jackie Gilbert and Ed Wittkopp; for the sophomores, Ginger Hartsema and Dan Tromp.

Adding a finishing touch to Homecoming was the Big Red gridders decisive victory over Grand Haven.

Events To Be

Two of the main events of the year are the Junior Tea and the Senior Girls' Dance. The Junior Tea is sponsored by several junior girls during the Christmas Holidays. Although every junior girl received an invitation, only a few sophomores and seniors received one.

Twenty-eight senior girls got together this year to give the Senior Girls' Dance called Stairway to the Stars. As the dance was given in the Occidental Hotel Ballroom, there was plenty of room for 650 guests. With the delightful color scheme of pink and silver. The colorful gowns of the girls, and the excellent music of Tony Horvath's Orchestra, the evening was an exquisite success!

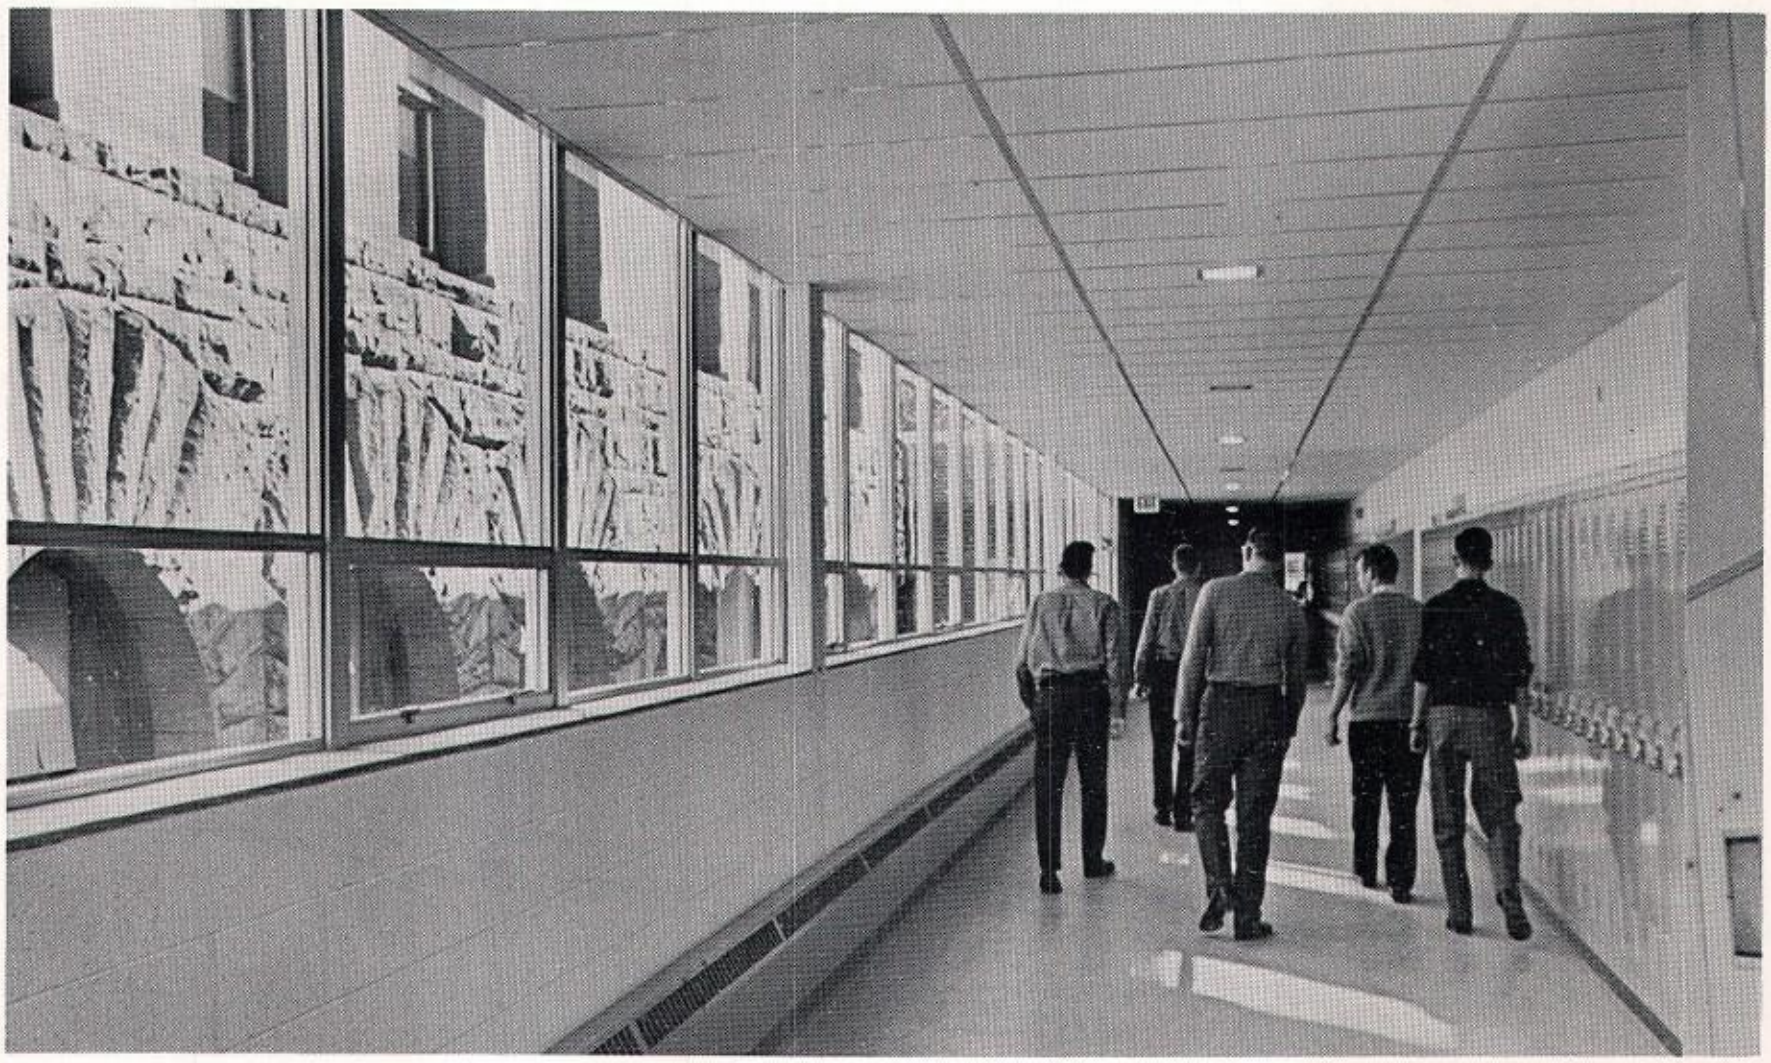
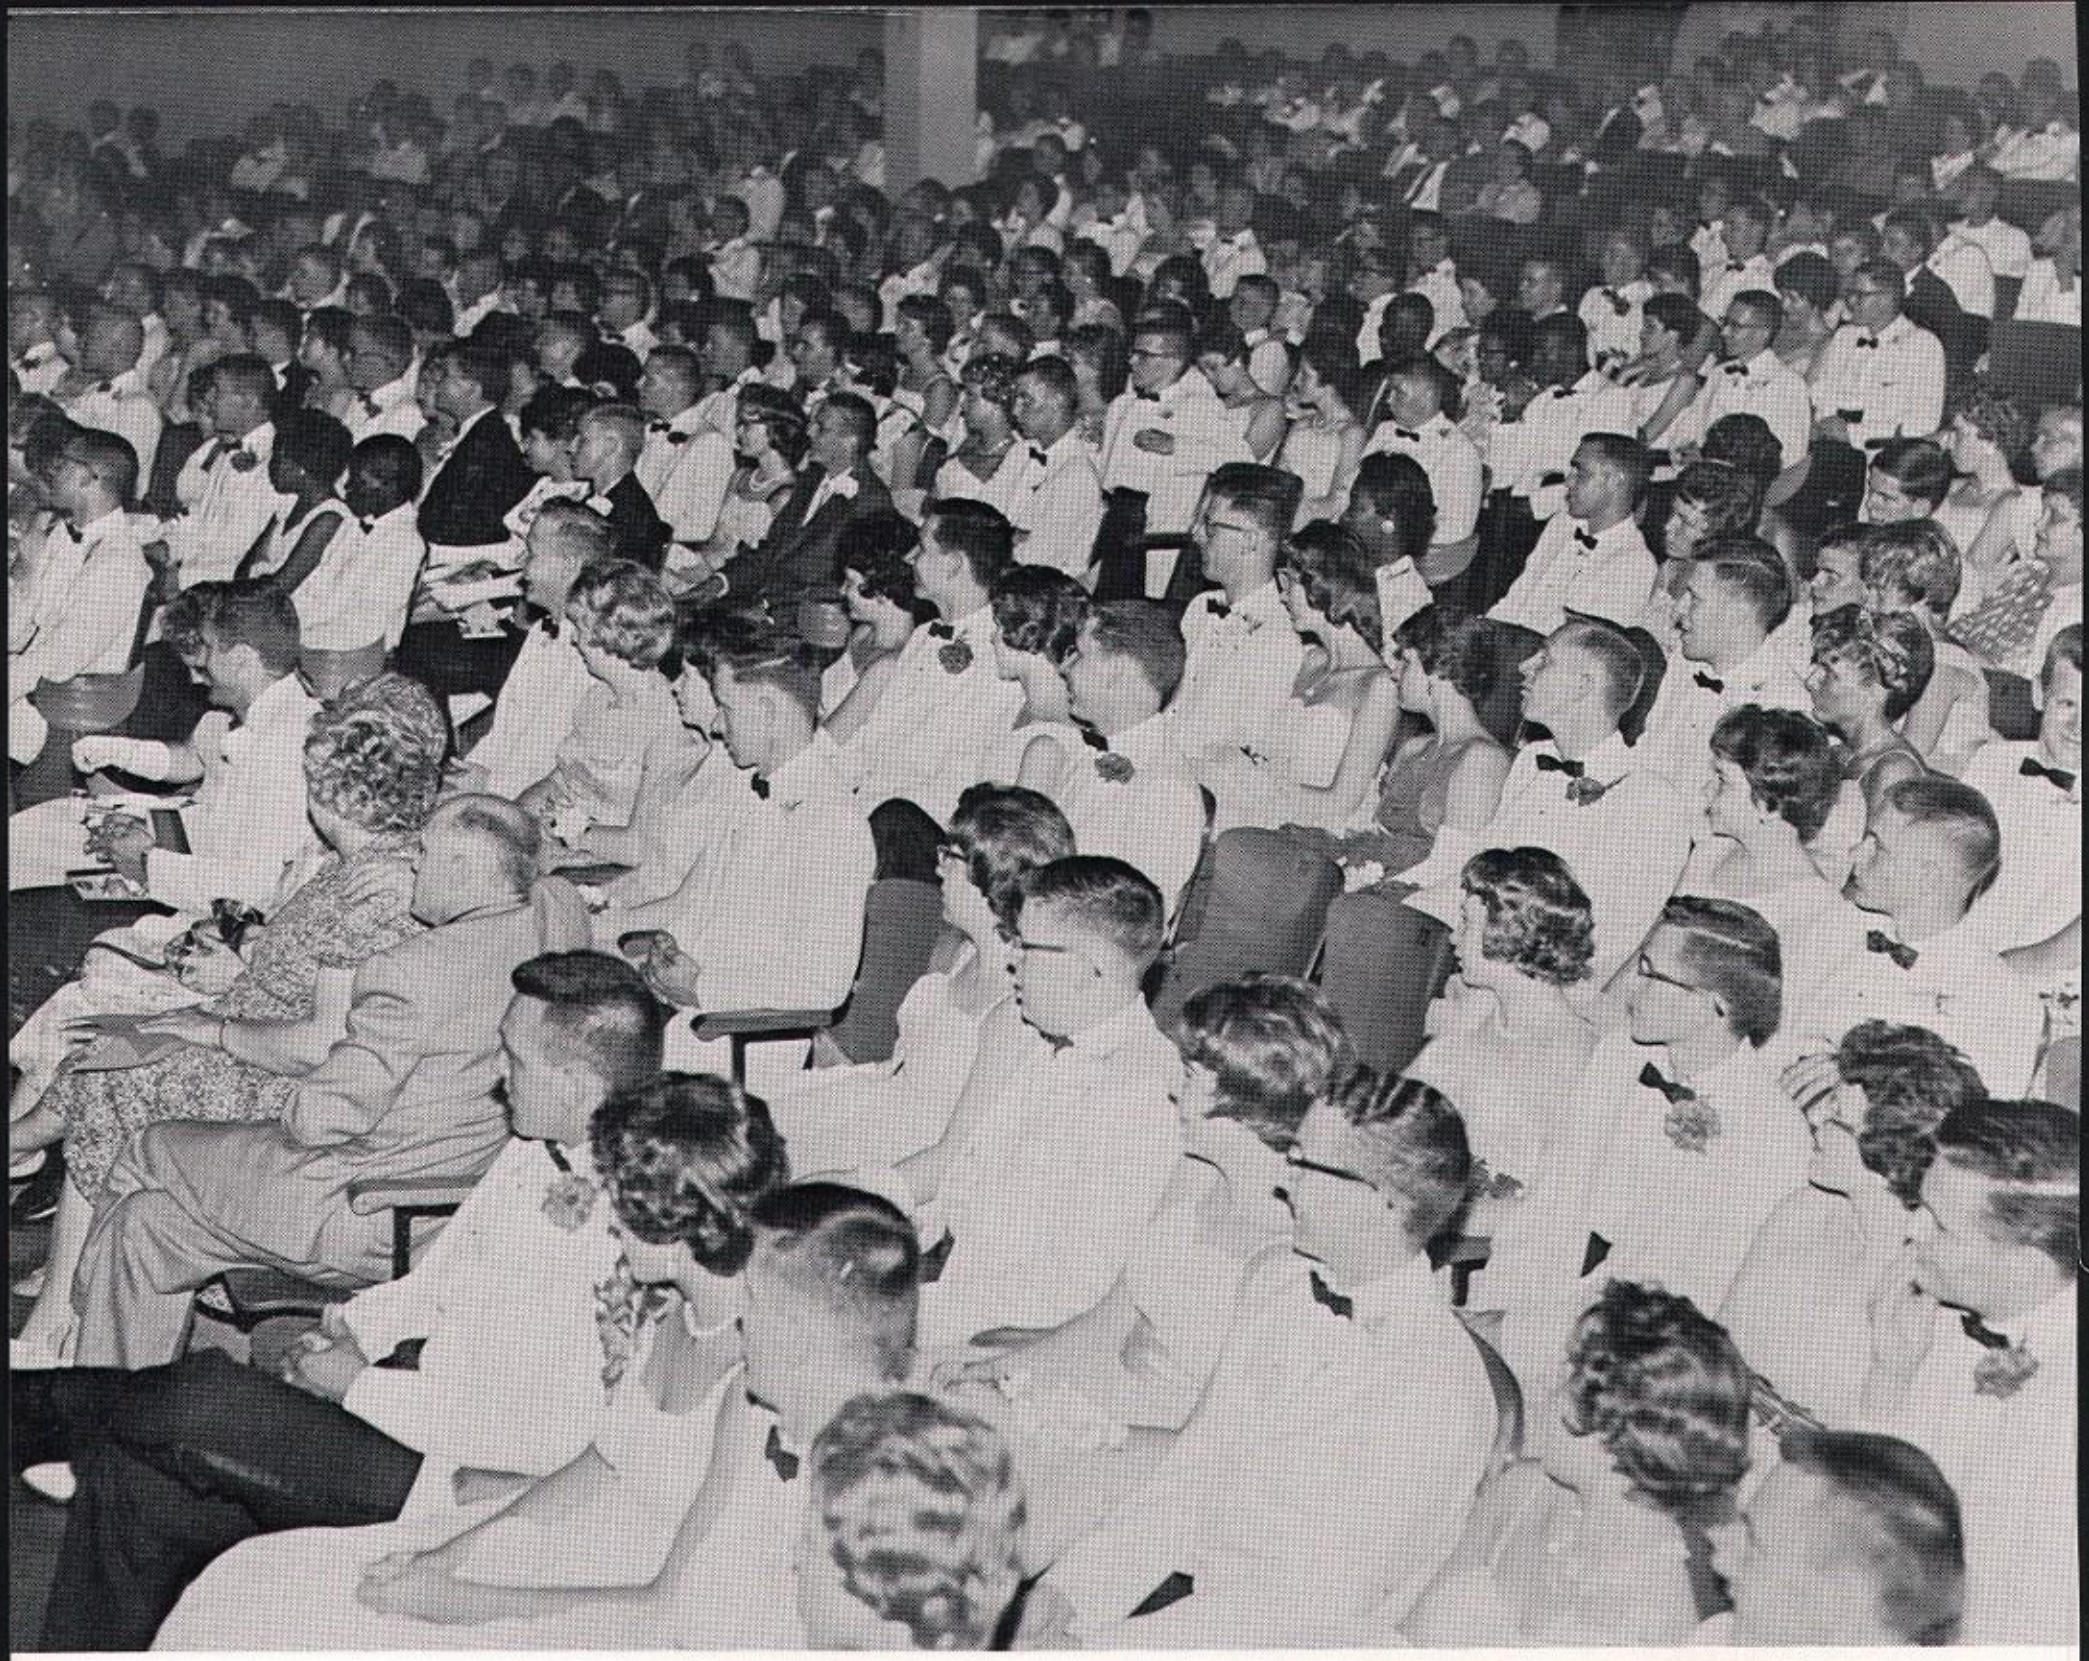
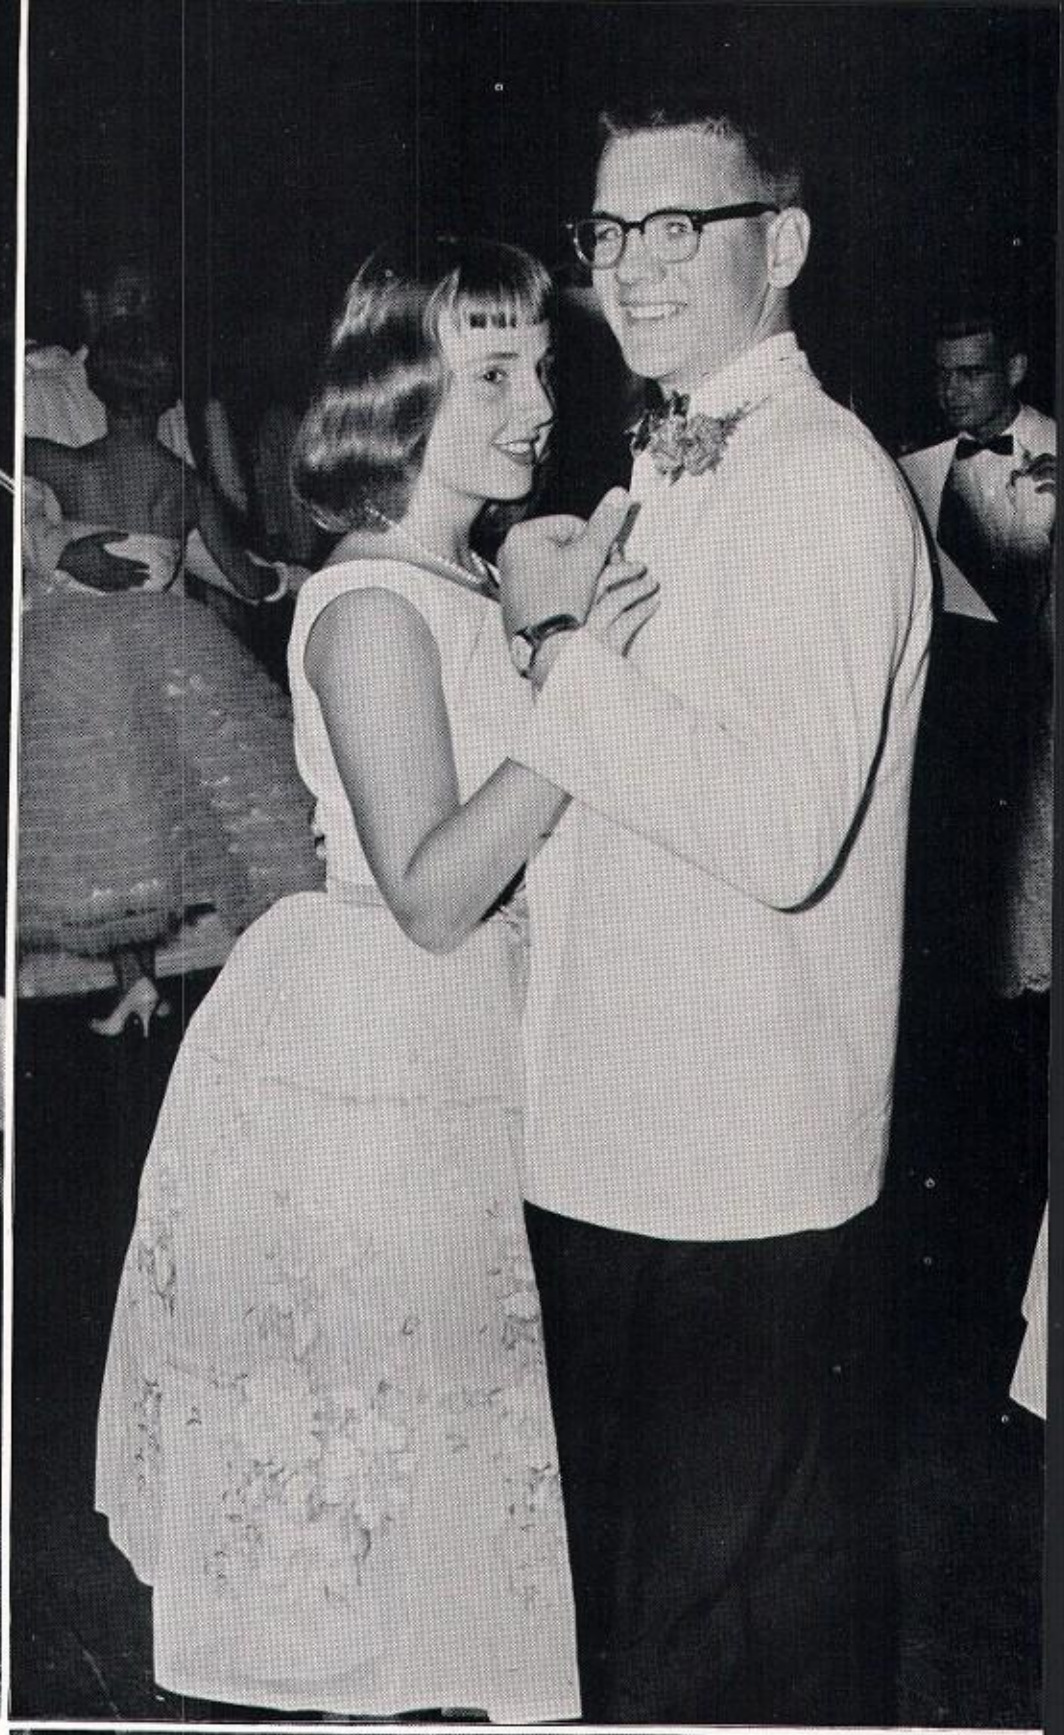
Before and After





We Danced All Night . . . . . .



Sally Wickerink, Miss Muskegon of 1961 and a Muskegon Sr. High graduate of '61, was one of the main entertainment attractions of last year's prom.

An End, Yet A . . . . Beginning . . . .

GRADUATION--a word that strikes a response in every senior's heart. To some, it brings forth a strong feeling of relief, to others, a feeling of exhilaration, but to all a slight feeling of sadness.

How hectic these last few months have been. However, they have been filled with events and experiences which not one of the 1962 graduates will ever forget. For example, remember the rush to order caps and gowns? And how about the Senior Mixer, the Senior Banquet, and the Senior Picnic? OH, and who could forget the prom, baccalaureate service, and the commencement exercise itself. Yes, graduation has been a busy time, but it has been a once and life time event for many and certainly one to be remembered always.

AND SO ENDS another year at M.H.S. It was a year in which we all grew mentally, physically, and socially. It was a year full of activities, of hard work, of noise, of cheering, of laughter, and sometimes of disappointments.

In September, after the first day of school, we all rushed home with cheers and complaints for the classes that we would be in. Immediately, speculation began as to what one could "get out of" a teacher. When most grievances were finally settled, we started work in earnest.

It was rather surprising to see how football season could creep up so early in the school year. That, however, did not dampen any of the spirit at the games. Who can ever forget the excursion to Benton Harbor and that game!!! By making two touchdowns in the last forty-five seconds, we were able to win the most exciting contest in the year. Another major part of the season was the Homecoming activities--MHS's own beauty contest!

Scholastic duties took a large part of all the students' time. For the seniors it meant College Boards, National Merit Examinations for the juniors and scores of others, not counting all the tests in regular class work. Team teachers loaded their classes with homework- - -other teachers did not lag far behind. It was a time to think about applying to colleges for the next fall. It was a year for thoughtful work.

This was the year that everyone was talking about Muskegon's basketball team, and with good reason. We had a few, very few, disappointments. Spirit was at its highest!

Outside activities occupied much of the student's time. Junior Tea was given for all junior girls, and Senior Girl's dance was given for all senior girls. Excursions took us all over the state to see our teams play. Ski Club took trips to Cabrefae. Y.F.C. gave monthly parties, and Band gave concerts.

This was the year of major accomplishments, of historic events. We, the students of M.H.S. witnessed the first American orbital flight. Students of our school won national recognition from their Merit tests.

Yes, this was a good year, a year that the students of M.H.S. will never forget!!

Above is a typical scene at a 1961 Muskegon football game as halfback Bill Keur, aided by good blocking from the Big Red line, runs up for a fine gain.

1961 BIG RED FOOTBALL

The experience and power of Lansing Sexton proved too potent for the Big Reds in their first outing of the 1961 grid season. The well organized backfield of Sexton did not encounter much difficulty with the Big Red defense, scoring easily. The Muskegon bright spot was the backfield. Backs Terry Werley and Bill Keur provided excitement with Werley scoring Muskegon's first touchdown with a two yard plunge. At the final gun, the score was Lansing 37 and Muskegon 7.

The following weekend, the Big Reds came into better form defeating Grand Rapids Union 19 to 6. Any resemblance between the Big Reds of the week before and the ones playing Union was negligible. The names of the players were the same, but that is where the similarity ended. It was on this night that many Big Red stars shone brightly. Ed Wittkopp tore through the Union line repeatedly refusing to be thrown for a loss. Bill Keur was again present, dodging, knifing, and driving. Bill Brooks blocked furiously. Rick Ericson proved himself an adept ball handler while quarterbacking the team.

On defense, the Big Reds presented an almost impenetrable wall. Dick Buikema, Jim Decker, and Jim Lindgren, aided by Tom McShannock, Larry Medendorp, Mel Peterman, Marshall Margret, Ed Rhodea, and Tom Cutler, made the life of rival ball carriers an uneasy one. Muskegon's scoring came on a two yard and a three yard plunge by Wittkopp, plus an electrifying 55 yard runback of a pass interception by Bill Keur.

In the third game of the year, Coach Baldwin's boys lost a heartbreaker to the Trojoans of Traverse City. Through the entire game, the teams matched each other, play for play. Bill Keur tallied Muskegon's two touchdowns on a plunge of a one yard and a three yard run.

In the closing minutes of the game, Keur picked off a Trojan pass and returned it to the Traverse City ten yard line. But due to the eagle eye of the official, and some questionable judgement, the ball was returned to Traverse City and a 15 yard penalty was stepped off against the Big Reds. The Traverse City crew then hammered away at the disappointed Big Red defense and scored the winning touchdown. Final score: Traverse City 20, Muskegon 14.

TEAM SPIRIT LEADS

The following Friday, the Big Reds, supported by upwards of 600 excursion fans, journeyed downstate to face the Benton Harbor Tigers. The teams fought evenly with Ed Wittkopp, Bill Brooks, and Bill Keur smashing at the Harbor line but never quite hitting pay dirt. With 45 seconds left to play, Harbor led by a lone touchdown. It was Muskegon's ball on the Tiger's 26 yard line and fourth down. That's when Rick Erickson passed to Bill Keur on the 15 yard line. Bill took off for the end zone, leaving four would-be tacklers in his wake. Tom McShannock kicked the extra point, and Muskegon led with 40 seconds remaining. But the game was by no means over, for Benton Harbor successfully moved the ball to the Big Red's 20 yard line with a series of passes. To many it looked like Harbor might win the game in the final seconds. With a first down on the Muskegon 18, the Tigers passed again. Dick Buekema, one of Muskegon's guards, charged towards the sidelines, intercepted the pass and raced 80 yards for a touchdown, as the Big Red boosters went wild. The point after was missed, but Muskegon won 13 to 6.

The Muskegon Big Reds made the 1961 Homecoming a successful one by defeating the Grand Haven Buccaneers 26 to 14. The Big Reds piled up a 19 to 0 lead before Grand Haven was able to score. Muskegon's scoring came on a 52 yard run by Rick Erickson. Shortly afterwards, Erickson completed a pass to Bill Keur which covered 48 yards and a Muskegon touchdown. Bill Brooks rounded off the scoring for Muskegon with a 17 yard run through center going into the end zone standing up. The joy of the victory and the homecoming was dampened by the serious injury of halfback Ed Wittkopp hurt in the closing minutes of the game.

On the next week, the Crusaders of Catholic Central continued their jinx over Muskegon, defeating them 13 to 7. Not even the great desire to win this game for Ed, critically injured the previous week, could overcome the staunch Crusader defense. Bill Keur was in his usual good form scoring Muskegon's only touchdown on a fine 43 yard pass play from the arm of Rick Erickson, but Bill couldn't do it alone and the absence of Ed was keenly felt. Muskegon successfully employed the

shotgun offense in the first half but couldn't make it click after that.

In the seventh game of the year, the Big Reds traveled to Holland to revive a rivalry that had lapsed for ten years. At the final gun, the Dutchmen may have wished for another ten-year period before playing them again. Muskegon's first score came when Bill Keur, on a double reverse, lateraled to Rick Erickson who raced 20 yards into the end zone. Holland brought the score to 7-6. Then Erickson and Keur again combined for a 67 yard pass play with Keur tallying. Bill Brooks then scored his two touchdowns of the night with a plunge of one yard and a fine run of 17 yards. In the third period, Bill Keur scored his second touchdown on a four yard run and a short time later intercepted a Dutch pass and returned it 25 yards for Muskegon's final score. At the gun it was Muskegon 40, Holland 12.

Muskegon added another victory to its record defeating Battle Creek 12 to 0. Bill Brooks stood out during the game scoring both of Muskegon's touchdowns on runs of 16 and 12 yards. A pleasant surprise of the night

The tension of a Muskegon game is reflected in this picture of the Big Red bench.

was Jim Decker who gained 73 yards after being switched from tackle to halfback in order to fill the gap left by the injury of Ed Wittkopp.

Muskegon continued their dominance of Heights this year. This game was the last for many first stringers who will graduate in June. These were co-captains Jim Decker and Bill Keur, Tom McShannock, Larry Medendorp, Bob Morley, Marshall Margaret, Dick Buikema, Jim Lingrem, Rick Erickson, Butch Hopma, Micky Pickel, and Ed Rhodea.

Rick Erickson scored the first touchdown of the game on a 16 yard run after receiving a lateral from Bill Keur. Terry Werly added six more on a 24 yard pass from Rick Erickson. Keur added another on a 5 yard run and then brought the fans to their feet with a beautiful 77 yard run around right end to cap the Big Reds scoring. The final score was Big Reds 25; Tigers 13, bringing to an end a football season that everybody was proud of.

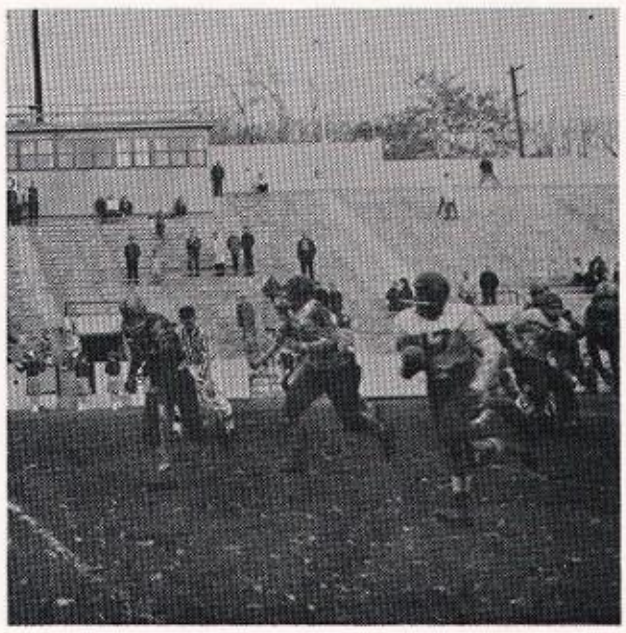
The Muskegon Little Red football team experienced rough going during its 1961 season. After losing the initial game of the year to Orchard View, an eleventh grade team, by the score of 13 to 0, the Little Reds continued to be plagued by the lack of scoring punch. Seven successive defeats followed before the Little Reds regrouped their forces and won over arch-rival Muskegon Heights in the final game of the season. The Little Tigers tallied three quick touchdowns early in the contest, but the Little Reds came roaring back to take a dramatic 27-19 victory. John Hansen and Fred Franczek coached reserve football this year.



Little Red back, Tom Spitma, rolls around the end for fine gain.

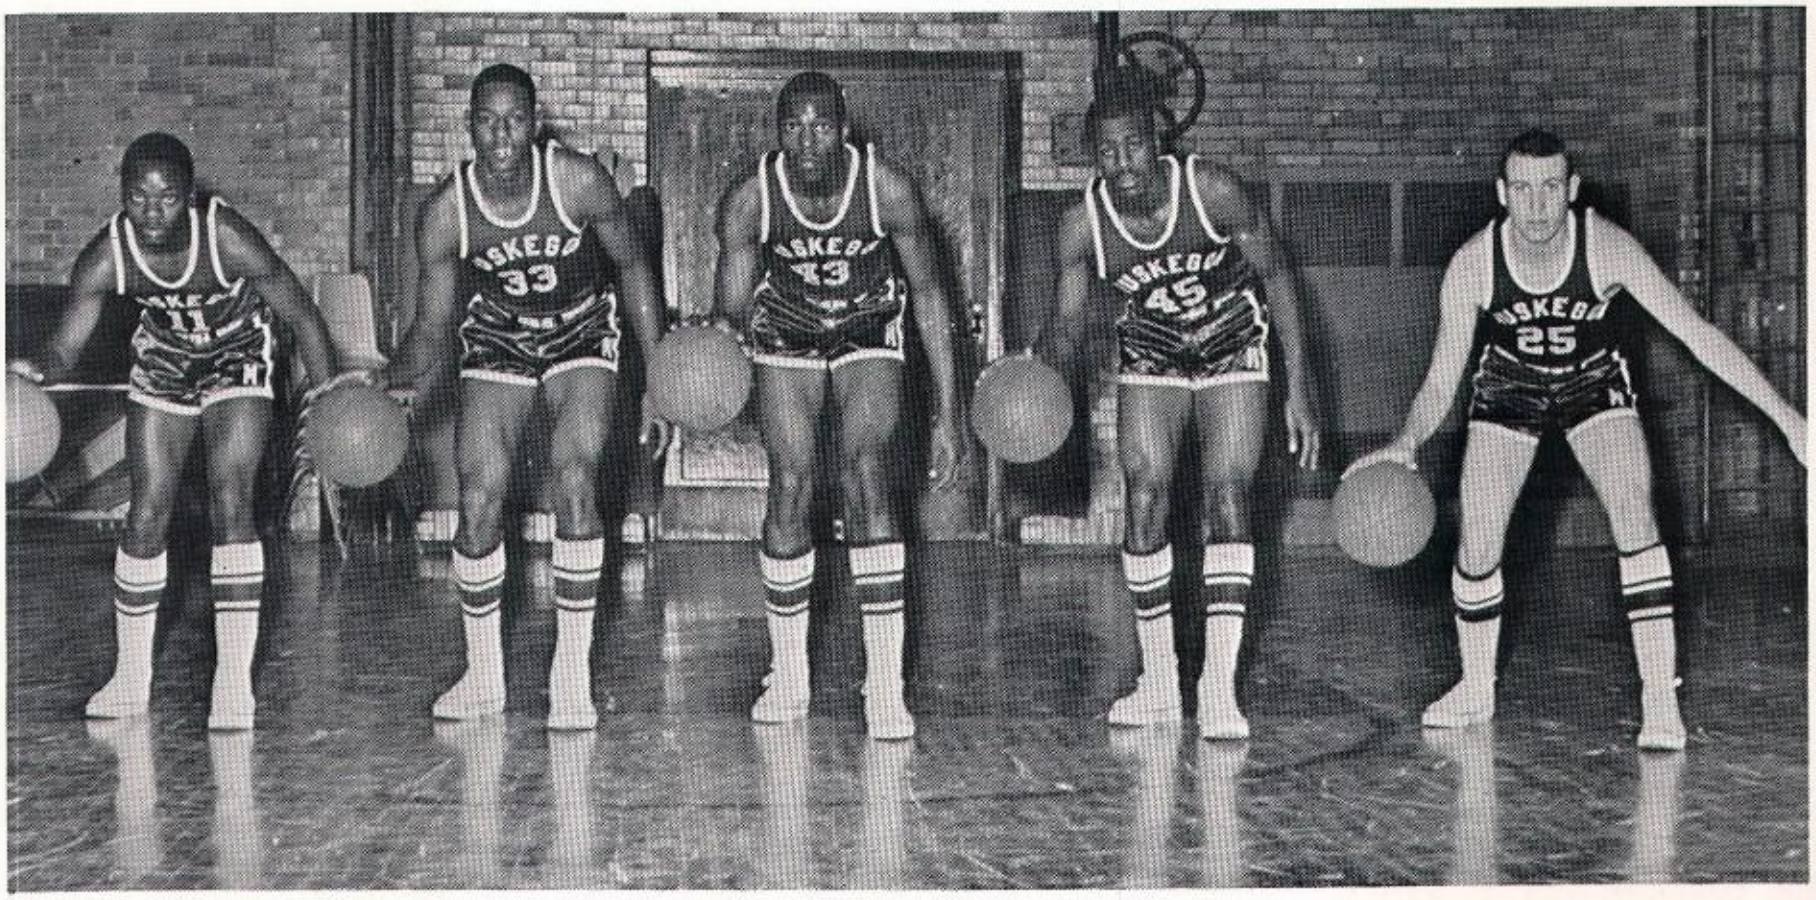
1961 was a lean year for the Muskegon Big Reds in cross country. After a number of good seasons in recent years, including an outstanding record last year, the school's success fell off considerably this year. 1961's weaker team has been attributed to the small number of sophomores who came out for cross country in 1960. However, with a number of promising 10th graders on the squad this year, coach Tom McShannock looks forward to a winning season next year.

A bright spot for Muskegon in cross country this year was the fine running of senior Roger Hamel. Roger led both teams in most meets and set several course records.

The following is a summary of the 1961 cross country season.



Frank Hayes, Howard Collins, Ben Strong, Sam Moore, and Denny McPherson were the starters for the M.H.S. Big Reds in their victorious 1961-62 basketball season.

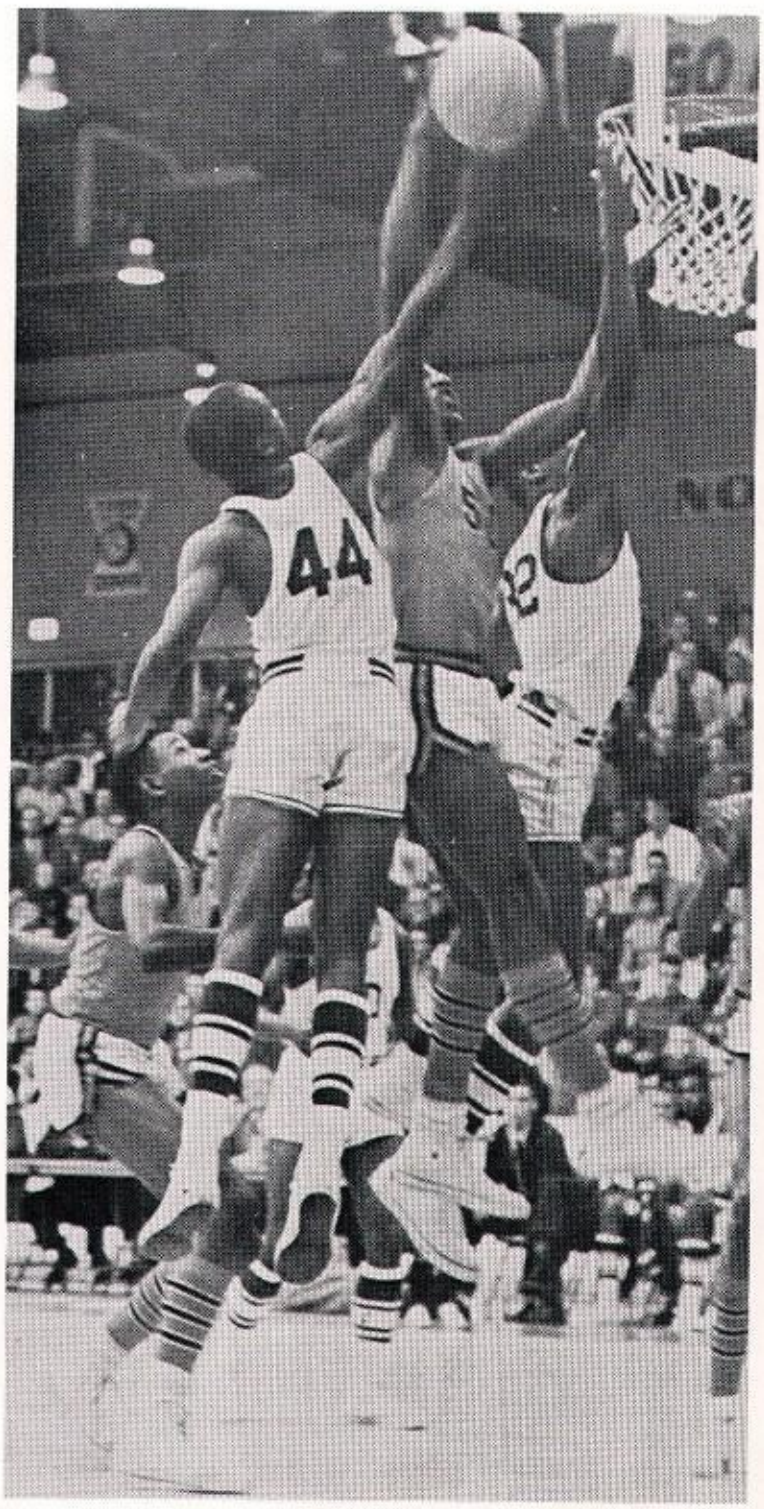
Two More For Sam

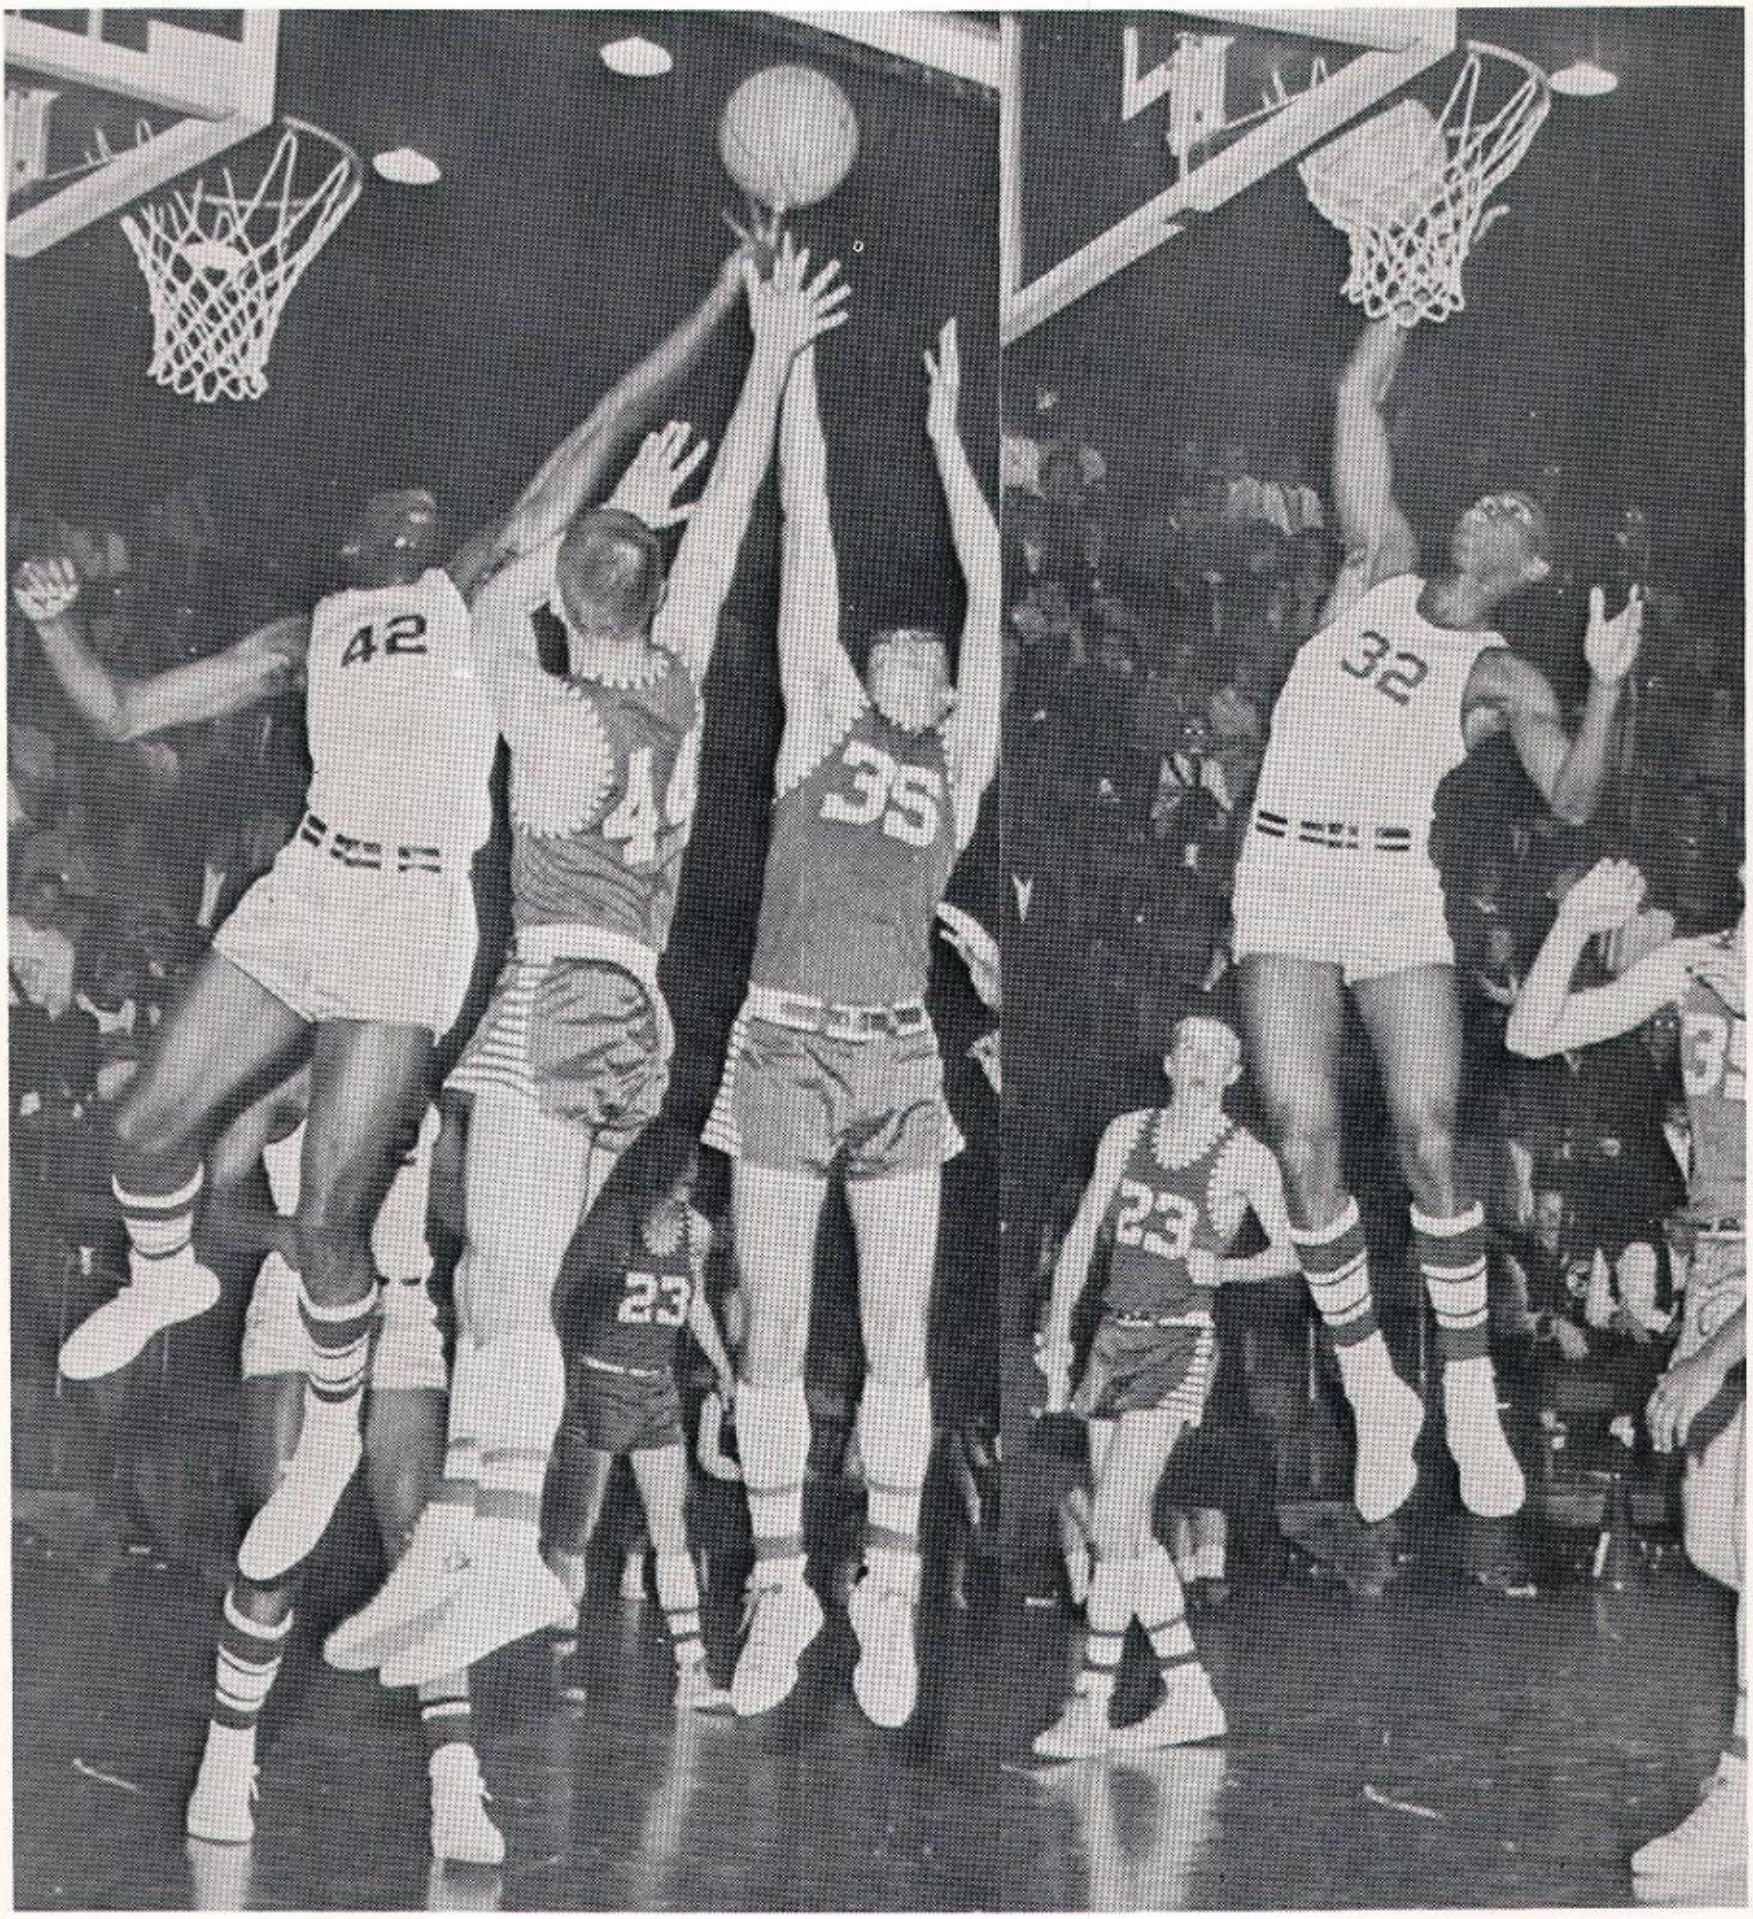
After being introduced to the public at an intra-squad game in November, the 1961-62 Muskegon Big Red basketball team made its debut the next week against Muskegon Catholic Central. In this game Muskegon used speed and deadly accuracy to pin an 82-43 defeat on the Crusaders. Ben Strong and Sam Moore formed a 1-2 combination, hitting 21 and 15 points respectively. The following week the Big Reds bowed to Muskegon Heights 69 to 60 in the first big test of the season. The score was tied nine times before the Heights broke into the lead to stay late in the game. Sam Moore led the Muskegon attack with 28 points while Denny McPherson added 11. Muskegon's next opponent, Grand Rapids Catholic Central, presented little challenge as the Big Reds rolled to an 81-55 victory. The fast break that had stalled against the Heights buried the Cougars under a rain of baskets. Sam Moore again led Big Red scorers with 27 points. M.H.S. posted its first Lake Michigan Conference win at Holland. Falling behind early in the contest, Muskegon applied a press and went on to win by a score of 69 to 41.



THE SEASON

IN PICTURES

The next week Muskegon outclassed Traverse City 89-43 for its second L.M.A.C. win. Sam Moore was the leading Muskegon point-maker with 28 points. Niles, the next invader of the M.H.S. gym, was the victim of another Big Red runaway. The Muskegon regulars played only 17 minutes, but the reserves were also hitting, and the classy Reds coasted to an easy 93-57 victory. The Big Reds won a big game the following week when they overcame Benton Harbor 76-61. Sam Moore played a sensational game, netting 38 points, while Howard Collins also played one of the best games of his career. Another win was chalked up on the Muskegon record as the Big Reds overpowered Grand Haven 80-54 in their next game. Then a week later Ben Strong and Sam Moore combined for 51 points to help Muskegon onto an important win, a 67-60 triumph over the Heights Tigers. The Big Red victory evened the two teams in the L.M.A.C. standings.



Holland offered little opposition in their second meeting with the Big Reds as they fell 91-47. Ben Strong paced Muskegon with 28 points. Dennis McPherson was the sparkplug in the next Muskegon game as his 21 points enabled the Big Reds to take a 59-47 decision at Traverse City. In their crucial meeting with Benton Harbor, however, the Big Reds hit a night where they could do little right and the Tigers could do nothing wrong, The result was an 88-60 defeat for Muskegon. However, the Big Reds were a very different team in their following game as they sped to an impressive 63-59 win over previously undefeated Grand Rapids South. Sam Moore pumped in 36 points for Muskegon. M.H.S. wound up in a tie for the Lake Michigan Athletic Conference championship with Benton Harbor and Muskegon Heights when the Reds overwhelmed Grand Haven 93-65 in the finale of the L.M.A.C. season. The last regular season game for the Big Reds was a 77-57 victory over Muskegon Catholic Central. As the book went to press, they entered the state tournament as potential state champions.

THE BIG REDS IN ACTION

LITTLE RED BASKETBALL

The Muskegon Little Red basketball team, coached by John Partenio, finished their season with a better than average record of nine wins and six losses. Playing the same schedule as the Big Reds, the Little Reds pleased their fans more than once during the season with exciting come-from-behind victories.

Members of the Little Red cage team this year included John Workman, Vince Birleson, Alvertis Crawford, Greg Gillaspy, John London, Gary Lillmars, Bill Warren, Arvester Hawkins, Hugh Thomas, Jim Cameron, Paul Page, Jim Shriver, and John Moore. The leading scorer on the Little Reds, Alvertis Crawford, and John Moore, brother of Big Red star Sam Moore, were elevated to the varsity late in the year to add extra scoring strength.

At the right is a resume of the Little Reds' 1961-62 season.

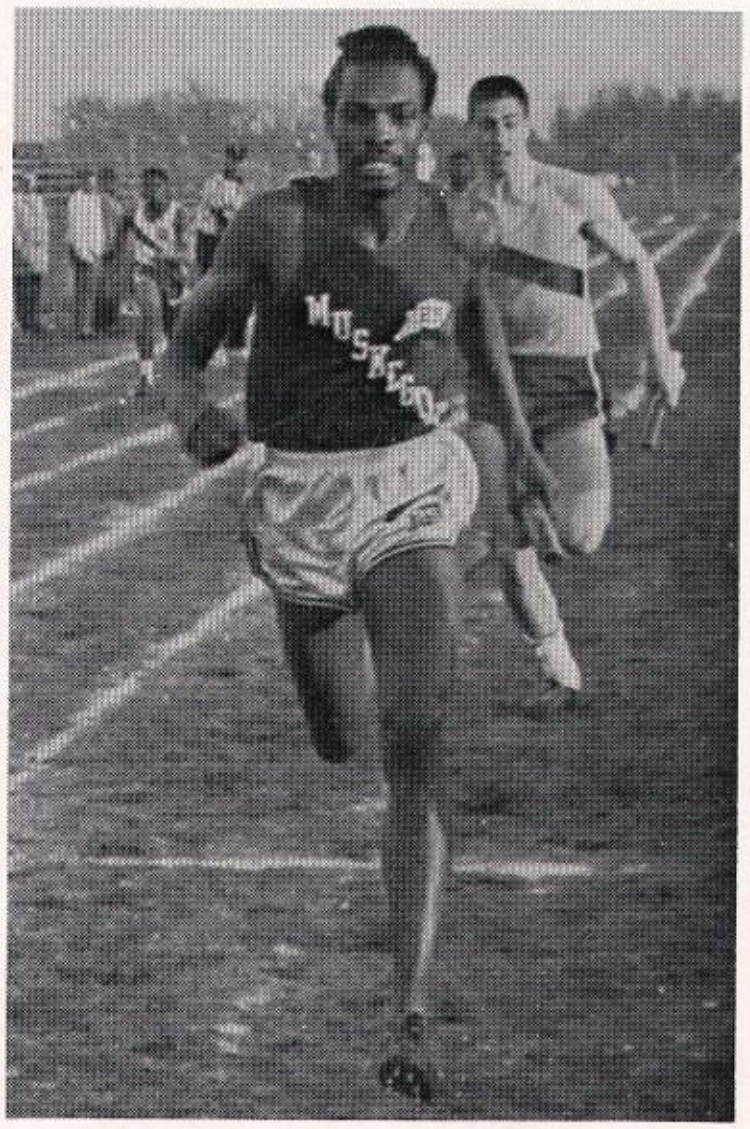
MUSKEGON HAS POWERFUL TRACK

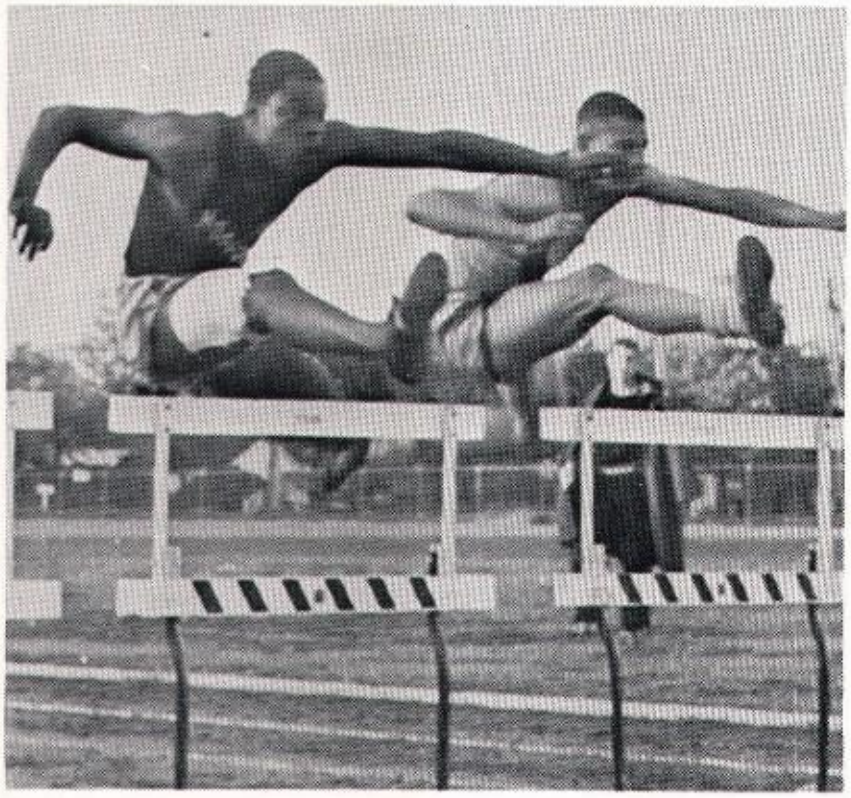
Roger Hamel, Muskegon miler, comes in ahead of the field as the Big Reds take another track victory.

1961 was a great year for Muskegon in track. They were undefeated in dual meets, speeding to a 5 and 0 record. They took first place in the Lake Michigan Conference meet, the Greater Muskegon meet, and in a triangular meet with Grand Haven and Muskegon Catholic Central. The Big Reds also were second in the regional meet and in the Saginaw Relays, a contest featuring some of the strongest teams in the state. Muskegon was 19th in the state track meet. Besides all these achievements, Muskegon also scored the most points for the Lake Michigan Conference when it defeated the Grand Rapids City League.

Prospects look good for another fine Muskegon track team in 1962 since many of last year's stars were underclassmen.



Willie German takes another first for the Big Reds in the dashes.



Reuben Mitchell appears to have the lead in a close hurdles race.

TEAM IN '61

Big Red high jumper Ben Strong tops six feet in his favorite event.

The Muskegon Big Red track team poses for an informal squad picture after winning the L.M.A.C. track meet.

Muskegon Senior High School was represented by one of the finest baseball teams in western Michigan last spring. Coach Harry Potter's high scoring squad won twelve games and lost only four. A total of 140 runs were scored during the season by the Big Reds while their opponents were held to 81 runs.

Muskegon took the 1961 city championship, defeating Catholic Central twice and Muskegon Heights twice. Their only loss in city competition came in a third contest with the Heights, which lasted ten innings.

The Big Reds also placed second in the Lake Michigan Conference standings, just missing the championship. The deciding game with the highly regarded Grand Haven Buccaneers ran twelve innings before the Bucs finally pulled out a 7 to 6 victory.

As the yearbook goes to press, mounds of snow still cover the city's baseball diamonds. Baseball weather looks far off, but already the Big Reds are beginning practice in the gym. 1962 should be another good season for Muskegon baseball since a number of talented juniors and sophomores saw action last year.

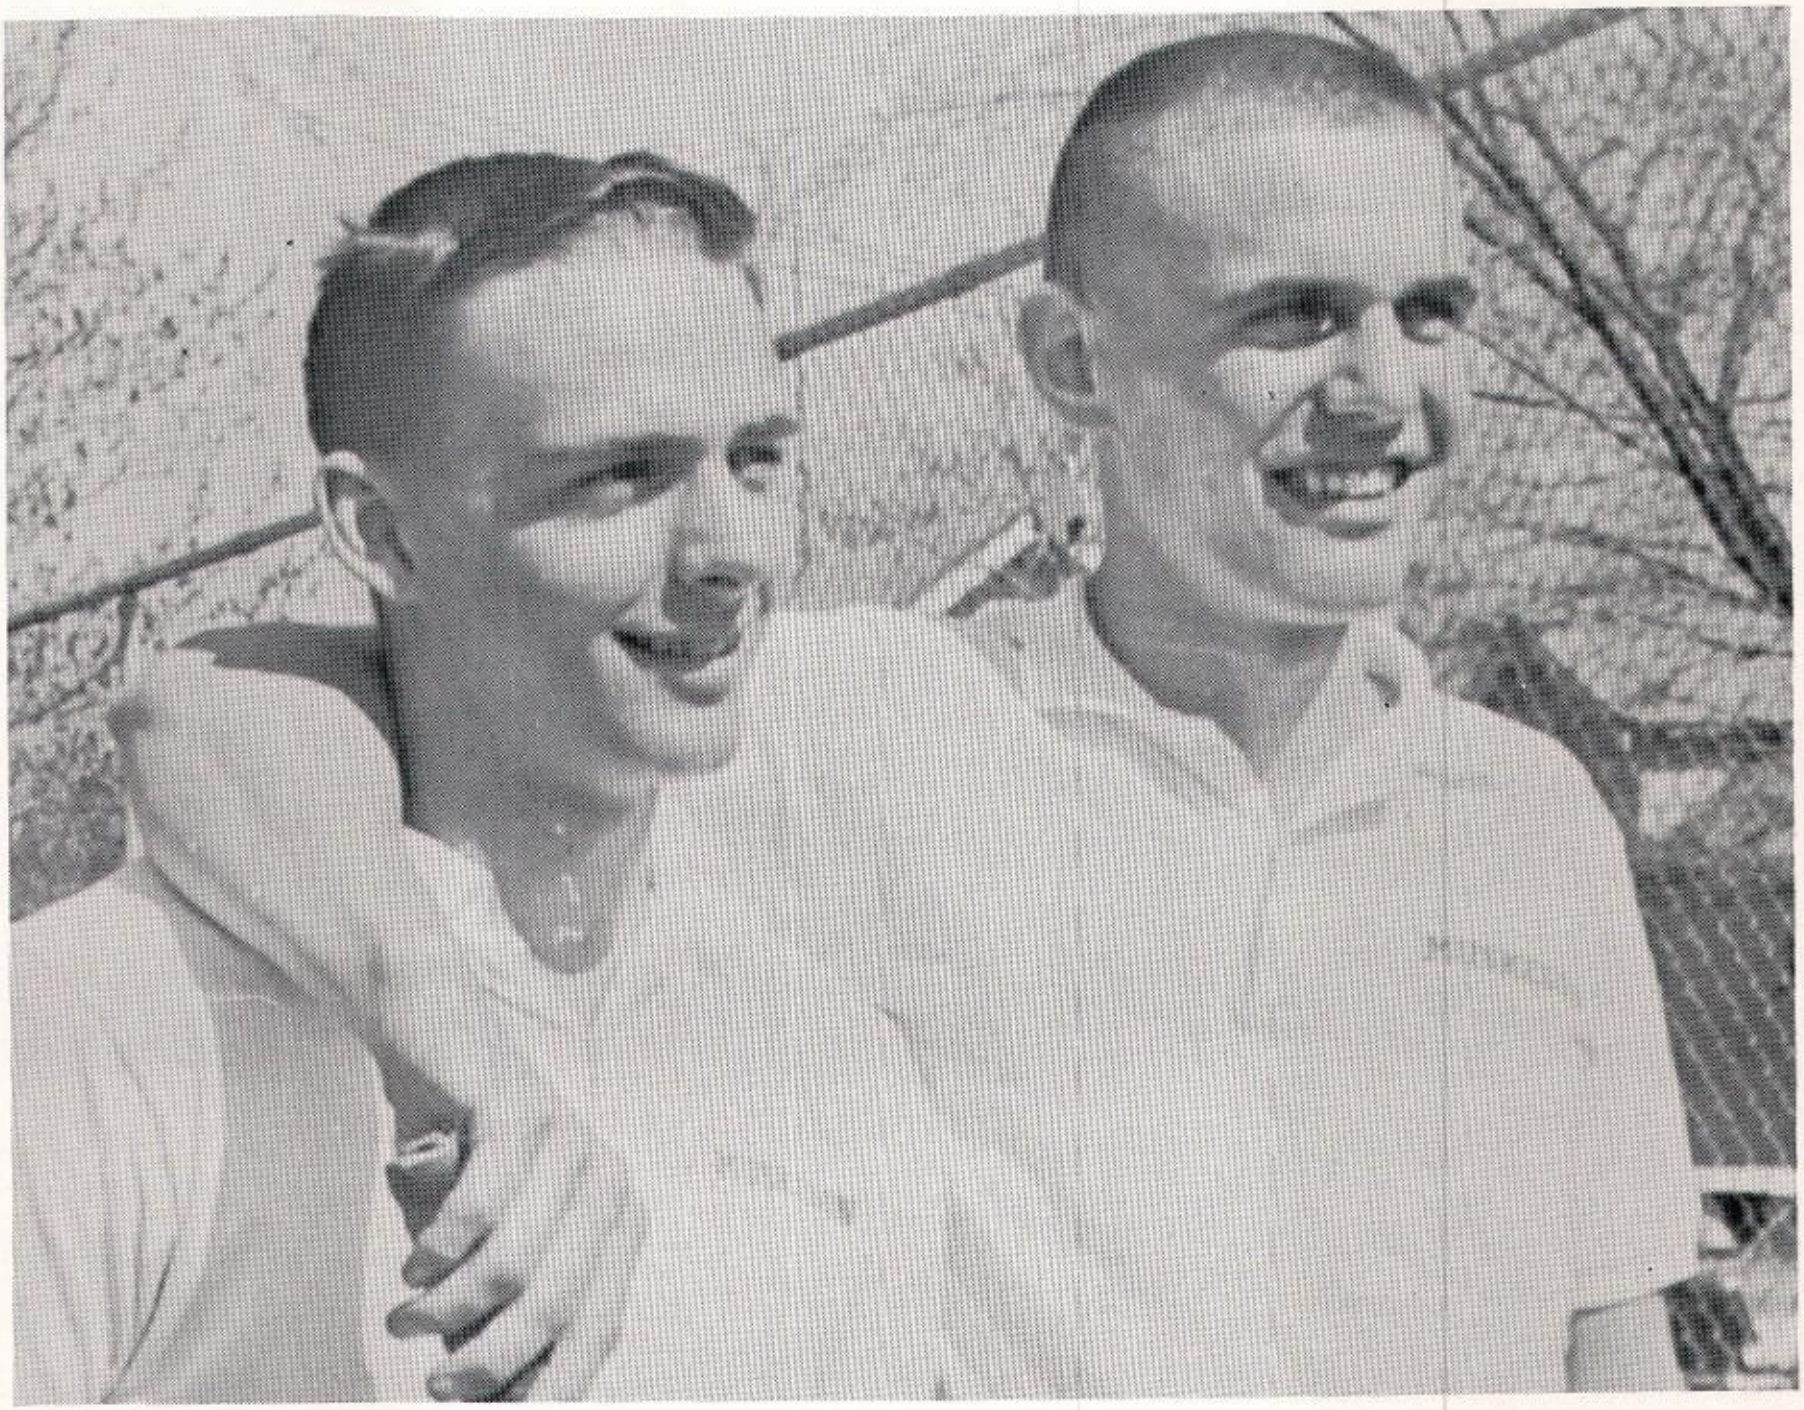
1961 TENNIS



Rick Erickson and Byron "Butch" Hopma, Muskegon tennis stars, pose together after an important victory.

The 1961 Muskegon Big Red tennis team ended its season with a most enviable record. Possessing several individual stars along with fine overall depth and talent, coach David Olsen's team posted a record of twelve wins and only two defeats. They easily placed first in greater Muskegon competition and then went on to win the first Lake Michigan Athletic Conference tennis championship. Their record also includes a second place in the regional meet and fifth place in the state.

The Big Reds scored double wins over Muskegon Heights, Muskegon Catholic Central, West Michigan Christian, and Grand Haven. They also defeated Holland, Holland Christian, Benton Harbor, and Cooperville once each in '61. Muskegon's two defeats came in the second meetings with Holland and Holland Christian.

Prospects for another winning tennis team in 1962 are excellent. Most of the players from last year's outstanding team are returning to the court again this spring.

Big Red Golfers Score "Low"

It may sound odd to praise a team for scoring "low" in its games or matches, but, in the case of golf, the lowest score wins. And last year the Big Red golfers did score low, taking wins in two-thirds of their matches. They finished the season with a fine record of eight wins and four defeats. Muskegon took two victories apiece from Holland, Muskegon Heights, and Muskegon Catholic Central, while they beat Benton Harbor and North Muskegon once during the season. The team's four losses included two each to Whitehall and Grand Haven.

In addition to dual competition with these schools, the Big Reds placed third in the Lake Michigan Athletic Conference meet and fifth in the regional golf match.

Those Muskegon golfers seeing considerable action in '61 were Jack Frye, Dick Neel, Bruce Nelson, Terry Ruthkoski, Bill Indjer, and Bob Kramer. Several of these players graduated in 1961, leaving quite a vacancy. Coach Ed Hager will have to do some team rebuilding in 1962 to repeat last year's good record.

Below is a summary of the 1961 golf season.

Muskegon	Opponent	Low Scorers for Muskegon

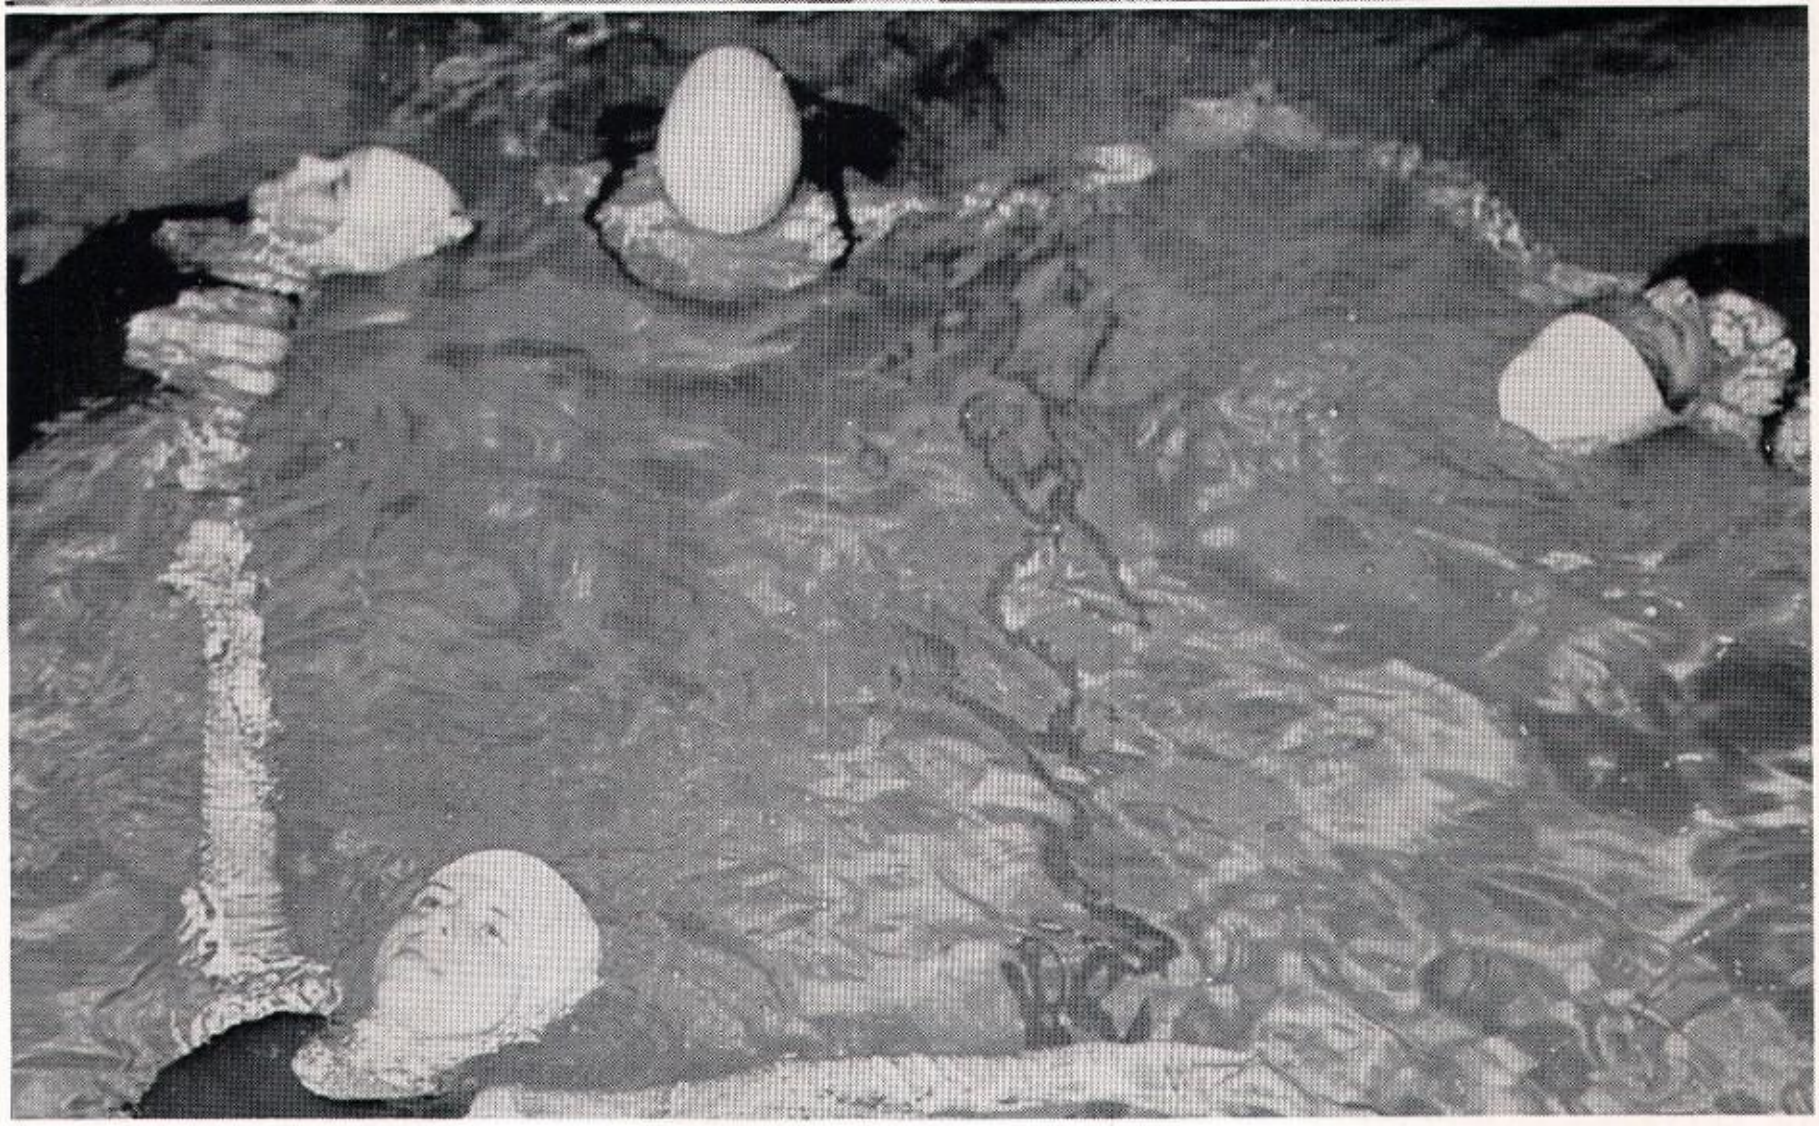
Swimming Syncronized

Mari Beth Rae, Linda Conant, Barb Klemp, Cherrie Bricker, Sue Meyer, Carol Johnson, Kay All, Cheryl Kienke, Priscilla Lindaey, Nancy Newman, Cherie Rollston, Tammy Schmitt, and Pam Andrews are the members of the Synchronized Swimming class at M. H.S. These people give up a study hall or lunch hour twice a week to swim and learn the graceful maneuvers of aquatic art pictured here. The girls receive no scholastic credits for their work. They practice under the careful eye of Mrs. Gillaspy and present a water show "Aqua Viva" at the Steel pool in the beginning of May.

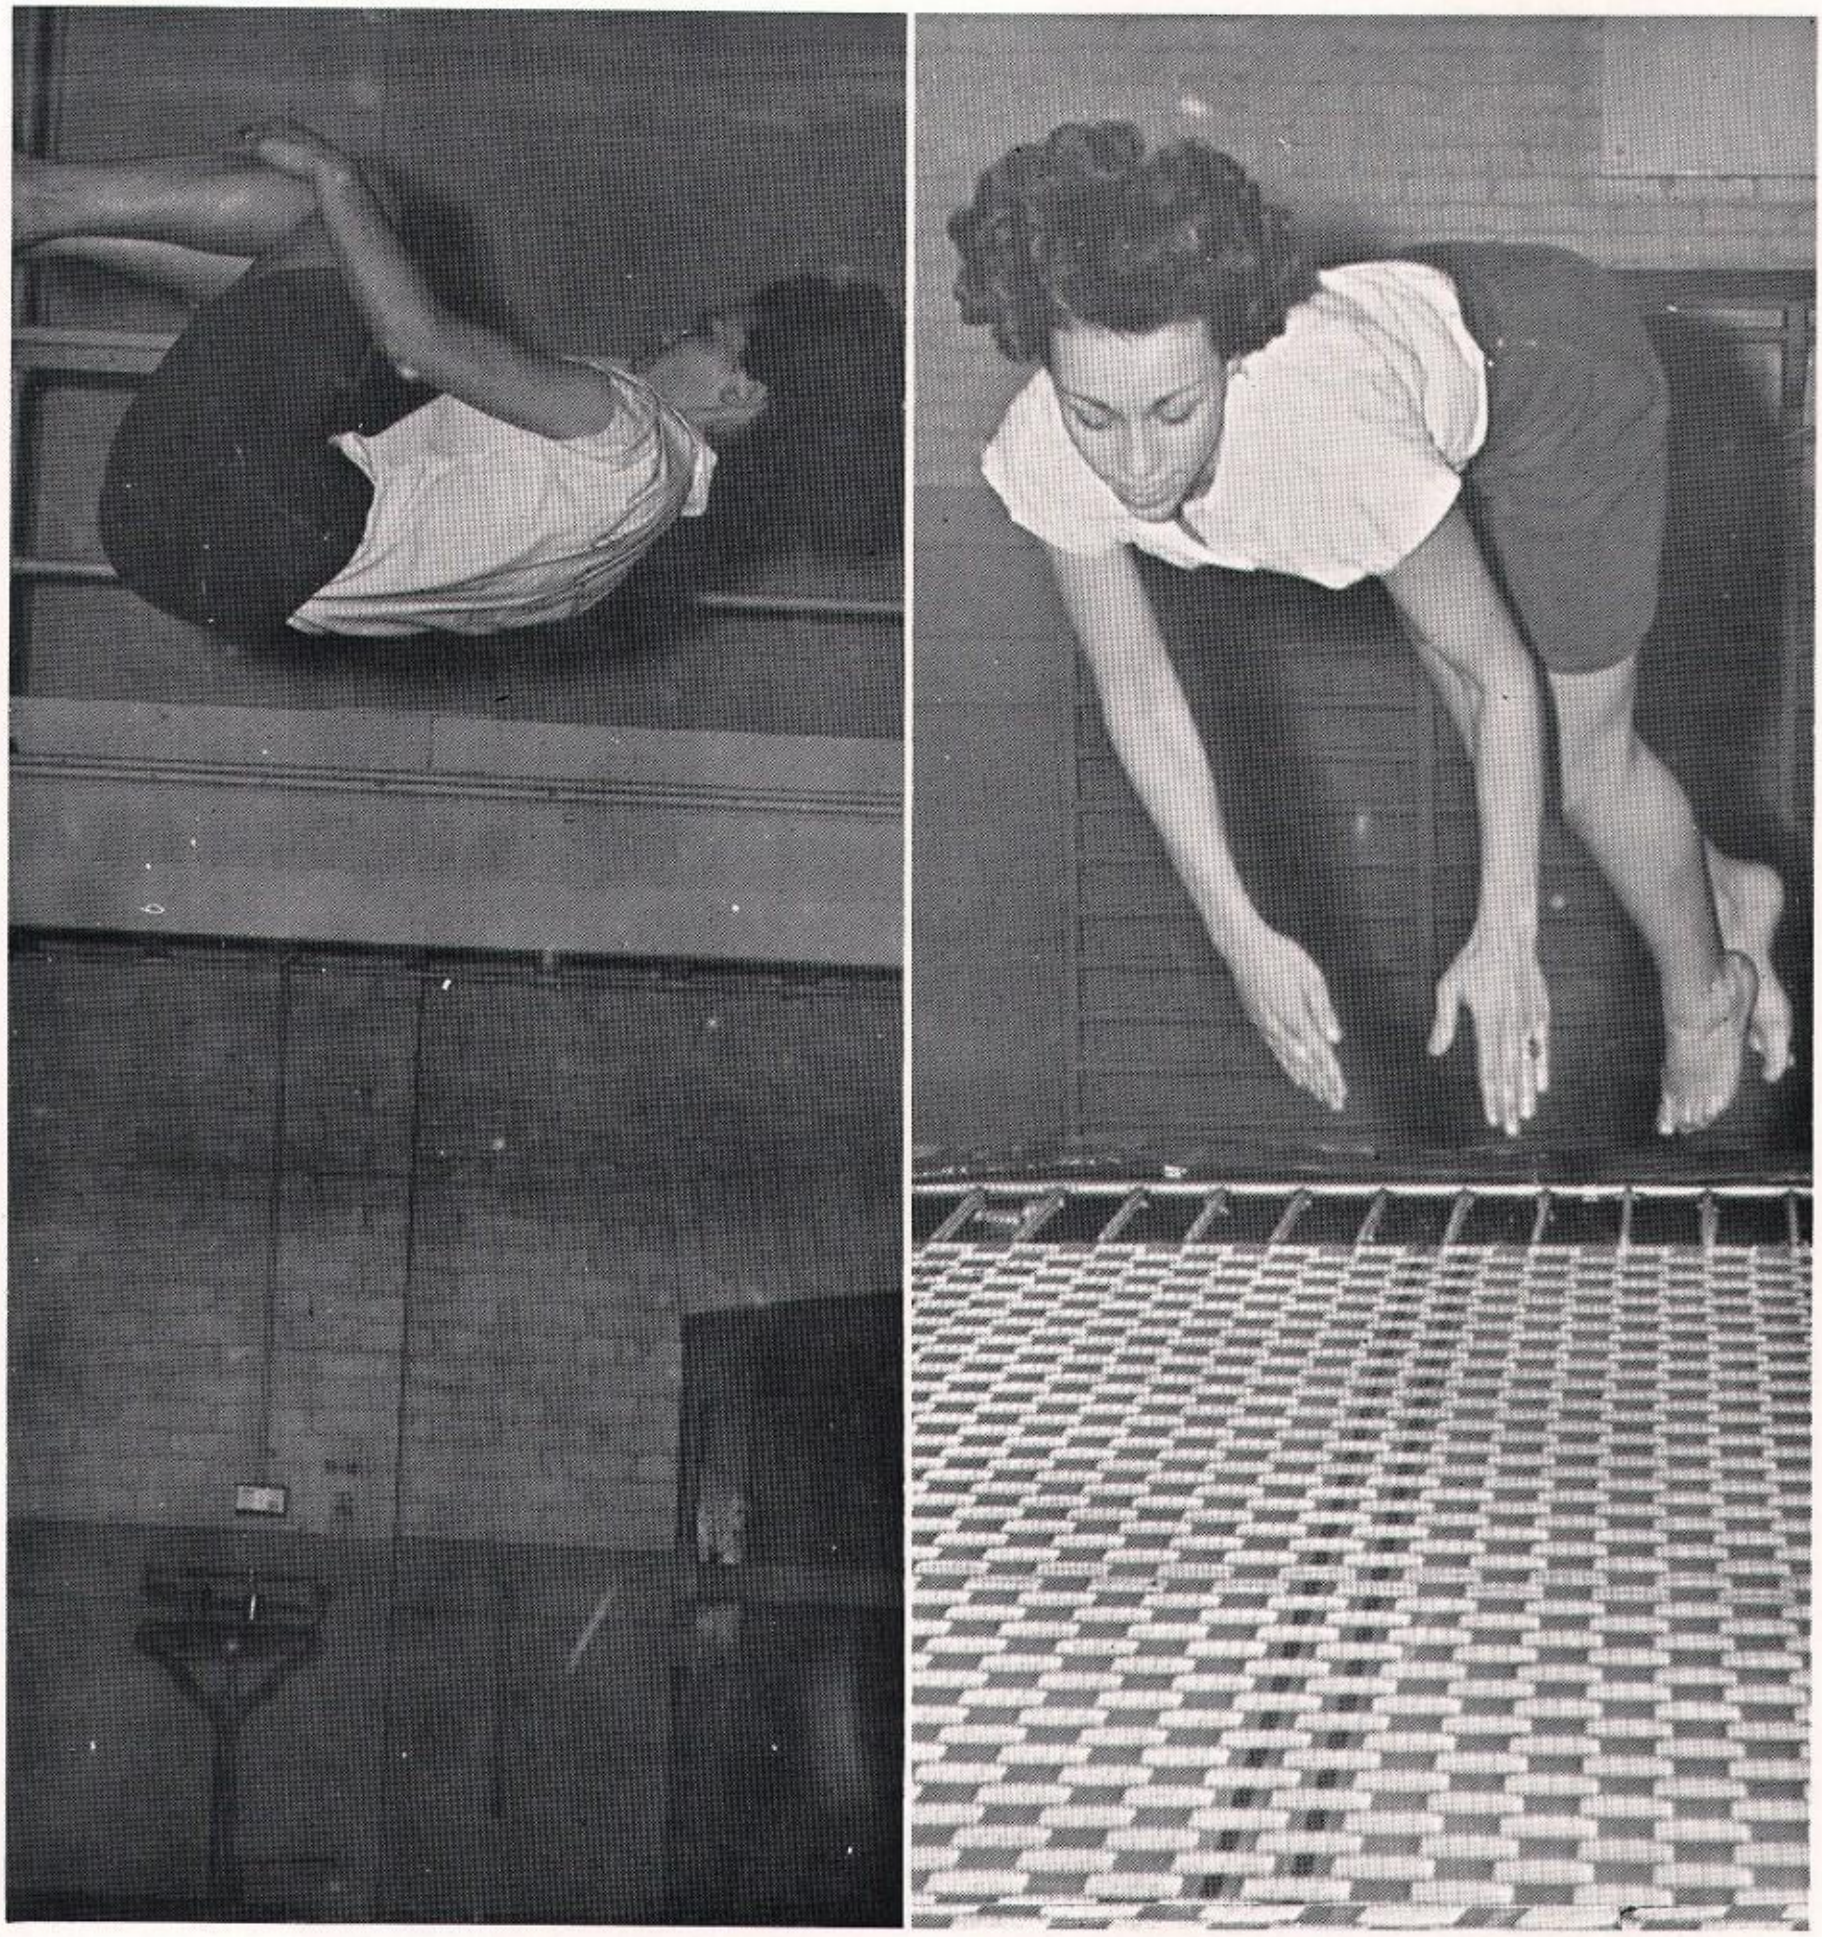


In their gym classes, MHS girls participate in soccer, basketball, volleyball, and various other indoor sports. They learn the basic rules and fundamental skills of each in order that they may be able to enjoy them. A beneficial side-effect of this participation is healthful excercise which is good for all the girls.

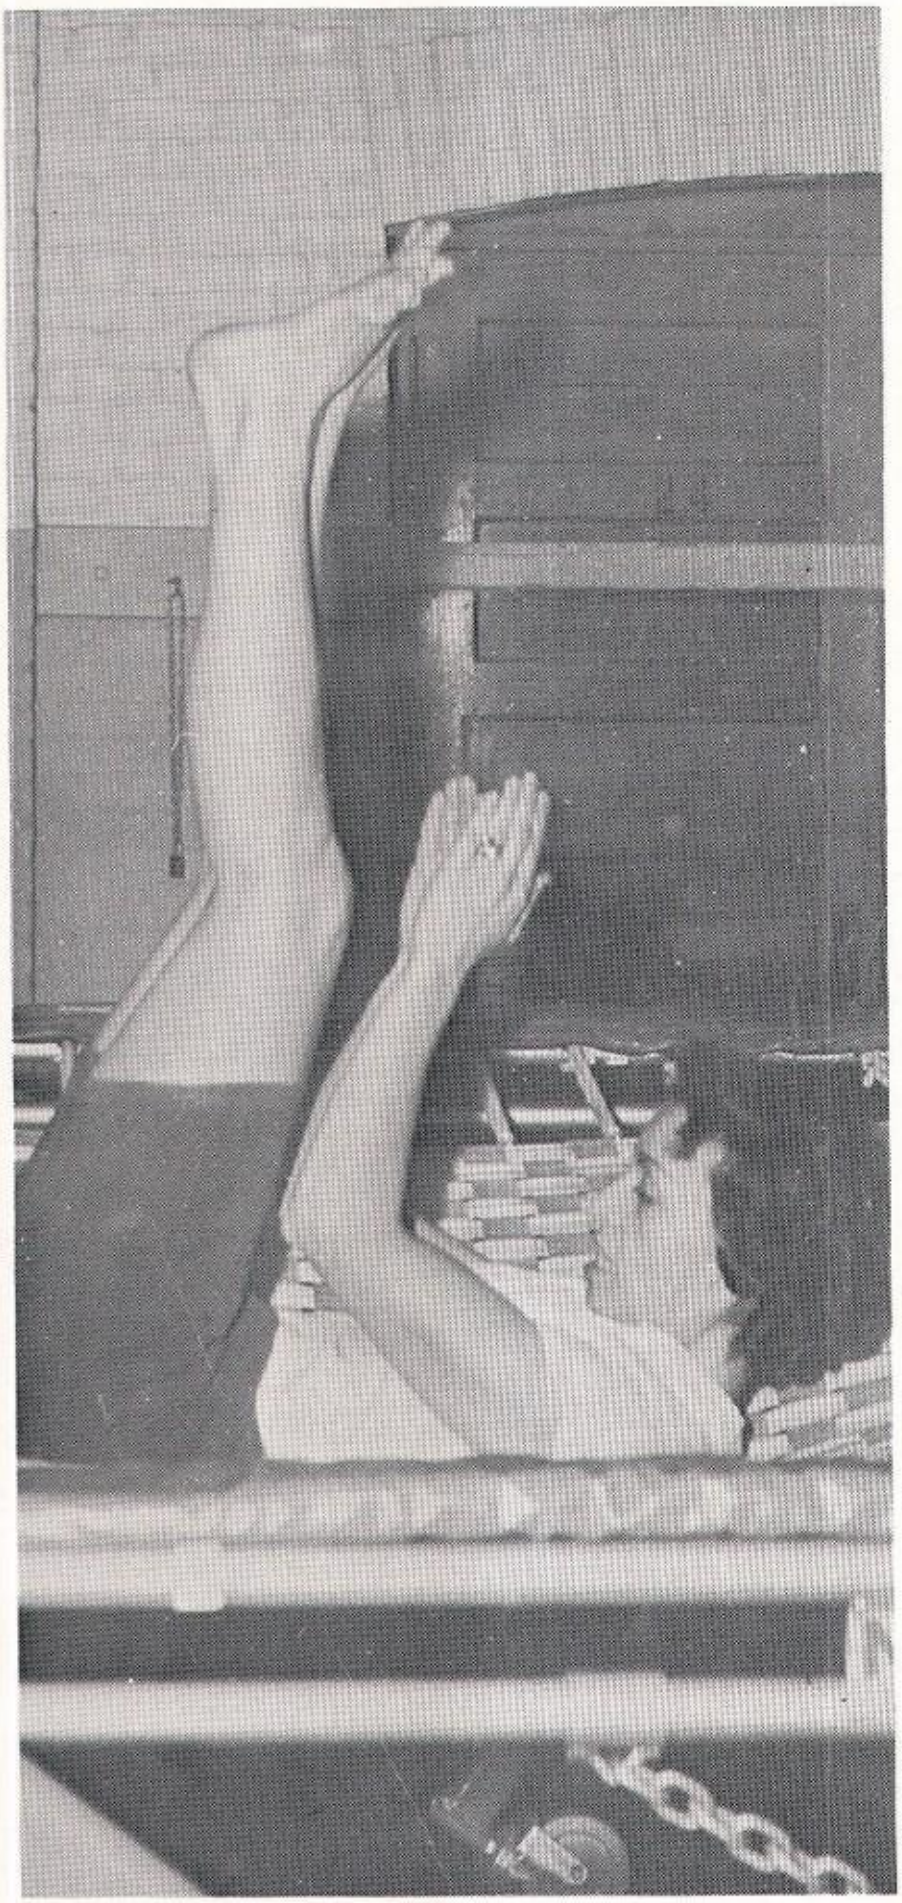
A tense basketball situation is pictured. Such games are common during the basketball season. At this time, the old girls' gym rings with excited shouts and cries of victory or encouragement.

The football field is put to a new use during the mild days of early fall and late spring. On sunny days, when it is not too chilly outside, the observer could see the girls troop out to the football field and there play a slightly less violent game. This game is known as soccer.

The girls enjoy this healthy exercise, especially when the boys' gym classes are also working outside on the field.



Priscilla Lindsey shows her skill on the trampoline. She is one of the best "trampoliners" in the school and highly enjoys this sport, as do many other girls. The "tramp" has become an essential part of the girls athletic activities.



In perfect form, Priscilla is again up to her old tricks!

To Our Friends of **M**uskegon **S**enior **H**igh **S**chool,

Congratulations Grads of '62, and a big thank you.

Like you, we too are looking toward the future, we are both investing in this great land of ours. You through hard work and education; Paris Studios through newer and better facilities and ways of making photography taylored to fit your needs: in your future wedding plans and in recording the growth of your family.

Together then, we can look forward to an ever greater future under the American free-enterprise system.

Sincerely yours,

CLEANING UP MUSKEGON

Your graduation from high school records an important step in your growth and development toward a rewarding and satisfying future.

Like you, Sealed Power Corporation is looking toward the future. For 51 years, Sealed Power Corporation has earmarked a substantial portion of its earnings for growth through improved facilities and product development. The corporation's new sleeve casting plant, established this year in Muskegon, is an example of this investment in the future.

Both of us are investing in the future. You through work and education, and Sealed Power Corporation through investment in research and improved facilities.

Together we look with confidence to an even greater future through growth and development under America's free-enterprise system.

Mrs. Dunsmore-

Whenever I feel blue this summer, I'm going to call you: you have the happiest laugh I have ever heard! I could've been as wonderful to Karen and me this past year. If you see any fat little Dutch girls this summer, remember me. (A windmill would be more appropriate!) Have tons of fun and be good - Remember in Paris you said I'd get a post card! I hope I have as much fun in life as you and your wonderful husband do.

Love,
Pam Fazakerley

Mrs. Dunsmore,
I guess there are no words to express how I owe you for all your kindness & love this past year. But - I am sure I'll never forget it. Best wishes for your trip to Europe & hope to meet you in Hollywood sometime.
Sincerely,
Jan Thompson

Mrs. Dunsmore,
I have enjoyed being in your home this year and I wish you the best of luck in future years.
